ANN ARBOR NEWS

Ann Arbor, Michigan, Wednesday, October 11, 1961

NEW PARK SHELTER: Ann Arbor's newest park shelter should be completed in two to three weeks. It is the Summit St. shelter at the Summit playground in north-central Ann Arbor. The shelter, being built at a cost of \$6,288, is in the northwest corner of the 200-130-foot playground that is bounded by Depot and E. Summit Sts., N. Fourth Ave. and the Peters Sausage Co. It will have toilets, a storage room and open space under a roof that can be enclosed during the winter to serve as a warming place of ice skaters.

SUMMIT PARK SHELTER
Dedication Ceremony
January 27, 1962
11:30 a.m.

Designed under the direction of the Parks and
Recreation Department.

Contractor: Svend Krist Construction Company

Size: 14' x 30' - including 14' x 14' enclosed porch

Cost: \$6,288.00

This shelter will be used by ice skaters in the
winter and for organized recreation in the summer.
