May Neighborhood Workday Highlights

5/6: Neighbors and friends of **Graydon Park** helped clean up fallen branches, pick up trash, spread woodchips on the playground, do landscaping, and more! The park is named after the late **Graydon Krapohl**, a former city councilmember.

5/13: Neighbors of **Burr Oak Park** showed up for a neighborhood workday spreading mulch, pulling weeds, and installing a new net for the volleyball court!

5/20: Neighbors of **Greenbrier Park** and **Glacier Highlands park** came out to help beautify and improve both parks at the same time!

These weren't the only workdays! Adopters did incredible work at:

May 6 Graydon Park

May 6 Terhune Pioneer Memorial Park

May 13 Burr Oak Park

May 16 Bandemer Park

May 20 Glacier Highlands & Greenbrier Parks

May 21 Wurster Park

May 23 Mary Beth Doyle Park

May 30 Dr. Harold J. Lockett Park

New Adopters!

The **Daughters of the American Revolution (DAR)** adopted **Terhune Pioneer Memorial Park** and held a workday cleaning up the historic gravestones there.

Ancor adopted **Mary Beth Doyle Park** and held their first cleanup workday!

An Adoptable Park!

Esch Park is a beautiful neighborhood park that needs an adopter to help keep the gardens in top shape!
