

# Internships at

*Community Television Network* of Ann Arbor, MI seeks students who are interested in learning about community access!

## **POSITION: Production Interns**

Duties include:

- Creating channel bulletin board messages.
- DVD duplication
- Dependability!
- 10-15 hours per week
- Editing and managing b-roll archive
- Editing PSAs, promos and programs
- Assist with classes and studio shoots
- Camera operation for studio and remote shoots
- Other duties as required

This is unpaid work experience where the intern is actively involved in the daily operations at CTN.

It is CTN's intention to provide each intern with an understanding of Public, Education & Government Television. *What each intern gains will be determined by his/her contribution and self-motivation.*
