RE: Proposed Fourth and Fifth Avenues Historic District, Ann Arbor, Washtenaw County

Dear Reader,

On the City of Ann Arbor website you will find the preliminary report for the Proposed Fourth and Fifth Avenues Historic District, as well as survey sheets for each property in the study area, for public review.

The Study Committee that prepared the preliminary report was appointed by City Council in September 2009, and the Committee adopted the report on February 16, 2010.

The Study Committee will be holding a public hearing in early May, shortly after the sixty day waiting period required by state law. If you have comments, you may submit them in writing to the Study Committee by emailing them to [hdc@a2gov.org](mailto:hdc@a2gov.org) or mailing them to my attention at the address above, or you may speak at the public hearing. The date for the hearing will be published on the City website and broadcast via email for subscribers to Planning Updates through the GovDelivery system. (If you wish to subscribe to Gov Delivery, go to <http://www.a2gov.org/government/communityservices/planninganddevelopment/planning/Pages/default.aspx> and click on the red envelope near the upper right hand corner of the page.) Owners and residents within the proposed district boundaries will receive notification of the public hearing date by mail.

After the public hearing, the report will be transmitted to City Council for their consideration and possible action.

Please contact me at (734) 794-6265 extension 42608 if you have any questions or require additional information.

Sincerely,

Jill Thacher  
City Planner/Historic Preservation Coordinator
