

Public Market Advisory Commission Mission Statement

The Public Market Advisory Commission exists to:

1. Cultivate relationships among all vendors, the public, local and national governmental agencies, and the Kerrytown area businesses and residential neighborhood, through open communication and the collection and sharing of information.
2. Advise the Market Manager in advertising and promotion of the market, as well as offer input on musical, educational, and other special events at market.
3. Engage in strategic planning for the market, reviewing market policy as necessary and implement plans, step by step.
