

## **Public Meeting Notice**

### Fuller Road Station

As a resident or property owner within 1,000 feet of the site for the proposed Fuller Road Station, you are invited to attend a public meeting. In September, 2009, community members were invited to attend the first of several public meetings about Fuller Road Station. This second public meeting is scheduled for **Wednesday, February 10, at 7 p.m. in Council Chambers (2<sup>nd</sup> floor) at City Hall.**

Fuller Road Station is a collaborative project between the City of Ann Arbor and the University of Michigan that is planned for a Spring, 2010, submission to the Ann Arbor Planning & Development Services Unit. The location of Fuller Road Station will be in the vicinity of the parking lot on the south side of Fuller Road, just east of East Medical Center Drive/Maiden Lane.

Fuller Road Station is proposed to be an intermodal transportation facility that will serve AATA and University bus service, non-motorized transportation (walking and bicycling), rail service and City and University parking needs.

Individuals receiving notices will have an opportunity to discuss Fuller Road Station with the design team and express any concerns, issues or problems with the proposed project.

Persons with disabilities are encouraged to participate. Accommodations, including sign language interpreters, may be arranged by contacting the City Clerk's office. Requests need to be received at least 24 hours in advance of the meeting. Other questions may be directed to Dave Dykman, City of Ann Arbor Project Management, at (734) 794-6410 x 43685 or email [ddykman@a2gov.org](mailto:ddykman@a2gov.org).
