Nixon Road - Huron Parkway Intersection

### PUBLIC INVOLVEMENT

The Nixon Road - Huron Parkway corridor is an important connection between the residential neighborhoods and nearby goods and services. Through the past year, the public has been engaged in the design process for this roadway improvement project. The City has greatly appreciated that input in order to design a safe and reliable corridor for a wide range of users on foot, on bikes, and in vehicles.

### WHEN:

Wednesday, March 5th, 2008

### PUBLIC OPEN HOUSE

On Wednesday, March 5th, 2008 the project team will host an Open House to review the Nixon Road - Huron Parkway Improvement Project. At this public engagement meeting, the project team, which includes representatives from the City along with project consultants, will present the project design, collect your comments and answer your questions. This is an informational work session. There will be a series of stations in place around the Clague Cafeteria with project team members posted alongside. We look forward to meeting you.
