CRIME PREVENTIONS TIPS

Home and Neighborhood

- Good locks, simple precautions, neighborhood awareness, and common sense can help prevent most property crimes.

Locks, Doors, and Windows

- Install and use good deadbolt locks in your doors (about half of all burglars enter through unlocked doors and windows).
- Secure sliding glass doors with locks or a rigid wooden dowel wedged in the track.
- Lock double-hung windows by sliding a bolt or nail into a hole drilled at a downward angle through the top of each sash and into the frame.

Outside

- Trim back shrubbery hiding doors or windows. Cut back tree limbs that could help a thief climb to second story windows.
- Make sure all porches, entrances, and yards are well lighted.
- Maintain the neighborhood. Dark alleys, litter, and rundown areas attract criminals
