Notice of Temporary Traffic Control Plan
E. Stadium Boulevard Bridge over S. State Street Partial Demolition Project
S. State Street (Packard to Stimpson)
November 15 to November 17, 2009

Location and Limits of Affected Area:

S. State Street from Packard Road to Stimpson.

Description of Construction:

Demolish and remove 5 beams from the E. Stadium Boulevard Bridge over S. State Street

Temporary Construction Traffic Control Plan:

Both northbound and southbound S. State Street will be detoured during the above referenced period. Southbound S. State Street traffic will be detoured along Packard Road to E. Stadium Boulevard; along E. Stadium Boulevard to S. Industrial Highway; along S. Industrial Highway to Stimpson; along Stimpson to S. State Street.

Northbound S. State Street traffic will be detoured along the same route.

Pedestrian traffic will not be allowed under the bridge during demolition and clean-up operations.

Pedestrian traffic is requested to use Henry Street eastbound to White Street; White Street northbound to Rose Avenue; Rose Avenue westbound to S. State Street.

During this construction the traffic may experience brief delays within the areas influenced by this work and along the detour route itself. To maintain the safety of all, please reduce speeds and drive cautiously in and around work zones.

We thank you in advance for your patience as this necessary work is completed in order to ensure the safety of all Ann Arbor citizens.
