### A Conversation with George Stoney, the Father of Public Access Television

Tuesday, August 24, 8:15 PM CTN Ch. 17

George C. Stoney, an NYU professor of film & cinema studies, is a pioneer in public access television. Now 94 years old, he recently visited **CCTV in Burlington, Vermont**. Our friends there happily provided us with the program. We note that Dr. Stoney was our keynote speaker at an Alliance for Community Media Conference we hosted here in 1993. Great to have him back on CTN!
