**Temporary Traffic Control Plan
(July 26 to September 3, 2010)
for
Bird/Newport/Warrington Utility Improvement Project
(July – October 2010)**

Location and Limits of Affected Area:

- Bird Road, 700 feet east of Newport Road
- Newport Road, from 600 feet south of Bird Road to 1000' north of Warrington Drive
- Warrington Drive, from Newport road to Lincolnshire Lane

Description of Construction:

The Bird/Newport/Warrington Utility Improvement project includes the installation of a new Sanitary Sewer, Water Main, replacement of the temporary Storm Sewer culvert and road resurfacing at Warrington Drive, Bird Road and Newport Road.

Temporary Construction Traffic Control Plan:

Beginning on Monday July 26, 2010 the intersections of Newport Road with Bird Road and Warrington Drive will be closed for traffic. For this construction, the traffic on Newport Road will be redirected to Newport Road., North Maple Road., and Miller Ave. The traffic on Bird Road and Warrington Drive will be redirected to Huron River Drive, North Main Street and Miller Ave., or to Huron River Drive and Newport Road (map attached).

Detour signs will be posted for this construction. We thank you in advance for your patience as these necessary public infrastructure improvements are completed.
