Notice of Temporary Traffic Control Plan
S. MAIN STREET - STADIUM BLVD TO KEECH AVE
March 14– July 15, 2010

Location and Limits of Affected Area:

S. Main Street from a point just north of Stadium Blvd to a point just south of Keech Ave

Description of Work:

Masonry work on the west facade of the renovated U-M Football Stadium. The work will begin by the installation of the temporary traffic control plan at S. Main St (see the attached drawing) on Sunday March 14, and the restoration of the traffic lanes to their original condition on or before July 15, 2010.

Temporary Construction Traffic Control Plan:

To ensure the safety of the public and the construction workers, on Sunday March 14 the current traffic lanes within the limits of the work zone will be reconfigured to maintain two northbound and one southbound traffic lanes for the duration of the construction project. The southbound left turn traffic lane from S. Main Street to E. Stadium Blvd will be maintained at all times.

Pedestrian Access

Within the work area, the sidewalk on the eastside of S. Main Street will be closed. The sidewalk on the west side of South Main Street will remain open at all times.

Thank you for your patience and patronage.
