Section 1: Pursuant to and in accordance with all applicable provisions of Act 336 of the Public Acts of 1947, as amended, the Employer does hereby recognize the Ann Arbor Police Officers Association as the exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment for the unit of Police Service Specialists.

Section 2: The Employer and the Association are committed to providing every employee a workplace free from unlawful discrimination and harassment under applicable federal, state, and local law (City's Non-Discrimination Ordinance, Chapter 112). The Employer nor its agents nor the Association, its agents or members, shall discriminate against any employee because of his/her membership or non-membership in the Association.

Section 3: The Association agrees that, except as specifically provided by the terms and provisions of this Agreement, employees shall not be permitted to engage in Association activity during working hours. Members shall be permitted to discuss Association business with other members during their duty hours. However, such discussions shall not interfere with the performance of the member's duties.

Section 4: Consistent with the requirements of the Michigan Public Employment Relations Act, PERA, as amended, and in accordance with the terms of this article, each bargaining unit member covered by this agreement has the choice of whether or not to become a union member which includes paying dues, and participating in union activities including voting on whether to ratify this agreement. Financial support of the union is not a condition of employment. For those who are union members and wish to pay their dues via payroll deduction, the terms of this article shall apply.

Section 5: The Employer agrees to deduct the regular monthly dues or representation fees in amount certified to the Employer by the Association from the last paycheck of every month of each employee who has executed a currently valid payroll deduction authorization card.

The Association shall defend, indemnify and save the Employer harmless against any and all claims, demands, suits or other forms of liability arising out of this section.

Section 6: Aid to Other Organizations; The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Association.

STRIKES AND LOCKOUTS

Section 1: The Association agrees that during the life of this Agreement neither the Association, its agents nor its members will authorize, instigate, aid, condone, or engage

in a work stoppage, slow down, strike, or any other concerted activity which interferes with the operations of the Employer. The Employer agrees that during the same period there will be no lockouts.

Section 2: Individual employees or groups of employees who instigate, aid, or engage in a work stoppage, slow down, strike, or any other concerted activity which interferes with the operation of the Employer may be disciplined or discharged.

ARTICLE 3: MANAGEMENT RIGHTS

The Association recognizes that the Employer reserves and retains, solely and exclusively, all rights to manage, direct, and supervise the operations of the Police Department and its work force, except as expressly limited by the provisions of this Agreement.

The Association recognizes that the City has statutory and charter rights and obligations in contracting for matters relating to municipal operations. The right of contracting or subcontracting shall not be used for the purpose or intention of undermining the Association nor to discriminate against any of its members.

The Employer reserves the right to make changes in assigned duties and responsibilities, as it deems necessary to provide quality law enforcement service in an efficient and effective manner to the community. The Chief or designee retains the right to make determinations as to assignments of employees in bargaining unit.

The Association recognizes the right of Management to transfer employees to positions within the Department or outside the Department on a temporary or permanent basis; and the right of Management to reorganize Departmental functions as well as functions within the bargaining unit covered by this Agreement. Management recognizes that such transfer or reorganization shall not be arbitrary or capricious.

ARTICLE 4: POLICIES AND PROCEDURES

Section 1: All departmental rules and regulations, policies, and procedures shall be and hereby are incorporated and made a part of this Agreement as though included herein. Except when immediate action is required, the Employer will give the Association prior notice of any change to any rule, regulation, policy or procedure. The Employer shall give the Association the opportunity to discuss the desired change with the Chief or his/her designee after the change has been implemented. If after the discussion, the Association believes the desired change or new rule, regulation, policy or procedure to be unreasonable or discriminatory, the Association shall have the right to submit said dispute to the grievance procedure contained in this Agreement.

Section 2: A copy of said special order, general order, rule, regulation or training bulletin shall be provided to the Association when issued.

Section 3: Employees who do not request a copy of each general order shall be afforded an opportunity to review all new orders, rules and regulations. It is understood and agreed between the Employer and the Association that a procedural order will be developed that will incorporate the guidelines for implementation of this procedure. It is also understood and agreed that this order is subject to change by management in accordance with the procedure outlined in (a) above.

Section 4: The Association recognizes the applicability of city-wide Human Resources Policies and Procedures and Departmental Rules that do not modify or conflict with the existing Agreement.

ARTICLE 5: DISCIPLINE AND DISCHARGE

Section 1: Upon substantiation of an allegation or complaint of misconduct from within the department or from outside the department which may result in disciplinary action against an employee, but in no case more than fourteen (14) calendar days after the receipt of an allegation or complaint, a supervisor shall inform the employee of the nature of the accusation and the identity of the complainant(s). The supervisor or employee will notify the employee's Steward that a complaint has been made against the employee and the name(s) of the complainant(s). The employee shall, at the time of notification, if he/she so desires, have the right to consult privately with his/her Steward and to have the Steward present during any discussions occurring between the employee and his/her supervisor regarding the allegation or complaint. The employee shall respond to the complaint or allegation verbally at the time of notification if ordered to do so by the supervisor. If the employee is unable to reply accurately, he/she will have the opportunity to review the appropriate written records before responding. The interview of the employee will be recorded. Witness interviews may be recorded if both parties agree. Responses involving possible criminal conduct may only be used to resolve internal police department misconduct complaints and may not be used in any criminal court proceedings against the employee.

Section 2: The supervisor, after notifying the employee of the complaint or allegation in accordance with Section 1 above, shall, as soon as possible, reduce the allegations or complaint to writing and cause it to be presented to the employee within fourteen (14) calendar days or if the employee was relieved of duty in accordance with Section 4 of this Article, the supervisor shall give positive notification of the allegations to the employee not later than the conclusion of the next day. The employee shall have until his/her next working day after receipt of the written allegation to reply. If the employee's reply is unclear to the supervisor, the reply shall be returned to the employee for clarification. The employee shall have until his/her next working day to submit a clarification. The investigation shall be conducted with all possible haste and, except for complicated matters, shall be concluded within fourteen (14) calendar days from the date the employee answers the allegation. If the investigation is to take longer than fourteen (14) calendar days, the supervisor will notify the employee and tell him/her why it is being delayed.

Exceptions to this notification procedure outlined in Sections 1 & 2 may be made when the complaint or accusation is of a serious criminal nature and to notify the employee would hinder the investigation. Notification shall be delayed no longer than is absolutely necessary to complete the investigation.

Section 3: The investigating supervisor shall, upon completion of his/her investigation, make a recommendation to the employee's Division Commander as to his/her findings and suggested discipline, if any. The investigating supervisor shall not base his/her recommendations upon infractions which have occurred more than twenty four (24) months prior to the occurrence under investigation. The Division Commander will make appropriate discipline if warranted. The decision of the Division Commander will be

forwarded to the employee in writing not later than fourteen (14) calendar days following the day the Division Commander has received the completed investigation from the investigating supervisor.

Section 4: In severe cases where it is necessary for the Employer to relieve the employee of duty, the employee shall be informed of the reason for his/her relief from duty. The employee will be allowed the opportunity to discuss the relief from duty with a Steward before being required to leave the premises. In the event an employee is relieved from duty, his/her salary and other benefits shall be continued during this period.

If an employee who has been relieved of duty is subsequently suspended or discharged, the discipline shall commence when imposed. In these situations, the employee will be required to utilize approved banked time to cover the relieved from duty time period.

If an employee who has been relieved of duty is not suspended or discharged, the employee will not be required to utilize banked time to cover the relieved from duty period.

Section 5: The forms of discipline shall be limited to the following:

- a) Written Warning: A form of progressive discipline whereby an employee is notified, in writing, that his/her conduct is unsatisfactory in that it does not measure up to the minimal acceptable work level or conduct of the department. When a written warning is issued to an employee, he/she shall signify his/her receipt of said warning by signing same, and he/she shall be furnished a copy of the written warning; and the original shall be placed in the employee's personnel file. If the employee wishes to record his/her position regarding the action, he/she shall have the right to note his/her position and attach a memo to the warning, setting forth said position.
- b) Reassignment: Reassignment is an involuntary assignment and may include changes in working hours, pay, days off, and types of work performed. However, said work reassignment shall not be of a nature not normally performed by an employee of the reassigned employee's job classification. The reassignment must be within the department. If the reassignment is for a designated period, the employee will return to their original assignment at the end of that period. The employee shall receive full benefits and salary of the position to which he/she has been reassigned for an employee of his/her seniority level.
- c) Suspension: Suspension is a temporary separation from the Department. A member who has been suspended will not be paid for the period of his/her suspension but will accrue all benefits with the exception of vacation and sick time. Suspension shall not exceed two hundred (200) working hours. Provided, however, that this maximum shall not be a limit on the power of an arbitrator to modify a disciplinary penalty.
- d) Dismissal: A complete and final separation from employment of the Employer. It

is recognized by both the Employer and the employee that the employee may continue to be represented by his/her bargaining unit after dismissal through all prescribed contractual appeals.

Section 6: If the employee is not satisfied with the Division Commander's decision on discipline, he/she may appeal said decision to the Chief of Police; provided a written appeal is presented to the Chief within 14 calendar days after the Division Commander makes his/her decision. The Chief, or his/her designee, will review the complaint or allegation, charges, investigation, disciplinary decision and written appeal submitted by the employee. He/she will affirm or modify the proposed discipline and notify the employee and Association in writing of said decision within fourteen (14) calendar days of receipt of the appeal.

Section 7: In the event the employee believes the discipline administered by the Chief was unjust, it shall enter the grievance process at Step 3.

Section 8: Verbal reprimands shall be exempt from the provisions of this article, except as provided in Section 9 below.

Section 9: Where as a result of the review of a complaint or the investigation of misconduct a decision is made not to pursue disciplinary action under the terms of Section 5 of this article, the following will apply: The Employer may issue a verbal warning or reprimand to the employee.

Section 10: Any employee involved in a motor vehicle accident in which he/she is at fault may be disciplined in a manner commensurate with the severity of the accident. In order to improve the employee's driving ability, such discipline shall normally be designed to achieve that end.

- a) Discipline for an employee involved in a motor vehicle accident shall not be mandatory but shall be at the discretion of command.
- b) Any employee involved in a motor vehicle accident in which he/she is not at fault shall not be disciplined.
- c) Any employee being disciplined for a motor vehicle accident has the full right of hearing and appeal as set forth in the discharge and discipline section of this agreement.
- d) If during the life of this Agreement the Employer develops and implements a City-wide motor vehicle accident policy, this action shall not preclude employees covered by this Agreement from becoming subject to said City-wide policy.

ARTICLE 6: GRIEVANCE PROCEDURE

Section 1: “Grievance” means any and all disputes about interpretations or applications of particular clauses of this Agreement, or about alleged violations of this Agreement.

Section 2: The purpose of this grievance procedure is to establish effective process for the fair, expeditious and orderly adjustment of grievances or disputes. The informal resolution of grievances or disputes is urged, and it is encouraged that they be resolved at the lowest possible level of supervision. This will generally involve the employee meeting with his/her immediate supervisor.

Section 3: Grievances shall be processed according to the following procedures:

- a) Preliminary Step: An employee who feels he/she has been aggrieved or dealt with unfairly or believes that any provision of this Agreement has not been applied or interpreted properly must discuss his/her complaint with the most appropriate Lieutenant given the nature of the grievance. The employee has the right to have a Steward present at this initial discussion if he/she chooses. This discussion must occur within fourteen (14) calendar days after the occurrence of the event upon which the complaint is based. The parties shall discuss the complaint in a fair manner and shall make every effort to reach a satisfactory settlement at this point. The lieutenant shall make arrangements for the employee to be off his/her job for a reasonable period of time up to thirty (30) minutes, in order to discuss the complaint with his/her Steward. The lieutenant shall respond to the union and the employee in writing within five (5) calendar days.
- b) Step 1: If the employee and/or union are not satisfied with the lieutenant’s written response, the aggrieved employee may file a formal grievance on the grievance form. The grievance shall set forth the nature of the grievance, the date of the matter complained of, the names of the employee or employees involved and the circumstances surrounding the grievance. The grievance shall be presented to the Deputy Chief within fourteen (14) calendar days after the receipt of the lieutenant’s written response.
- c) Step 2: Within fourteen (14) calendar days after the grievance is presented to the Deputy Chief, a meeting will be held with the Deputy Chief, the Steward, or his/her designee (designee must be an Executive Board member), and the aggrieved member. A written answer shall be rendered by the Deputy Chief within fourteen (14) calendar days of the meeting.
- d) Step 3: If the grievance is not satisfactorily settled at Step 2, the Union President or his/her designee (designee must be an Executive Board member) may appeal to the Chief of Police within fourteen (14) calendar days of the Step 2 decision. The Chief or his/her designee, the Union President or his/her designee (designee must be an Executive Board member), and the aggrieved member will meet within fourteen (14) calendar days of the receipt of the grievance by the Chief. A written

answer shall be rendered by the Chief or his/her designee within fourteen (14) calendar days after that meeting.

If the grievance is not satisfactorily resolved by the Chief, the grievance shall be referred to the President of the union or his/her designee (designee must be an Executive Board member), who shall convene the Executive Board of the Association to determine the validity and justification of the grievant's complaint. If the grievance is determined to be valid by a majority vote of the Executive board, which shall be specifically noted on the grievance form, it shall proceed to Step 4. If the grievance is not determined to be valid by a majority vote of the Executive Board, the Association shall not proceed further on behalf of the employee.

- e) Step 4: If the grievance is not satisfactorily settled at Step 3, and the Executive Board determines the grievance to be valid, the employee or the Association shall have the right to appeal to the Director of Human Resources; provided said appeal is made within twenty one (21) calendar days of receipt of the written Third Step answer. The representatives of the Association shall meet with the Director of Human Resources and/or his/her designated representatives within fourteen (14) calendar days of the presentation of the appeal. The Association representatives may meet thirty (30) minutes prior to this meeting. The Director of Human Resources or designated representative's written answer shall be filed within fourteen (14) calendar days after that meeting. In lieu of filing an answer, the Director of Human Resources, in his/her discretion, may submit the grievance to a mutual agreeable arbitrator. If the parties are unable to agree on an arbitrator, the services of the American Arbitration Association shall be used in making a selection. In such case, the decision of the arbitrator shall be binding on both parties.
- f) Step 5: if the Fourth Step answer is unsatisfactory to both the Association and the employee, the grievance may be submitted to a mutually agreeable arbitrator; provided said submission is made in writing within fourteen (14) calendar days after receipt of the written fourth step answer. If the parties are unable to agree to an arbitrator, the grievance shall be submitted to arbitration through the American Arbitration Association in accordance with its voluntary labor arbitration rules; provided such submission is made in writing within fourteen (14) calendar days of receipt of the fourth step answer. The decision of the arbitrator shall be binding on both parties. The arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement, nor shall he/she substitute his/her discretion for that of the Employer or the Association where such discretion has been retained by the Employer or Association, nor shall he/she exercise any responsibility or function of the Employer or the Association.

It is recognized that some issues that may be the focus of a grievance are only able to be addressed properly at Step 3, 4, or 5. Examples of this are issues related to benefits or issues that affect multiple union members. In these cases, the union may appeal to the Chief of Police to "fast track" the process skipping the

preliminary step and steps 1 and 2. If a new grievance is submitted to the Chief of Police, she/he will either handle the grievance starting at Step 3 or will direct the union to begin at a different step.

Section 4: If the grievance is submitted to an arbitrator by the Director of Human Resources under Step 4, the City shall pay the arbitrator's fee. If the grievance is submitted to arbitration pursuant to Step 5, the expenses and fees of arbitration shall be shared equally by the Employer and the Association. Unless mutually agreed by both parties, a court reporter shall be scheduled to transcribe the arbitration proceedings. Each party will pay one half the costs.

Section 5: Notwithstanding any other provisions herein, individual employees may present their own grievances to the Employer and have them adjusted without the intervention of the Steward or Association officers; provided, however, that the Employer shall notify the Association of adjustments made in accordance with this Section. In no event shall any such adjustment be contrary or inconsistent with the terms of any agreement between the Employer and the Association.

Section 6: Time limits at any step of the grievance procedure may be extended only by mutual agreement between the Employer and the Association. In the event the Association does not appeal a grievance from one step to another within the time limits specified, the grievance shall be considered as being settled on the basis of the Employer's last answer. In the event the Employer fails to reply to a grievance at any step of the grievance procedure within the specified time limits, the grievance shall be considered to be denied and may be advanced to the next step by the Association by written appeal within the proper time limit after the answer is due.

Section 7: The Employer and the Association shall agree on a grievance form. Once such agreement is reached, the form shall be prepared by the Employer and provided to the Association and employees as requested. One copy of this form shall be the property of the employee filing the grievance.

ARTICLE 7: STEWARDS

Section 1: The Employer recognizes the right of the Association to designate two Police Service Specialist Stewards from the members of this bargaining unit. Once the Stewards are selected, his/her names will be submitted to the Police Chief and to the Human Resources Department for their information.

Section 2: The authority of the Stewards so designated by the Association shall be limited to and shall not exceed the following duties:

- a) The investigation and presentation of grievances in accordance with the provisions of the Grievance Procedure.
- b) The transmission of such messages and information which shall originate with, and are authorized by, the Association, or its officers, provided such messages and information:
 - i. Have been reduced to writing, or
 - ii. If not reduced to writing, are of a routine nature and do not involve work stoppages, slow downs, refusal to handle goods, or any other interference with the work of the Police Department.
- c) The Steward shall be permitted reasonable time to investigate, present and process grievances on the premises of the Police Department without loss of time or pay during his/her regular working hours. Such time spent in handling a grievance during the Steward's regular working hours shall be considered working hours in computing daily and/or weekly overtime if within the regular schedule of the Steward. It is understood that only one Steward shall be allowed to present and process a particular grievance. However, if the Steward handling a particular grievance is absent, another Association Steward can substitute for him/her. Furthermore, the Association's Chief Steward will be allowed to attend grievance hearings in accordance with the grievance procedure.
- d) Bulletin and Orders: A copy of any other, general order, rule, regulation or training bulletin shall be made available to the Steward for the Association.

Section 3: Bargaining Committee

Two (2) Employee members of the Bargaining Committee will be granted straight time hours for the time spent during the normal working day in negotiations with the City. Employees who bargain on other than the normal regularly scheduled work day will be granted straight time compensatory time for hours spent bargaining with the City. The Bargaining Committee shall consist of a maximum of three (3) members which may consist of two members from the bargaining committee, one member from AAPOA or one union representative.

ARTICLE 8: SPECIAL CONFERENCES

Special conferences for the discussion of important matters (not grievances) may be arranged at a mutually satisfactory time between the Association and Employer representatives within a reasonable amount of time after the request of either party, subject to the following conditions:

1. Such meetings shall be held only as necessary and shall not become unreasonable in number.
2. Such meetings shall be attended by a maximum of two (2) Association representatives unless additional representatives are requested by the Chief.
3. There must be reasonable advance written notice of the desire to have such meeting, which notice must be accompanied by an agenda of the subjects the party serving such notice wishes to discuss. If both parties have subjects they wish to discuss, they shall exchange agenda.
4. Such special conferences shall be held during the working day. Employees shall be paid for all time necessarily lost from their regularly scheduled work while attending such conferences.

ARTICLE 9: SENIORITY

Section 1: Seniority encompasses three distinct types of seniority defined as:

- a) City seniority is the length of service as an employee of the City of Ann Arbor. City seniority date is the date of hire. For those members who are hired on the same date, their date of application will be the deciding factor in order of seniority.
- b) Departmental seniority is the length of service as an employee of the Ann Arbor Police Department. Departmental seniority date is the date of original hire or transfer into the Police Department. For those members who are hired on the same date, their date of application will be the deciding factor in order of seniority
- c) Bargaining unit seniority is the length of service within this bargaining unit. Any time spent in another bargaining unit or in a non-union position will not be included but will apply to departmental and City seniority. Bargaining unit seniority date is the original date of hire into or transfer into the bargaining unit minus any time spent in another bargaining unit after entering this bargaining unit.

Section 2:

- a) New employees hired into the unit and employees who transfer to the unit shall be probationary employees for evaluation purposes for one year commencing with the original date of hire or transfer into the bargaining unit. The purpose of the probationary period is to provide an opportunity for the Employer to determine whether the employee has the ability and other attributes which qualify him/her for regular employee status. During the probationary period, the employee shall have no seniority status and may be terminated in the sole discretion of the Employer without regard to his/her relative length of service. Unsatisfactory employees shall be terminated. Employees who have successfully completed a probationary period, who leave the bargaining unit and subsequently return within one (1) year will not be subject to a probationary period upon return.
- b) Once the new hire employee's probationary period is completed, the employee's seniority with the Employer and the Unit will begin from his/her date of hire. Once the transferred employee's probationary period is completed, the employee's bargaining unit seniority will be the date of transfer. This clause shall not be construed to interfere with benefits normally received by probationary employees, such as, step increases, vacation accrual, sick leave accrual, and insurance coverage normally received after 90 days, if the probationary employee has met the qualifications for those benefits.
- c) It shall be the Department's prerogative to extend the probationary period an additional three (3) months beyond the initial one (1) year probationary period if there are extenuating circumstances. The employee shall be notified of any extended probationary period and the reason for said extension.

- d) The Association shall represent probationary employees for the purpose of collective bargaining, with respect to rates of pay, wages, hours of employment, and other conditions of employment as set forth in the Agreement. Probationary employees who are discharged or disciplined for reasons other than Association activity are not represented by the Association.

Section 3: The Employer will maintain an up to date seniority list. A copy of the seniority list will be provided upon request.

Section 4: An employee's seniority and employment shall terminate:

- a) When someone quits or retires.
- b) If he/she is discharged and the discharge is not reversed though the procedures set forth in this Agreement.
- c) If following a layoff, he/she fails or refuses to notify the Employer of his/her intention to return to work within three (3) calendar days after receipt of a written notice sent by overnight mail of such recall is to his/her address on record with the Employer. Employer may extend the notification period due to extenuating circumstances presented by the employee. In addition, if following a recall notice, the employee fails to return on the date scheduled by the Employer his/her seniority and employment shall terminate.
- d) If he/she is absent for three (3) consecutive regularly scheduled working days without notifying his/her supervisor prior to or within such three (3) day period of a justifiable reason for such absence unless such notification was impossible. In proper cases, exceptions may be made with the consent of the Employer. After such absence, the Employer will send written notification to the employee at his/her last known address that he/she has been terminated. If the disposition made of any such case is not satisfactory to the employee, the matter may be referred to the grievance procedure.
- e) When he/she has been laid off for a period of twenty four (24) or more consecutive months.
- f) Failure to return from sick leave and leaves of absence will be treated the same as (c) above.

Section 5: If an employee is temporarily transferred by the Employer to a position outside the unit and is thereafter transferred again to a position within the unit, he/she shall have accumulated seniority while working in the position to which he/she was transferred. Employees transferred under the above circumstances shall retain all rights accrued for the purpose of any benefits provided for in this Agreement. The Employer shall not

transfer an employee to a position outside the unit without the consent of the employee for a period which exceeds one hundred twenty (120) days.

Section 6: If the Employer fails to give an employee work to which his/her seniority and qualifications entitle him/her and such work does exist and a written notice of his/her claim is filed within seven (7) days of the time the Employer first failed to give him/her such work, the employee may file a grievance under the grievance procedure and if successful in the grievance, the Employer will reimburse him/her for the earnings he/she lost through failure to give him/her such work.

ARTICLE 10: LAYOFF/RECALL

Section 1: Layoffs

The Employer may layoff a permanent employee when deemed necessary by reason of shortage of work or funds, abolition of the position, or material change in the departmental organization.

- a) Preliminary Step: Prior to issuing layoff notices, the entire bargaining unit will be offered a voluntary separation with no recall rights. Employees will have 48 hours to notify the Human Resources and Labor Relations Director or designee in writing of their interest. The most senior employee(s) (depending on the number of layoffs) within the service unit affected who indicated their interest within 48 hours will be awarded the voluntary separation. The City will not contest unemployment for individuals who choose this option. Contingent upon the employee signing a separation agreement, including a release of claims, the employee shall be paid severance pay (less applicable withholdings) based on years worked as follows:

Less than 5 years:	6 weeks of regular pay
5-9 years:	8 weeks of regular pay
10 or more years:	10 weeks of regular pay

Additionally, any employee who is eligible to retire and who is enrolled in the City's health care plan who chooses this option will receive a one-time deposit of \$500 in their HRA.

- b) Notice of Layoffs: The City will notify employees who are to be laid off at least seven calendar days before the effective date of the layoff.
- c) Order of Layoffs: The employee with the least bargaining unit seniority shall be the first to be laid off, provided the remaining employees have the ability and skills necessary to perform the work required in the classification. In the event management determines there are not senior employees who possess the ability and skills necessary in that classification, then a lesser seniority level employee who is so qualified shall be retained.
- d) Leave Banks: An employee laid off from City employment will be offered the opportunity to receive a payment for banked vacation, personal, or compensatory time. ARTICLE 11: HOURS

Section 1: It is recognized by the Union that scheduling work is a management right. The Employer shall have the right to determine reasonable schedules of working hours and days including the assignment of leave days and to establish the methods and process by which such work is performed. An employee called back to work because of negligence of duty shall not be entitled to overtime compensation. For example, if an employee leaves work with Department equipment, fails to turn in required documents before leaving work, etc., and is called in to return the equipment, or turn in the documents such employee will not be entitled to overtime compensation. Determination of when an employee will be called in shall be made by an appropriate supervisor.

They shall not accrue additional sick time in accordance with this paragraph until after their first anniversary. Once the emergency condition stabilizes, the employee is expected to return to work. The City reserves the right to require the employee to bring medical verification at the employee's expense, of such illness or injury.

Section 4: In order to qualify for sick leave payments, the employee must notify the department not later than one (1) hour before his/her normal starting time on the first day of his/her absence unless, in the judgment of the Chief, the circumstances surrounding the absence made such reporting impossible. In those circumstances, such report must be made as soon as possible.

If an employee does not request the payout above, all of the sick leave hours accrued in that year, may only be used for sickness and will not be compensated for in any way upon death or retirement.

Section 9: If and when an employee quits or is discharged from his/her employment, any unused, accrued paid sick leave shall be canceled and will not be paid out to the employee.

ARTICLE 19: LEAVES OF ABSENCE

Section 1: Medical Related Leaves

All medical leaves are concurrent with FMLA when it is applicable under the regulations, as determined by management. While on FMLA, an employee must utilize sick leave banks, but can retain up to 40 hours. Once sick leave is exhausted (down to 40 hours), the employee must use other banked time (vacation, comp or personal) until time is exhausted or FMLA is exhausted, whichever comes first. The employee may choose from which bank the time comes and may reserve up to 40 hours in each bank.

Once FMLA is exhausted, if an employee continues on a medical leave or a child birth/adoption leave, the employee can request to be paid out of any remaining banks (however, sick banks may only be used if there is supporting medical documentation of illness), or may choose to be unpaid. Vacation, compensatory, and personal leave time must also be used at the employee's election, if sick time is not appropriate or available. Total time to be allowed including FMLA and use of accrued banked time shall not exceed six (6) months.
- c) Non-FMLA Medical Leave & Absence: A medical leave may be granted for up to one year, or longer if approved by the Benefits team (one year including any available FMLA). The Employer may request additional medical certification at any time during said leave to substantiate the necessity for continued leave. During the course of the leave, the employee will continue to accrue paid time off as long as he/she is receiving pay.

When an employee knows in advance that a leave of absence under this section will be requested, the employee is required to submit such requests no later than thirty (30) days prior to the start of the shift schedule during which the leave of

absence will occur. Employees granted leaves of absence under this section will have their shift and leave days assigned by management for the shift schedule during which the leave of absence will occur.

- d) Return from Medical Leave: Prior to returning to work from any medical leave, it is the employee's responsibility to contact the Benefits Team as soon as possible prior to the planned return to work date. Failure to promptly contact the Benefits Team may delay the employee's return to work. No employee may return to work from a medical leave without authorization from the Benefits Team.

Section 2: Non-Medical Leaves

Management must approve non-medical leaves. Management is also responsible for notifying the Benefits team for coordination of benefits issues. While an employee is on a non-medical leave, he/she may utilize compensatory time, vacation time or personal time, if approved. If an employee is unpaid, he/she will be responsible for COBRA payments to continue health insurance, and employee will not accrue pension time or paid time off during the period when unpaid.

Any unused personal leave time remaining upon completion of the employee's last scheduled workday in the fiscal year shall be paid to the employee. Personal leave pay be taken in hourly increments.

In the event that new employees are added to the Bargaining Unit, they shall accrue eight (8) hours personal leave in each quarter of the first fiscal year of their employment. The four periods will be July 1 to September 30, October 1 to December 31, January 1 to March 31, and April 1 to June 30. The Employer shall endeavor to maintain its equipment in safe operating condition and equipped with safety appliances prescribed by law. The Employer shall furnish such protective devices and/or equipment as it deems necessary to properly safeguard the health of the employees and protect them from injury.

The Employer shall provide and maintain working conditions and equipment free of hazards as defined by MIOSHA, that are causing or are likely to cause death or serious physical injury and in a condition that would be acceptable under Act No. 154, Public Acts of 1974, "Michigan Occupational Safety and Health Act." The type of safety equipment to be provided may include, but not be limited to, gloves, goggles, face shields, respirators, safety shoes, safety glasses and hearing protection.

Section 2: Employee Responsibilities

- a) Every employee shall faithfully observe all safety rules and shall use such safety devices and/or equipment as is required thereby. Any infraction of any safety rule or failure to use such safety devices or equipment may subject the employee to disciplinary action.
- b) Employees shall comply with all occupational safety and health rules established for their job.
- c) Employees shall properly use and maintain all personal protective equipment issued and shall not remove, displace, damage, destroy or carry off a safeguard furnished or provided for use by the employer, or interfere in any way with the use thereof by any other person.
- d) All employees are responsible for the safety training they received and working within those boundaries.
- e) All employees are required to stop work and report as soon as possible unsafe conditions that could lead to injury, illness or loss.
- f) Employees injured on the job during regular hours of employment shall report the injury as soon as possible to the supervisor and follow all instructions provided by the Benefits team or the City's Third Party Administrator. If the injury requires medical attention, arrangements shall be made to transport the employee to the nearest medical facility as identified by the City.

- g) Failure to comply with this provision shall subject such employee to disciplinary action.

Section 3: Vehicle Related Safety

- a) In the event an employee believes that his/her assigned City vehicle is unsafe for use during his/her tour of duty, he/she shall return it to the station. If his/her immediate supervisor agrees with the employee, the vehicle shall be tagged and parked. Except for the emergency situations, such vehicle shall remain parked until either cleared by the Employer's mechanics as being safe for road service or released by the Chief or his/her designated representative in writing. It is understood and agreed that the vehicles will at all times be maintained in a state of general repair and will be mechanically functional. If it is determined by the employee and his/her shift supervisor that an assigned patrol vehicle is in violation of this section, the vehicle will be deadlined and not be used until repairs are completed.
- b) Any employee involved in any accident shall immediately report the accident and any physical or personal injury sustained to his/her supervisor. The employee shall forward all available names and phone numbers of any witness to the accident. Employees shall immediately, or at the end of their work day, report all defects of equipment to their immediate supervisor.

Section 4: Safety Committees

- a) A Citywide Safety Committee of employees and employer representatives has been established. The Association shall have a representative of its own choosing on the City Safety Committee.
- b) The Chief Steward will appoint the (2) members to an Association Safety Committee. This Committee will be responsible for reviewing all equipment, departmental procedures and policy that are related to the safety of the employee. This committee may make recommendations to the Chief at programmed committee meetings or at other times as they deem necessary.

ARTICLE 21: WORKER'S DISABILITY COMPENSATION

Each employee will be covered by the applicable Worker's Disability Compensation Act. Employees must report work-related injuries and illnesses as soon as possible to their supervisor. The employee must follow all directions related to medical care issued by the Benefits Team or third party workers compensation providers.

Section 1: First 52 Weeks

- a) Supplemental: The Employer agrees that an employee whose absence from work is due to illness or injury arising out of and in the course of his/her employment with the City, and who is eligible for Worker's Compensation, and seeks medical treatment, shall in addition to Worker's Compensation benefits, receive the difference between the Worker's Compensation benefits and his/her net City salary and all fringe benefits (except clothing and equipment allowance) as of the date of injury (excluding overtime) commencing on the first day on which he/she is unable to work due to work-related illness or injury. Supplemental payments will be paid thereafter until the 365th day following such injury.
- b) Net Pay: Net pay for purposes of determining the supplement will be calculated as follows:

Employee's bi-weekly wage less Federal taxes, State taxes, FICA and pension withholding. The supplemental amount will not increase because of a change in the employee's W-4 form.
- c) Pension: For computation of pension withholding and final average compensation for retirement calculation, the employee's regular bi-weekly salary will be used instead of the actual supplemental amounts paid. For periods of less than two weeks, the amounts will be prorated. The City will bear any additional necessary cost to make the pension contribution the same as if the employee were working. Worker's Compensation benefits shall not be used for purposes of computing final average compensation for pension.
- d) Reoccurrence: If an employee returns to work prior to the expiration of the 52 week period, and then is off again due to a reoccurrence or aggravation of the disability resulting in the prior absence from work, that employee shall be entitled to receive supplemental pay for a number of weeks equal to 52 minus the number already received.

Section 2: After 52 Weeks

- a) Payment: After the 52-week period, an employee who is eligible for Worker's Compensation benefits will receive only those statutorily mandated Worker's Compensation benefits. After the 52-week period, the employee will not receive any fringe benefits including insurance or accrue any sick, vacation, personal, or

other time. However, an employee may use accrued sick, vacation or compensatory time to supplement worker's compensation payments up to net salary.

- b) Pension: After the 52-week period, an employee who is eligible for Worker's Compensation benefits will not have any pension withholdings taken nor will he/she receive pension credit.

Section 3: Secondary Employment

- a) Notice: While an employee is receiving Worker's Compensation benefits, he/she shall notify the City if he/she is working elsewhere. Failure of an employee to notify the City that he/she is employed elsewhere shall result in the employee forfeiting his/her right to any additional weekly supplemental payments to which he/she would otherwise have been entitled, and in reimbursing the City an amount equal to that earned at other employment but not to exceed the amount the employee would have been entitled to as supplemental pay.
- b) First 52 Weeks: In the event that the employee is receiving income from another job and still remains on Worker's Compensation, the amount of the City's contribution shall be reduced by such an amount so that the total of the Worker's Compensation, City contribution, and outside income will not exceed his/her City net salary as of the date of the injury.

Section 4: Work Offered by the City

While an employee is receiving Worker's Compensation benefits, he/she shall be required to perform work that is offered by the City if he/she is capable of performing that work, including limited and light duty work. If an employee refuses to perform other work offered that he/she is capable of performing, the right to supplemental pay shall be forfeited and the employee will lose regular Worker's Compensation benefits under the Act.

- a) First 52 weeks: If the employee is offered this work during the first 52 weeks, when he or she is entitled to supplemental payments, the salary for the work offered will not be lower than his/her salary prior to the worker's compensation illness or injury.
- b) After 52 weeks: If the employee is offered work after the 52 weeks, his/her salary shall be that of the job offered.

Section 5: Return to Work

- a) Medical Checks: The employee may be required to periodically report to a City-selected and paid for doctor.
- b) Prior position: At any time that the employee is able to return to his/her regular position, he/she shall be required to do so. Failure to return will result in forfeiture of weekly supplemental payments and loss of regular Worker's Compensation

payments under the Act.

c) Other positions: If the employee is not able to return to his/her former position but is able to perform work in another open position, he/she may be offered that position and his/her pay shall either be commensurate with the salary or wage grade for that position.

d) Additional Medical Treatment upon Return to Work

The treatment must meet the criteria below to be considered an official worker's compensation medical treatment:

- Initial Treating Physician (if treated in the ER)
- Occupational Health Clinic (i.e. Concentra)
- An official referral from the Occupational Health Clinic.

Any questions regarding whether a treatment is considered approved should be directed to the Employee Benefits Supervisor.

There will be no overtime paid for follow-up medical treatment that meets the above criteria. Also, any contractual call back provisions are not applicable (i.e., there is no minimum guarantee of hours).

If treatment is necessary during the employee's normal shift, the employee will be released and will not be required to utilize sick time.

If the treatment is necessary during off shift hours, the employee will receive equivalent compensatory time at a straight rate that will be determined on a pay period basis. The employee must document all treatment hours on off-shift hours and submit them to the Benefits Supervisor on a pay period basis. The straight time off shall include travel time to and from the location necessary for follow-up treatment.

The Employer maintains the flexibility to change the schedule of employees requiring follow up treatment when operationally necessary.

Section 6: Coordination of Benefits

The Worker's Compensation and pension benefits paid to an employee or a retiree shall be coordinated so that the amount of pension paid to that person shall be reduced by the amount of the Worker's Compensation payments. Upon termination of the period for payment of Worker's Disability Compensation, arising on account of his/her City employment, the employee or retiree shall again receive his/her full periodic pension payments.

ARTICLE 22: INSURANCE BENEFITS

Section 1: Health Insurance

The City will provide health, dental and optical insurance coverage described below beginning on the 90th day after entry into a position in this unit. Employees who transfer into this bargaining unit who have passed the 90 day period and are receiving insurance benefits through the City will continue with uninterrupted coverage. An employee may elect to purchase those benefits at his/her own cost during the first 89 days of employment.

Where two employees are legally married and are eligible for health, dental or vision coverage, they will be enrolled under one contract as a subscriber and spouse and receive benefits under one contract.

Employees must report major life event changes to the Benefits team within 30 days of the event in order to add or delete persons from the benefit plans. Major life event changes impacting eligibility for benefits include marriage, birth of a child, divorce, legal adoption, legal guardianship, death, marriage of a child, or loss of health insurance under another plan. Notification beyond 30 days of the event will delay any additions of persons to benefits until the next open enrollment period. If failure to report the event within 30 days results in additional benefit costs to the City, the employee may be held responsible for such costs.

The Union agrees that health, dental and optical coverage may be placed out for competitive bidding, providing the level of benefits outlined in Appendices B, C, and D are maintained or improved. If a provider with reasonably similar acceptance levels to current providers can supply an equivalent or better benefit plan at the same cost, those benefits will be provided to the bargaining unit. There shall be at least 30 days notice provided to bargaining unit before any changeover in providers goes into effect.

a) Active Employee Health Care Coverage

The City will provide health care coverage under a preferred provider organization program (the "PPO Plan") administered by Blue Cross-Blue Shield of Michigan, or similar third party administrator. Employees may elect coverage under the PPO Plan as described below and in Appendix B, at the costs specified in Appendix B. Employees will be provided with specific information regarding the health care plan coverage at their new hire orientation and, in writing, each year during the open enrollment period.

The City will pay the cost of the Plan, subject to premium, deductible, co-insurance and co-pay costs described in Appendix B, which will be paid by the employee. The employee may choose coverage for employee, employee plus one, employee plus two, employee plus three, or employee plus four or more as defined in the health care plan (including children through the end of the month that they turn 26). An employee shall not be able to change such coverage election until the next open enrollment period, or unless the employee has a qualifying event as defined

by the plan document. Employees transferred into this bargaining unit who, during their course of employment with the City, have served the probationary period and are currently receiving health care benefits through the City will continue with uninterrupted benefit coverage.

During the term of this Agreement, Employees will be offered two options for health care contributions on a January 1 – December 31 plan year (both plans provide the same health care benefits):

- i. “Low Plan”: No monthly premium and costs specified in Appendix B.
- ii. “High Plan”: 10% monthly premium with costs specified in Appendix B.

Premium contributions shall be based upon the illustrative premium rates for all applicable plans, and will be subject to revision based upon the plan’s experience each year, for the duration of the Agreement. In months where there are three pay periods, premium contributions will be deducted from first two pay periods.

By October 15th of each contract year, the City will provide the Union with the illustrative rates for the health care plan for the following calendar year, as well as the applicable premiums for the following calendar year. If the City’s costs for the health care plan exceed the hard cap limits for costs that a public employer can pay as set by PA 152, the City will provide the Union with an option that will modify the health care plan in such a way as to bring the City’s plan costs under the hard cap limits. The Union will have 30 days to consider the City’s proposed modification and decide if the modification is acceptable. If the modification proposed by the City is not accepted by the Union, they may negotiate a different plan modification, but, if the plan modification exceeds the hard cap, the members will be required to pay the difference between the hard cap limit and the City’s actual costs as based on the illustrative rates of the group on a stand-alone basis. Any incremental payment will be allocated equally among the members and will be withdrawn from paychecks on a twice-monthly basis beginning January 1.

Any applicable mandates under the Patient Protection and Affordable Care Act (PPAC) that take effect during the duration of this contract will be implemented as required by law for active employees and those who retire on or after July 1, 2012. Employees who retired before July 1, 2012, are considered to be part of “retiree only” plans to which PPAC changes do not apply.

b) Dental Coverage

Employees, their spouses and eligible dependents shall be provided a “75% (Class I and II) 50% (Class III and IV) Delta Dental Plan” with benefits as specified in Appendix D, or its satisfactory equivalent. Dental benefits are available to dependents through the end of the calendar year in which they turn nineteen (19), or until age 25 if they are full time students. Proof of student status will be requested annually after the age of 19 to verify eligibility.

c) Optical Coverage

Employees, their spouses and eligible dependents shall be provided vision coverage through Eye-Med Advantage or its satisfactory equivalent. Vision benefits are available to dependents through the end of the calendar year in which they turn 19 or until age 25 if they are full time students. Proof of student status will be requested annually after the age of 19 to verify eligibility. Plan specifics are outlined in Appendix C.

d) Waiver

Under specified conditions set forth in Appendix E, employees shall be able to waive their City health, dental, and/or vision insurance coverage and receive up to \$2000 per year, payable on a per pay period basis. The City reserves the right to amend or terminate the program at any time during Open Enrollment to be effective as of the upcoming January 1.

e) Wellness Incentive Program

Employees enrolled in the City health coverage insurance plan will have the opportunity to participate in the Wellness Incentive Program. Employees can earn incentive dollars up to \$500 per plan year for completing the Wellness Incentive Program requirements by the specified dates, as determined on an annual basis by the Wellness Committee and the Benefits Supervisor. The incentive, if earned, will be deposited into the employee's Health Reimbursement Account to pay for out-of-pocket medical expenses. Employees who are hired in the 4th quarter of the calendar year are not eligible for the Wellness Incentive Program for that calendar year.

Section 2: Life Insurance Coverage

a) Basic

The Employer will pay the entire premium cost of \$40,000 of life insurance to all members of this bargaining unit, beginning on the 90th day after entry date into a position in this unit. Employees promoted or transferred into this bargaining unit who have passed the 90 day period and are receiving life insurance through the City will receive a \$40,000 basic life insurance amount with uninterrupted coverage.

b) Optional

In addition to the basic amount specified above, eligible employees will be permitted to take additional insurance equal to two or three times the amount of their annual salary, with the employee paying one half of the premium and the Employer paying the other half. Employees may elect this insurance coverage within 30 days of initial eligibility (90 days after hire). If not elected at that time, optional life insurance will be subject to evidence of insurability by the insurance provider. In addition, any coverage over \$250,000 (include basic life insurance) will be subject to evidence of insurability by the insurance provider. The insurance provider determines eligibility for this coverage.

The employee's cost of optional life insurance coverage shall be paid by payroll deduction over 26 pay periods.

c) Dependent

Employees above are entitled to subscribe to dependent life insurance for their family in the amounts specified below after 90 days in the position:

Where two retirees/employees are legally married and are eligible for health, dental or vision coverage, they will be enrolled under one contract as a subscriber and spouse and receive benefits under one contract.

Retirees and/or surviving spouses or dependents must report major life event changes to the Benefits team within 30 days of the event in order to add or delete persons from the benefit plans. Major life event changes impacting eligibility for benefits include marriage, birth of a child, divorce, legal adoption, legal guardianship, death, marriage of a child, or loss of health insurance under another plan. Notification beyond 30 days of the event will delay any additions of persons

to benefits until the next open enrollment period. If failure to report the even within 30 days results in additional benefit costs to the City, the retiree, surviving spouse or dependent may be held responsible for such costs. Surviving spouses who remarry after the death of the retiree may not add a new spouse or dependent child to City benefit plans.

b) Dental and Vision

Dental and vision insurance are not provided by the City to retirees. Dental and vision insurance will end as of the date of retirement, unless continued through COBRA at the retiree's full cost.

c) Retiree Health Coverage

Hire date before July 1, 2013: The City of Ann Arbor shall provide to all bargaining unit members hired before July 1, 2013, who retire, (including their spouse and dependents as long as the retiree remains the subscriber), the retiree health care insurance benefits and coverage level under the health insurance plan as received by the bargaining unit member as of the date of retirement, unless otherwise provided herein. This benefit provision may also apply to surviving spouses and eligible dependent children (as defined in the health care plan) of deceased retirees, and dependent on the pension option chosen by the employee at the time of retirement. It is the intent of the parties, as permitted by law, that these benefits will continue throughout the life of the retiree and his/her dependents during the time they are eligible, as defined in the health care plan and in accordance with the provisions of the Retiree Health Care Benefits Plan and Trust (Chapter 21 of the City's Code of Ordinances).

Other coverage: If an employee who is hired before July 1, 2013, retires and is able to obtain health care coverage from another source (e.g., other employment), the retiree may choose to drop the City's health care coverage. However, should the retiree lose his/her alternate coverage for any reason, including voluntary or involuntary separation of employment, upon production of proof-of-loss to the City, such retiree may elect to reenroll under the City's health coverage. Such coverage shall be restored and recommence immediately following the production of such proof-of-loss. The City shall not prohibit a retiree or surviving spouse or eligible dependent from re-entering the City's PPO Plan for any reason upon loss of coverage from another program, and the health coverage benefits provided upon return to City coverage will be the same as those the employee was entitled to upon retirement.

Hire date of July 1, 2013 or later: Employees who are hired on or after July 1, 2013 (or who transfer from another position in the City in which they were not eligible for retiree health care coverage) will not be eligible for employer paid health care insurance coverage at the time of retirement. For the term of this agreement, the City will annually contribute the actuarial equivalent of the collectively bargained amount (\$3,500) into a Retirement Health Reimbursement Account for each bargaining unit member hired on or after July 1, 2013. The account will

become available to employees upon their retirement, for reimbursement of eligible medical expenses, or to purchase, at the retiree's full cost, access to the City health care plan that may be offered at that time. Employees will receive an annual statement documenting their credit in the account or it will be available on line.

Deferred Vested: Employees who do not retire, but take a deferred vested retirement allowance are not eligible to receive health care coverage.

Medicare: Retirees are required to have both Medicare Part A and Part B at the time they reach Medicare eligibility. Failure to elect such coverage will result in no coverage by the City plan. The Medicare Part B premium remains the responsibility of the retiree. If the retiree has not earned enough credit to qualify for unpaid Medicare Part A, or does not otherwise qualify for such coverage through their spouse, the retiree will continue with regular PPO Plan coverage.

d) Retiree Life Insurance

Basic: The Employer will pay the entire cost of \$10,000 of life insurance for retiring employees (regular or early) on a City pension. Employees taking a deferred vested retirement allowance do not receive this benefit.

Optional: Retiring employees, who continue to have basic life insurance paid for by the City, may convert their optional life insurance into a personal (individual) policy at retirement. The premium for this coverage shall be paid entirely by the retiree directly to the life insurance provider.

Dependent: Retiring employees, who continue to have basic life insurance paid for by the City, may convert their dependent life insurance into a personal (individual) policy at retirement. The premium for this coverage shall be paid entirely by the retiree directly to the life insurance provider.

The employee shall not receive additional compensation for the time that the employee is examined if the examination occurs during the employee's regularly scheduled work period. If the employee is ordered to be when the employee is not scheduled to work, the employee will be compensated at the appropriate overtime rate.

The City reserves the right to suspend or discharge employees who are not physically, psychologically, and/or psychiatrically fit to perform their duties in a satisfactory manner. Such action shall only be taken if a physical, psychological, and/or psychiatric examination performed by a licensed medical professional of the City's choice at the City's expense reveals such unfitness. If the employee disagrees with the medical professional's findings, then the employee at his/her own expense may obtain an examination from a licensed medical professional of his/her choice. Should there be a conflict in the findings of the two (2) medical professionals, then a third medical professional mutually agreed upon by the City and the Association shall administer an additional physical, psychological, and/or psychiatric examination. The fee charged by the third medical professional shall be paid by the City, and his/her findings shall be binding on the employee, City and the Association.

In the event an employee is found unfit to perform his or her current duties, the employee shall be afforded the opportunity to apply for, and the City will attempt to place the employee in a position with another City department. If the employee is employed by another department, he/she shall retain all accrued benefits.

This language does not prohibit the above individuals from making official reports regarding information contained therein. Any member may inspect his/her own file by making an appointment with the Human Resources Department.

Section 5: Medical Records

To ensure confidentiality, medical records and reports regarding an employee are not part of the employee's personnel file and shall be handled in accordance with HIPAA and all other applicable laws. This does not include information regarding an employee's pre-employment physical or routine statements regarding an employee's fitness for work.

Section 6: Indemnification

Except as provided in this section, the City will indemnify and defend employees in connection with liability claims arising out of the performance of the employee's duties. Indemnification and defense will not be provided for claims arising out of the employee's own willful misconduct or gross negligence or where the employee fails to cooperate and assist in the employee's defense.

Section 7: Emergency Financial Manager

An emergency manager appointed to the City under the Local Financial Stability and Choice Act may reject, modify, or terminate this collective bargaining agreement, in all or in part, in accordance with and as provided in Local Financial Stability and Choice Act. This clause is inserted into this document pursuant to Public Act 9 of 2011 (MCL 423.215(7)-(9)). In addition, the City will, at its own expense, provide a flash drive to each member of the bargaining unit containing a copy of the collective bargaining agreement and City Human Resources Policies and Procedures. Each member is responsible for the cost of replacing a lost or damaged flash drive.

ARTICLE 25: SUMMARY OF PROVISIONS

Section 1: Provisions Contrary to Law

If during the life of this Agreement, any of the provisions contained herein are held to be invalid by operation of law or by any tribunal of competent jurisdiction or if compliance with or enforcement of any provisions should be restrained by such tribunal pending a final determination as to its validity, the remainder of this Agreement shall not be affected thereby. In the event any provisions herein contained are so rendered invalid, upon written request by either party hereto, the Employer and the Association shall enter into collective bargaining for the purposes of negotiating a mutually satisfactory replacement for such provisions.

Section 2: Waiver Clause

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Association, for the life of this Agreement, each voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement.

APPENDIX E – HEALTH INSURANCE COST CONTAINMENT WAIVER PROGRAM

This program is offered in accordance with City policy and is in effect as specified here until it is changed, amended or discontinued by the City.

1. Waiver and Amount of Payment: Employees may waive the City health care coverage provided under this agreement during Open Enrollment or within 30 days of a “life event” by notifying the Benefits team at the Human Resources Department, and signing the Health Care Coverage Waiver Form. In return, eligible employees will receive a \$2000 cash payment for every Plan Year in which they elect not to participate in the City's health care programs. (\$1800 for medical, \$150 for dental and \$50 for vision coverage). This payment is included in an employee's taxable gross income and subject to all appropriate state and federal taxes and pension contributions. Payments will be made in equal payments over 26 pay periods.

2. Eligibility: Employees are not eligible if enrolled as a dependent in the City's program through a current active employee or retiree. To take advantage of this cost containment program, employees must meet the following criteria:

- a. Employees whose spouses are City employees or retirees under the City health care coverage are not eligible for this program.
- b. Employees must complete and submit a Health Care Coverage Waiver Form to the Benefits team.

3. Re-Entry into the City's Health Insurance Programs: Employees who have elected not to participate in the City's health care coverage programs may re-enter the City's programs only during the annual Open Enrollment period or if the employee loses their coverage under the alternate arrangement. The employee must provide written proof of the loss within 30 days from the date of the loss. If an employee's spouse has experienced a complete non-voluntary termination of health benefits elsewhere, upon proof of loss, presented to the Benefits team, such coverage shall be restored immediately.

4. Termination of the Program: The City reserves the right to amend or terminate this program at any time.
