August 2019 in Review | Ann Arbor Parks and Recreation

ANN ARBOR PARKS & RECREATION

# GIVE 365

Volunteers from UM Medical program helped landscape at Argo and Gallup Parks to kick off orientation week!

## August Impact Report

August wrapped up to be a great month for our volunteers to get involved in our parks system! The rain mostly held off, and we worked with a variety of groups such as Concordia's Football Team, Kaiser Optical, DTE Energy, Spotlight Houses, and much more! We were also able to complete a few more river cleanup trips, keeping litter and debris out of the Huron River. Be sure to check out our upcoming events to get involved. As always, if you have a group we can look to find a day and time to work with you!

# Counselor-in-Training Highlights

Buhr Park CITs

Huron Hills CITs

Too old for camp, too young to work? Volunteering is a great way for tweens and teens to earn service hours and gain work like experience. The Counselor in Training program is a collaboration between GIVE365 and our day camp sites at Gallup, Buhr, Fuller and Huron Hills. CIT volunteers support the camp program and develop leadership skills. It is a great opportunity for those interested in volunteering at different facilities and gaining knowledge and work-like experience. ## 2019 Splash Day

Winners of the watermelon spitting contest

At this Splash Day, we celebrated all things earth and eco-friendly. Participants joined our volunteers for a recycling of favorite games, sustainable crafting, and plenty of fresh water to splash about in!
