**Registration Information**

To register online, visit [www.a2gov.org/parksregister](http://www.a2gov.org/parksregister). Walk-in: Payment and residency verification (if applicable) can be delivered directly to the facility where the class/program is offered.

**DEFINITION OF ANN ARBOR RESIDENCY**
A city resident is defined as a person residing in a dwelling for which taxes are paid to the City of Ann Arbor. Many area township residents live within the Ann Arbor Public Schools District boundaries, but may not pay taxes to the City of Ann Arbor, and therefore are not city of Ann Arbor residents. To take advantage of the discounted resident program fee, proof of residency must be provided in one form: 1. Michigan state-issued driver’s license; 2. Michigan state-issued identification card. 3. Ann Arbor residential lease agreement that is current for the duration of the program/activity.

**NOTIFICATION OF PROGRAM REGISTRATION**
If you do not get into the program you requested, you will be contacted to see about placement into another program OR your registration and payment will be returned to you indicating the program is full.

**DEFINITION OF FAMILY**
For the purposes of parks and recreation services programs, a family is defined as up to two adults and three children (17 years old and younger) residing in the same household. Activities that offer a family rate are based on these numbers. Additional family members must pay individual rates for the activity.

**REFUND POLICY**
Refunds for classes/programs (with the exception of day camps, season passes and rentals) will be made if requested by email or in person at the facility where the class/program is located. Refunds on credit cards or in the form of a personal check are subject to a $10 administrative fee (per activity), deducted from the total refund. Refunds in the form of a personal check will take four to six weeks for processing. The recreation supervisor reserves the right to grant exceptions to the stated policy in situations including, but not limited to, injury, illness and death of a family member.

**2022 CAMP REFUND POLICY**
Due to the current COVID-19 pandemic, parks and recreation will make an exception to its cancellations and refunds policies for the 2022 camp season. If our summer camps are not able to operate during the session in which your child is enrolled due to directives we receive from the Washtenaw County Health Department, the State of Michigan licensing authority and/or any other authorized governing body, we will refund the full amount of your session fee. For the safety of staff and other participants, if your child is unable to attend the scheduled session due to the COVID-19 illness, or a COVID-19 quarantine and/or waiting period, or develop COVID like symptoms, you may request a full refund. If you need to cancel your child’s registration for non-COVID related reasons, please note that the following refund policy applies: Refunds must be requested by email and are subject to a $10 service fee. If a refund request is made 30 days or more prior to the start of your day camp session 100 percent of your class fee will be refunded, 7-29 days prior 50 percent of your class fee will be refunded, 6 days prior 0 percent will be refunded.

**SCHOLARSHIP PROGRAM**
Non-fee and one-half-price program and season passes are available to income-eligible city of Ann Arbor residents. PLEASE NOTE: Scholarship recipients cannot register online at this time. Please register at the facility offering the program. Please call 734.794.6230 for more information.

**LESLIE SCIENCE & NATURE CENTER REGISTRATION**
As an independent non-profit, Leslie Science & Nature Center has a registration system separate from Ann Arbor Parks and Recreation. Programs are listed on page 23. Program preregistration is recommended. Visit [www.lesliesnc.org](http://www.lesliesnc.org) or call 734.997.1553.

Open since 1919, the Ann Arbor Farmers Market is celebrating its 103rd year of bringing local food and more to the community. The market offers a unique opportunity to shop in our open-air market pavilion for seasonal produce, farm products, and artisan goods year-round. Home to more than 120 local businesses and a gathering place to meet friends, local farmers, and producers, the market offers a vast array of products such as leafy greens, asparagus, herbs, microgreens, root vegetables, plant starts, flowers, house plants, strawberries, tree fruit, eggs, honey, maple syrup, bread, pastured meat and poultry, pastries, hot sauce, coffee, cider, mead, body care products, candles, jewelry and so much more. Visit and experience one of Ann Arbor’s most beloved community institutions!

**ANN ARBOR FARMERS MARKET HOURS**

*January through April*
Saturdays, 8 a.m.-3 p.m.

*May through December*
Wednesdays and Saturdays, 7 a.m.-3 p.m.

**MARKET TOKENS**
Forgot cash? The market offers $5 credit card tokens for purchase, which can be used like cash with most market vendors. The tokens never expire and can be used on any market day. All major credit cards, apple pay, google pay, and samsung pay are accepted. Minimum $20 purchase is required. Market tokens are a great option for regular customers as well as the perfect gift for your market-loving friends!

**FOOD ASSISTANCE PROGRAMS**
We welcome customers using SNAP dollars at the market. Swipe your EBT card at the market office window and receive $1 tokens to use on eligible food items, including produce, meat, cheese, bread, eggs, and food plants. When you swipe your card, your token purchase will also be matched up to $20 daily for free by the Double Up Food Bucks program. Double-up food bucks can be used to purchase Michigan-grown fruits, vegetables, and food plants. For more information on this fantastic Michigan-based incentive program, visit [www.doubleupfoodbucks.org](http://www.doubleupfoodbucks.org).

We also accept WIC Project Fresh and Senior Project Fresh coupons at the market in season, redeemable with individual farmers. Contact your local health department for more information on how to participate in these programs.
SPECIAL EVENTS

Flower Day 2022
We are excited to bring back Flower Day this year, in partnership with the Sunday Artisan Market, on Sunday May 29, 10 a.m.–4 p.m.

Food Truck Rallies
Food Truck Rallies return to the market July–October. Mark your calendars for the 3rd Wednesday of the month, 5–8 p.m., July 20, Aug. 17, Sept. 21 and Oct. 19.
The City of Ann Arbor owns and operates two municipal golf courses, Huron Hills Golf Course (HHGC) and Leslie Park Golf Course (LPGC). To make a tee time, register for a lesson or sign up for a special event, visit www.a2golf.org or www.a2gov.org/parksregister.

HURON HILLS GOLF COURSE
A true “hidden gem” in Ann Arbor, this beautiful 18-hole 5,071-yard golf course is located adjacent to Gallup Park. Established in 1922, this historic, award-winning course is noted for dramatic elevation changes and views of the Huron River.

PLEASE NOTE: Since the fall of 2020, the City of Ann Arbor and Washtenaw County have been collaborating on a wetland creation and creek restoration project at HHGC. The project construction is now complete, but there will be a grow in period that will impact play during the beginning of the 2022 golf season. We kindly ask for your patience during the season as we work to protect these areas during this vital time. We encourage golfers to sign up for email notifications and visit our website at www.a2golf.org for the latest project updates.

BENZ CREEK PROJECT
A City of Ann Arbor and Washtenaw County collaboration at HHGC is complete. This project consisted of wetland creation and creek restoration of the new Benz Creek. In the past there were several issues on the golf course, including stream channel erosion, periodic flooding, limited stormwater detention and limited water quality treatment.

The ecological goals of this project included adding stormwater detention, phosphorus reduction and Habitat improvement to improve the stormwater impact in the area. From a recreational standpoint, these improvements have improved the design, playability and will reduce the impact of rain events to the golf course.

Leslie Park Golf Course

Leslie Park Golf Course is where great golf, impeccable conditions, and outstanding customer service never go out of style! LPGC was created in 1967 under the meticulous design of E. Lawrence Packard. For the last 50+ years, it has been our creed to provide affordable golf together with some of the friendliest staff around. Located in the rolling hills of northeast Ann Arbor, LPGC offers an "up-north secluded feel," while being right in your own backyard. We offer various specials/discounts and events throughout the year, so golfers are encouraged to sign up for email notifications and visit our website at www.a2golf.org.

The **GIVE 365** program is looking for individuals and groups who want to volunteer within the Ann Arbor parks. Whether you are looking for independent opportunities or have a group looking to for a meaningful day of service, the parks are always in need of some extra love and stewardship. We coordinate and facilitate your volunteer experience so your time and effort can make a difference. Call us 734.794.6445; visit the website for updates and more information; or shoot us an email at volunteer@a2gov.org. If you would like to receive monthly updates with upcoming volunteer opportunities, join our database.

### UPCOMING VOLUNTEER OPPORTUNITIES

Lend a hand, give your time and join us to help beautify and clean up a park that needs a little love and attention. With over 160 parks in the park system, there are lots of ways to support park maintenance and beautification efforts. We bring the music and tools; you bring the energy and desire to make a difference, and together we make a beautiful “park”nership! All volunteers must register prior to the workday. These dates are open to the public but may fill so be sure to register by contacting volunteer@a2gov.org or 734.794.6445. For additional information and our most current listing, visit Upcoming Volunteer Opportunities.

**Wednesday, April 6, 3–5 p.m. Love a Park Day at Riverside Park.** Help us prepare the playground for by spreading fibar, as well as removing invasive shrubs from the periphery of the park. It will be a little mucky so bring boots that can handle mud! Tools will be provided. Visit our Upcoming Volunteer Opportunities for the complete list of Love a Park Day (LAPD) projects scheduled this summer. There will be 21 more LAPD projects. Dates TBD - check the website.

**Saturday, April 16, 10–11:30 a.m., Veterans Park Trash-a-Thon Event.** Form a team of two to four people, and the team that collects the most trash will win a prize! Veterans Memorial Park, 2150 Jackson Road.

**Friday, April 22, Earth Day Extravaganza.** We will be hosting spring cleaning at a few of our favorite parks. Litter pick up and a few other small jobs. Let know if you, or a group, would like to help us recover from winter!
- 9–11 a.m. Gallup Park
- 11:30 a.m–12:30 p.m. Baxter Park
- 1–3 p.m. West Park

**Saturday, April 23, 11 a.m.–1 p.m., Ann Arbor Senior Center Spruce-Up.** Get your hands dirty as we help the Ann Arbor Senior Center shake off winter and clean up the landscape for a beautiful spring. 1320 Baldwin Ave.

**Sunday, April 24, 9 a.m.–5 p.m., Ann Arbor Earth Day Festival.** Volunteers are needed to support Leslie Science & Nature Center and the Ann Arbor Earth Day Committee for the annual celebration of our planet! Volunteers will help with a variety of tasks, including bike corrals, set-up and take-down, the all-species parade, and as zero-waste ambassadors. 1831 Traver Road.

**Sunday, May 15, 9 a.m.–5 p.m, Huron River Day at Gallup Park.** Volunteers are needed to support this annual celebration of the Huron River! We’ll need help with setup, takedown and specific areas such as the bike corral, fishing station and zero-waste ambassadors. Gallup Park, 3000 Fuller Road.

### GROUP OPPORTUNITIES

We have many projects that are perfect for groups and organizations looking to do service. These work great for teambuilding or community engagement! Our program works in approximately 120 parks/facilities, and we can always find one that could benefit from your volunteer energy and is suitable for your group. Typical projects include
weeding playgrounds, mulching trees, cutting invasive overgrowth, picking up litter, painting and more. See examples of our Group Volunteer Projects.

If you are interested in learning about potential projects, simply send us an email with information about the group size, preferred date and any details regarding group abilities or interest. We will then take a look at what parks need attention and come up with some options. A typical work day would be two hours long but we can adjust as needed. To begin coordinating, email volunteer@a2gov.org or call 734.794.6445.

TRASH TRAILBLAZERS
Have some spare time or want volunteer hours? Help us keep the parks clean! Contact us at volunteer@a2gov.org to receive your own Trash Trailblazer kit that includes a volunteer t-shirt, park map, trash picker, bucket, trash bags and gloves. We can rent supplies for about two weeks at a time and can coordinate pick up and drop off.

YOUTH VOLUNTEER OPPORTUNITIES RIVER CLEAN UPS
Counselor In Training is back in 2022! Visit Youth Volunteer Opportunities for dates and details.

RIVER CLEAN UPS
We have volunteer opportunities to help remove litter from the Huron River while paddling downriver. Visit River Clean Up for group reservation details and limited individual opportunities. This is as much fun as it sounds!

ADOPT-A-PARK
Do you have a favorite park that you walk and play in? Adopt-a-Park is a program that works with long-term volunteers to help maintain and enhance our local parks. Adopters can be individuals who coordinate with a group of friends, coworkers, or a club to host structured workdays facilitated by staff. Adopters can also be individuals working on preapproved projects on their own time. Typical tasks include caring for gardens, weeding play areas, mulching, raking leaves and more. Commitments can span one season or several years.

Adopt-a-Park is also an avenue for a group of neighbors or a neighborhood association to work together to beautify their nearby park and help keep an eye on things. Through Adopt-a-Park, we work together to advocate for park improvements and work on special projects. Volunteering together is a great way for neighbors to get to know one another and create camaraderie!

Email adopt-a-park@a2gov.org or call 734.794.6445 to get involved! For more information visit www.a2gov.org/adopt-a-park.

TENNIS BALL RECYCLING
An estimated 100 million tennis balls are disposed of in landfills annually throughout the U.S. This is a significant amount of waste! We have partnered with Recycle Ann Arbor to participate in the nationwide movement to tackle this problem. Tennis ball recycling bins are at Buhr Park, Burns Park, West Park and Veterans Memorial Park. The tennis balls will be collected and sent to partners at Project Green Ball and reBounce, then recycled into various...
recreational surfaces. Up to 10,000 tennis balls can be recycled into tennis courts surfaces. Look for these bins after your tennis practice to dispose of your unwanted tennis balls or call 734.794.6445 to recycle large quantities. If there is a city park you think would be a good fit for a tennis ball recycling bin, email adopt-a-park@a2gov.org.

VISIT EVERY PARK
Are you interested in spending more time out in nature? The Visit Every Park Challenge is back again in 2022 and we invite you to track your park visits and keep up posted on your quest to get to as many as you can this year. The Ann Arbor Parks & Recreation Services Unit has 161 park properties. This includes traditional parks, natural areas and our recreation facilities. How many have you already been to, and how many are awaiting your visit? Check out the Visit Every Park page for program details and the checklist of the park properties to inspire and track your adventure.
Natural Area Preservation (NAP) works to protect and restore Ann Arbor’s natural areas and to foster an environmental ethic within the community. Volunteers work within broad areas of ecological concern, maintaining biodiversity and restoring damaged ecosystems. Through a combination of hands-on involvement and scientific understanding, we can forge a connection between our community and the needs of our ecosystems. Sign up for our newsletter at tinyurl.com/NAPNewsSubscribe. Follow us online at www.twitter.com/a2NAP and www.facebook.com/ann.arbor.NAP. Email us at NAP@a2gov.org.

VOLUNTEER OPPORTUNITIES AND MORE
• Lend a hand at stewardship workdays where we remove invasive plants, collect and disperse native seeds and maintain trails.
• Join our team of park stewards and focus on your favorite natural area.
• Check out our website for information on how to remove invasive plants from your own yard!

NAP WORK DAYS
We work outside in almost any weather and safety is our priority, so we ask that you follow these guidelines:

• Wear long pants thick enough to protect your legs from thorns, brush, poison ivy, ticks and mosquitoes.
• Bring leather work gloves if you have them (we do have extra).
• Wear closed-toed shoes or boots that can stand up to mud or snow.
• Wear clothes you don’t mind getting dirty.
• Please stay home if you are feeling ill.
• Bring a full water bottle.
• Bring sunscreen and bug spray.

All minors should be accompanied by a guardian. Tools and know-how provided. Registration through VolunteerHub is strongly encouraged so we can accommodate everyone. Sign our one-time work waiver at http://tinyurl.com/NAPVolunteerHub.

STEWARDSHIP WORKDAYS
National Trails Day, Buttonbush Nature Area, Saturday, June 4, 9 a.m.–noon. Buttonbush is a relatively new park, so trails are still being mapped and established. Join us to clear and maintain trails so nature lovers can continue to explore this beautiful nature area. Meet at the park entrance at the end of Hickory Point Drive (map). Preregistration is required: http://tinyurl.com/Buttonbush060422.

Narrow Gauge Way Nature Area, Saturday, June 11, 9 a.m.–noon. Enjoy views of this natural wonder as we remove invasive shrubs from the park. Meet at the corner of Narrow Gauge Way and Watershed Drive (map). Preregistration is required: http://tinyurl.com/Narrow061122.

Huron Hills Golf Course Woods, Saturday, June 11, 1–4 p.m. Join us to pull invasive weeds to protect and restore this lovely location. Meet us on Hunting Valley off Provincial Drive (map). Preregistration is required: http://tinyurl.com/Huron061122.
Leslie Science and Nature Center (LSNC) is proud to serve our community for over 30 years. We are situated on over 50 acres of forest, pond, and fields, all available to explore every day of the week. Our site is home to many non-releasable birds of prey as well as a variety of mammals, reptiles and amphibians, allowing all visitors to experience close encounters with live educational animals. See our website, www.lesliesnc.org, for information about how to meet our resident wildlife, volunteer, and participate in ongoing public programs including programming with our sister site, the Ann Arbor Hands-on Museum. Be sure to always check our website for updated event descriptions, registration information and deadlines, www.lesliesnc.org as new opportunities are added throughout the year.

MEMBERSHIP
Become a LSNC member. Benefits include discounts on LSNC summer and school break camps, rentals, birthday parties and select public programs, and at local businesses, as well as invitations to members-only events. Members also get exclusive early registration access for Unity in Learning Summer Camps (in partnership with Ann Arbor Hands-on Museum and Yankee Air Museum).

Want more from your membership? Explore the Family Plus Premium membership level that includes benefits for both LSNC and Ann Arbor Hands-on Museum and includes reciprocal memberships with hundreds of children’s museums, science centers and nature centers across the country. Join online at www.lesliesnc.org/support-us/membership.

ADOPT AN ANIMAL
Throughout the pandemic, our staff has come in daily to care for and work with our wildlife ambassadors. These raptors, amphibians, reptiles and mammals are incredible ambassadors for their species and are integral to many of our programs. If you’re interested in helping us as we train, feed and care for our animals, consider adopting one today. Adoptions make great holiday and birthday gifts as well. To learn more, visit www.lesliesnc.org/adopt.

Please look to our website, www.lesliesnc.org, or join our e-newsletter for the most up-to-date information on all programs and events.

BIRTHDAY PARTIES
We know how important birthdays are, and we love helping make yours special! We are offering outdoor in person birthday experiences for you this year, or you can also consider our virtual distance learning opportunities or consider booking one of our wildlife to zoom into your party virtually. Availability and options vary by season, see our website for up-to-date themes and opportunities for both children and adults.

SCHOOL PROGRAMS
School programs are designed with your grade level and curriculum requirements in mind. Our programs were recently updated to ensure they continue to complement current standards. See Next Generation Science Standards, Disciplinary Core Ideas and Cross Cutting Concepts alignments for grades preK-12 grade outreach online at www.lesliesnc.org/education. Each program focuses on specific vocabulary, content and themes that can easily be integrated into your curriculum for the year. Many programs include encounters with our wildlife and utilize engaging, hands-on activities. We have over a decade of experience offering virtual programs for the entire STEM spectrum, complementing curriculum and providing engaging science experiences for your students. Programs can take place at your site, our site or online. Please visit www.lesliesnc.org or call 734.997.1553 to learn more.

PUBLIC PROGRAMS
Our program calendar includes community favorites and new opportunities. Events are designed for families and for adults alike! We are working to provide opportunities for everyone to get outside and explore, year-round. This will include free opportunities to visit with our wildlife, or join around a campfire, and small fee-based programs including guided hikes, themed events and family workshops. Please see our website for updated event descriptions, registration information and deadlines, www.lesliesnc.org.
SPECIAL EVENTS

**Mayfly at Play, Friday, June 3, 6-8:30 p.m.** Tickets are $150/person or $1,000 for a group of 8, with proceeds to support the LSNC Nature Playscape. You and your friends are cordially invited to join us for a PLAYFUL evening under the stars at LSNC to benefit the LSNC Nature Playscape. At this adults-only event, guests will stroll through the site; enjoy heavy hors d’oeuvres, dessert and adult beverages; listen to inspirational stories; and create projects to be incorporated into activity areas. Most importantly, this event will help us raise money towards the completion of our amazing community space!

**Mayfly: Day of Play, Saturday, June 4, 4-7 p.m.** For all ages! $20/group of five. Explore the different areas of our new developing Nature Playscape, create nature-inspired projects and share moments of discovery, all while raising funds for the LSNC Nature Playscape. There will be a special musical performance from GEMINI beginning at 5 p.m. in the Leslie House back yard, so bring a picnic (or purchase pizza), blanket and your dancing shoes!

FREE COMMUNITY PROGRAMS

We are always looking for ways for everyone to get outside to explore and feel inspired. Check our website for any upcoming free programs, including: Fireside fun, Critter House open hours and raptor feeding. Join us as we build community, learn something new and enjoy our natural world together. In addition, we have offered free weekly virtual programs since March 2019. With themes like The Art of Fireworks, Animal Anatomy, Kitchen Science and more, there was something for everyone.

Stay up-to-date on additional free virtual programs by joining our e-newsletter, or looking at our STEM at Home webpage, [www.lesliesnc.org/stem-home](http://www.lesliesnc.org/stem-home). Many of our offerings are listed there for you to enjoy anytime!
The City of Ann Arbor is about to begin an update to the PROS Plan. In the coming weeks we'll share (on social media, on the website and through the email subscription service GovDelivery) a link to a survey. Your feedback is important to us as we embark on this process to improve the future of the Ann Arbor park system.

The PROS Plan is the city’s vision for the future of Ann Arbor Parks and Recreation. The plan develops a series of goals and objectives that drive priorities for the next five years and beyond. It also identifies park and recreation needs and proposes major capital improvements.

Community input is exceptionally important to the plan’s development. The process of updating the plan helps to facilitate community discussion and evaluation of topics of importance and current issues. Your voice and input/ideas are key.

The PROS plan also plays an important role in qualifying for state and federal grant funding. The Michigan Department of Natural Resources (MDNR) requires that all municipalities applying for recreation grants have a current plan on file with the MDNR and to update that plan every five years.

The 2016-2020 PROS Plan was adopted by Ann Arbor City Council on Jan. 17, 2017. To view and read the plan, please click here.

If you have any questions or comments about the PROS plan update, please contact Hillary Hanzel, Park Planner and Landscape Architect, hhanzel@a2gov.org.
PARK AND PUBLIC SPACE MAINTENANCE
The park system is highly valued by the community and enhances urban living within Ann Arbor. This unit is responsible for maintenance of city parks, including mowing, playground repairs, all athletic fields, 52 miles of multi-use path maintenance including snow and ice control, shelters, building maintenance of all recreation facilities and Fairview Cemetery. Noticeable enhancements are taking place as a result of the Park Maintenance and Capital Improvements Millage that was renewed in November 2018.

Maintenance and improvements scheduled through 2021 will include:
• Refurbishing of all sand and fibar material in and around playground structures, on a regularly scheduled basis.
• Planting trees within park space.
• Routine pruning of park trees in select parks.
• Recreation facility equipment repair and replacement schedules.
• Renovation of select park shelters.
• Corrective action within 24 hours of being notified of graffiti in parks.
• Turf restoration for heavily used areas.
• Improving park accessibility

IF YOU SEE A PROBLEM, REPORT IT!
The City of Ann Arbor’s A2 Fix It system makes it quick and simple to notify City Hall of problems that require attention. This website, iPhone and Android app provides users the ability to track service requests — their own as well as others — and be notified when issues are resolved. Click on “Report a Problem” at www.a2gov.org or visit your app store and search “A2 Fix It.” In addition to issues at city parks, users can report missed cart pickups, street tree problems, sidewalk hazards, clogged storm drains, graffiti, missing traffic signs and more.
The Bryant and Northside community centers have enhanced the quality of life in Ann Arbor for more than 20 years. Programs are funded by the City of Ann Arbor, Food Gatherers, United Way of Washtenaw County and Ann Arbor Area Community Foundation among other sources.

The community centers are operated by Community Action Network, which partners with children, youth and families from under-resourced Washtenaw County neighborhoods to create better futures for themselves and improve the communities in which they live. Both facilities are barrier free.

CAN operates the food distribution at Bryant and can be reached at 734.994.2985; and Catholic Social Services operates the distribution at Northside and can be reached at 734.662.4462. For more information, visit www.canwashtenaw.org.

Ann Arbor Parks and Recreation Services provides three off-leash dog play areas in city parks, open during the parks’ regular hours, 6 a.m.-10 p.m. An annual permit is required for access to the designated off-leash areas. Dog park permits/tags and licenses are on sale in the Ann Arbor City Clerk’s Office 8 a.m.-5 p.m. weekdays. Visit www.a2gov.org/dogparks for details.
The Cobblestone Farm house, completed in 1845, was originally a two-family home. Dr. Benajah Ticknor, a U.S. Naval surgeon, and Heman Ticknor, Whig politician and farmer, shared occupancy of this classic revival structure with their families. Being restored and interpreted to reflect its mid-19th century appearance, the site provides a view of past rural life in Washtenaw County.

Today, the site is administered through Ann Arbor Parks and Recreation Services with support from the Cobblestone Farm Association. The Cobblestone Farm Association is a 501 (c) (3), nonprofit volunteer organization that interprets the farmhouse and its material collections for the public. The association maintains and restores the historic interiors, mounts exhibits and provides educational programming.

For more information, contact the Cobblestone Farm Association at 734.794.7120 or email cobblestonefarmassociation@gmail.com.

This charming 1853 Greek Revival house was home to the German-American Kempf family from 1888 to 1953. It is furnished with Victorian antiques and many of the Kemptfs’ treasures, including Ann Arbor's first concert grand piano, an 1877 Steinway.

When the coronavirus is no longer a threat, the museum will return to presenting exhibits of period domestic life, a traditional German family Christmas, Valentine teas, and a Wednesday noon lecture series in both spring and fall. There will also be guided tours on selected Sundays 1-4 p.m. or by appointment. (Most events are free with donations appreciated.)

Email kempfhousemuseum@gmail.com or visit kempfhousemuseum.org. For event updates, you can also follow “Kempf House Museum” on Facebook.
Everyone is welcome to use Leslie Park and Huron Hills golf courses and programs. Both clubhouses meet ADA-accessibility guidelines. For special accommodations, call 734.794.6245 or 734.794.6246.

The Rotary Club of Ann Arbor Centennial Playground is a newer addition to the parks system. Located within Gallup Park, it offers children with disabilities opportunities to gain self-confidence and greater independence. Children of all ages and abilities can develop and play together. Additionally, caregivers with disabilities have the chance for their children to play, where they, too, can engage, supervise and interact together with them as never before.

The Argo and Gallup canoe liveries have an ADA dock built specifically for paddlers to board and launch kayaks and canoes in the Huron River. Utilizing a roller and guide rail system, the launch allows users of all ability levels to glide on and off while providing optimum access and stability. With the addition of the launch accessible-transfer system, the dock provides individuals with disabilities universal accessibility offering choices of variable heights for transfer from different wheelchairs and to accommodate different watercraft heights. The Gallup Park Canoe Livery offers Adapted Kayaking programs, call 734.794.6240 to register.

Ann Arbor Senior Center provides closed-caption television and multiple services that help promote aging in place, senior health, wellness and safety-related services. Please call 734.794.6250.

Buhr, Fuller, Mack and Veterans Memorial park swimming pools offer either ramps or swimming pool chair lifts to provide assistance.

**AMERICANS WITH DISABILITIES ACT**
Access to our programs and facilities are intended to be nondiscriminatory. For information on special accommodations, call 734.794.6230. If possible, we request a minimum of a two-week notice to arrange special accommodations.
The historic barn at Cobblestone Farm offers a unique setting for weddings, retreats, business conferences, bat and bar mitzvahs and dances. The three-story oak timber frame barn accommodates a maximum of 190 guests. The barn has a main floor and loft, warming kitchen, air conditioning and heat, restrooms, event changing rooms and is fully accessible. Enjoy the ambiance of the past with the convenience of the present.

Cobblestone Farm is accepting date requests for events in 2022 and 2023, up to 18 months in advance of the rental date. Please contact Cobblestone Farm Staff at 734.794.6230 x 0 or at cfinfo@a2gov.org for rental information and tour availability.
In November 2003, Ann Arbor residents voted overwhelmingly in favor of the Open Space and Parkland Preservation Millage, commonly referred to as the Greenbelt Millage. The Greenbelt Millage is a 30-year, 0.5 mil tax levy. A portion of the funding is used to purchase new city parkland, and a portion is used to protect farmland and open space outside of the city, within the Greenbelt District.

Since the millage passed in 2003, an additional 174 acres have been added to the city's park system. Collectively, these parcels have helped to provide linkages between existing parks, added to existing parks and protected some of the remaining critical urban natural areas.

To date, the Greenbelt Program has protected over 6,724 acres of farmland and open space surrounding the city of Ann Arbor, and has leveraged the city's funds with an additional $31.9 million from grants, landowner donations and other locally funded programs. The Greenbelt has protected over 28 miles of river, stream and waterway frontage, with 60 percent of those waterways located in the Huron River Watershed and contributing to the filtration and protection of the City's drinking water. As well, the farmland protected by the Greenbelt can produce enough calories to feed over 55,000 people annually.

Local partners have included Washtenaw County Parks and Recreation Commission, Ann Arbor Township, Lodi Township, Scio Township, Webster Township, Southeast Michigan Land Conservancy and Legacy Land Conservancy.

To see some of the properties protected by the Greenbelt, take a virtual tour on our website.

For more information, contact Deputy Manager, Remy Long at 734.794.6210, email rlong@a2gov.org, or visit www.a2gov.org/greenbelt.

The Greenbelt's preserved lands have the potential to produce enough calories to feed nearly 50,000 people per year.

The Greenbelt has preserved over 28 miles of river, stream and water frontage and 79% of those waterways are within the Huron River Watershed, contributing to the filtration and protection of the City of Ann Arbor’s drinking water.

The Greenbelt has helped establish 11 new public nature preserves, totaling 722 acres of public land to explore.
2020 Parks Millage Project + Park Planning
Hillary Hanzel, Landscape Architect IV | hhanzel@a2gov.org | Adam Fercho, Landscape Architect | afercho@a2gov.org

Voters approved a six-year park millage renewal in November 2018 that funds maintenance and capital improvements to Ann Arbor’s park system. Natural Area Preservation (NAP), Adopt-a-Park and GIVE 365 volunteer programs are also funded from the millage. The Park Maintenance and Capital Improvements Millage, along with private donations/grants, brings projects like these to fruition:

RECENTLY COMPLETED (See far right images)
• The Border-to-Border trail in Gallup Park, between Mitchell Field and the Gallup vehicle bridge was reconstructed in concrete and widened to meet current trail standards.
• The Gallup Park trail pathway between the livery and boat launch was repaved in asphalt and widened to meet current trail standards.
• The Burns Park tennis courts had cracks repaired and the surface recoated. The courts were also reconfigured to add two new Pickleball courts.
• The Burns Park basketball court had cracks repaired and the surface recoated.
• The basketball courts at South East Area Park and Leslie Park were reconstructed.
• Playground improvements were made at Bromley Park and West Park, including adding natural play features.

UPCOMING PROJECTS
• Argo Livery universal access improvements, including a restroom renovation and expansion, ADA parking lot, accessible watercraft launch and fishing pier.
• Repairs and renovations to the Bandemer Park vehicle and pedestrian bridges.
• Park improvements at Harold J. Lockett Park.
• Playground improvements at Clinton and Allmendinger Parks.

For a complete list of projects, visit at www.a2gov.org/parksprojects.

MASTERS SWIM
The City of Ann Arbor Masters Swim Team is a year-round program for adult swimmers of all abilities. Our team has been practicing at Mack Pool from September–May and at Fuller Park Pool, during the summer time for over 30 years. Our master’s program offers adult swimmers at all levels an
opportunity to attend coached workouts, stroke feedback and help in preparing to compete if that is your goal. We offer 9 practices times throughout the week. Click here to get additional information about our Masters Swim Program.

Summer Day Camps

**Summer camp registration opens Monday, April 4 at 8 a.m.**
City of Ann Arbor Parks & Recreation Services is excited to begin registration for the summer day camp programs in the parks. Click here to register.

2022 Camp Refund Policy – Due to the current COVID-19 pandemic, parks and recreation will make an exception to its cancellations and refunds policies for the 2022 camp season. If our summer camps are not able to operate during the session in which your child is enrolled due to directives we receive from the Washtenaw County Health Department, the State of Michigan licensing authority and/or any other authorized governing body, we will refund the full amount of your session fee. For the safety of staff and other participants, if your child is unable to attend the scheduled session due to the COVID-19 illness, or a COVID-19 quarantine and/or waiting period, or develop COVID like symptoms, you may request a full refund. If you need to cancel your child's registration for non-COVID related reasons, please note that the following refund policy applies: Refunds must be requested by email and are subject to a $10 service fee. If a refund request is made 30 days or more prior to the start of your day camp session 100 percent of your class fee will be refunded, 7-29 days prior 50 percent of your class fee will be refunded, 6 days prior 0 percent will be refunded.

Adapted Kayaking – Gallup Livery
The Adaptive Kayaking program allows participants with a disability to learn how to kayak and to spend time kayaking on the beautiful Huron River, accompanied by trained support staff and led by a trained, certified instructor. Participants are fitted to a kayak, including time for any adaptations needed, given kayaking instruction, and along with trained guides at a 2 to 1 ratio, try out their new skills on the river. If a participant is unable to kayak independently, they can still participate in one of our tandem kayaks. Each session is made up of two private classes, family and friends are welcome to participate. Additional 3rd session and river trip optional. Participants can schedule lessons at either our Gallup or Argo locations. Please contact us if you would like to schedule private lessons. Contact: Gallup Canoe Livery, 734.794.6240, Cheryl Saam, csaam@a2gov.org. Fee vary depending on number of classes and hours spent on the river. $25/instructor/hour.

Private Kayaking Lessons
Kayaking has become an increasingly popular sport, and a kayak class will get you off to a great start on your river adventures. Learn basic strokes, techniques and safety before heading out to explore Gallup Pond to refine what you’ve learned. We provide the instruction, kayaks, paddles and lifejackets. Please call to schedule your private lesson. Contact: Gallup Canoe Livery, 734.794.6240, Cheryl Saam, csaam@a2gov.org. Fees vary depending on number of classes and hours spent on the river. $25/instructor/hour.

River Camps
The river camps at Argo and Gallup Canoe Liveries are licensed by the State of Michigan and we have experienced instructors that understand the safety of on-water activities while balancing the importance of outdoor fun and adventure. Our popular river camps teach kids how to explore and love their natural world all from the seat of a boat! As the river theme and activities repeat throughout the summer, please register your child for one week only.

Gallup River Camp: Completed 2nd-5th Grades
Explore the Huron River with boats and fishing for a week filled with learning, adventure, and fun! Experience perfect summer days as we kayak, canoe, paddleboat, raft, tube, stand up paddle board, fish, and play in our wonderful river parks. Gallup campers paddle boats up and down the river learning new skills and enjoying the great outdoors. The Gallup River Camp is based out of the Gallup Park Meeting Room adjacent to the Gallup Livery.

Camp Fees: resident, $292; nonresident, $360
Camp Hours: Monday–Friday, 8:30 a.m.–5:30 p.m.

Argo River Camp: Completed 6th–8th Grades
Friends and fun on the coolest river around! Join us as we journey out each day paddling our boats down different sections of the beautiful Huron River. Our many explorations include kayaking, canoeing, stand up paddle boarding, tubing, rafting, fishing, geocaching and disc golfing. Argo River Camp is based out of a cabin and pavilion at the Argo Livery.

Camp Fees: resident $244; nonresident $300
Camp Hours: Monday–Friday, 8:30 a.m.–4 p.m.
