

Ann Arbor Farmers Market
2019 Community Organization Application – Kids Activity

Present A Kids Activity at the Farmers Market – Ann Arbor Farmers Market is looking forward to adding a Kids Activity to the “First Wednesday” Markets during the months of May-October and for special events. The Kids Activity, held in the new Plaza Area close to Fifth Ave from 10am-1pm, will provide a fun and safe space for children and their families to discover and explore a wide variety of hands-on activities throughout the season.

We’re seeking community partners to provide crafts or demonstrations relating to local food and health. This is a wonderful opportunity to increase your organization’s visibility to thousands of families in the community. Your date/event will be advertised on the Ann Arbor Farmers Market website, Market App and social media.

1. Please note that the approval of community groups is given at the discretion of the Market Manager. The Market Manager has the right to refuse any application.
2. Community groups must arrive early enough to set up so the Kids Activity may begin promptly at 10am.
3. Each community group is responsible for staffing their own activity and providing all necessary supplies for 150-300 children. The Market may provide (1) 10x10 canopy tent if needed.
4. No selling or sampling of any food or items by community groups will be allowed.
5. Community group representatives are responsible for finding parking outside of the market.
