### **\*Expiration of Permit:**

A permit remains valid as long as work is progressing and inspections are requested and conducted.

1. A permit shall become invalid if the authorized work is not commenced within 180 days after issuance of the permit or if the authorized work is suspended or abandoned for a period of 180 days after the time of commencing the work.
2. Any and all permits will be closed when no inspections are requested and conducted within 180 days of the date of issuance or the date of a previous inspection.
3. **Closed permits cannot be refunded. The charge to re-open a closed permit is \$35.00.**
