COMMISSION BACKGROUND

The Renters Commission was established in September, 2021.

At the time of establishment, City Council identified housing stability, affordability, and accessibility for all members of the Ann Arbor community as a key priority. City Council wished to create a commission where stakeholders can discuss issues relating to renters and advise City Council regarding policies, practices, trends, and legislation. The Renters Commission’s first meeting was held on July 7, 2022.
