RIGHT-OF-WAY VEGETATION

1. Visit Station A at the open house, or a2gov.org/Geddes, for more information on species and to view photos of each.
2. Check the box next to the plant name to indicate your preferences for new vegetation in the right-of-way in front of your property. You may choose as many species as you like.
3. Final species selection may be subject to change. However, resident preferences will be prioritized where feasible.
