

# Petition for Paving a Gravel Road

Street & limits (from start of segment to end): \_\_\_\_\_

Applicant contact name: \_\_\_\_\_ Phone: \_\_\_\_\_ Email: \_\_\_\_\_

Applicant contact address: \_\_\_\_\_

*By signing this petition, I am showing my support for adding a project to the City's Capital Improvements Plan to pave the gravel road at the above referenced location. I understand that, if this project proceeds to construction, the cost of the project will be specially assessed to the adjacent property owners.*

Signature	Print Name	Address	Date	Email Address (optional)

Please note:

1. Petitioners are encouraged to contact [engineering@a2gov.org](mailto:engineering@a2gov.org) to discuss the affected project area and process.
2. Only one signature per address will be considered valid.
3. By legibly providing your email address you will be added to a distribution list for this project. You may request removal at any time.

Please attach additional signature pages as needed. Petition documentation should be submitted to [engineering@a2gov.org](mailto:engineering@a2gov.org) or mailed to Engineering Unit, 301 E. Huron Street, P.O. Box 8647, Ann Arbor, MI 48107-8647
