BID FORM

Section 1 – Schedule of Prices

1. Quantities are based on estimated annual residential water meter needs. Actual quantities ordered may differ from those shown on the bid form.
2. All Bidders shall provide a Unit Price and Total Price for either the Base Bid or Alternate Bid Items.
3. If the specified register can be used in both inside and pit applications, complete the bid form with the same unit price for both line items.
4. The City at their sole discretion may purchase a combination of products from the Base Bid items and the Alternate Bid Items.
