II. QUESTIONS AND ANSWERS

The following Questions have been received by the City. Responses are being provided in accordance with the terms of the ITB. Respondents are directed to take note in its review of the documents of the following questions and City responses as they affect work or details in other areas not specifically referenced here.

**Question 1:** Please post the pre-bid sign in sheet  
**Answer 1:** Posted as part of this addendum.

**Question 2:** When can the project start?  
**Answer 2:** The project is projected to be approved by City Council mid-January, and the project may proceed after contracts are executed, so anticipated start could be February.

**Question 3:** For the abatement of lead and asbestos, will third party monitoring be covered by the City or the Contractor?  
**Answer 3:** Third party monitoring will be covered by the City.

**Question 4:** What happens if plaster is cracked when the roof work is being completed?  
**Answer 4:** An allowance of $1750.00 to repair/replace any damage caused to the exterior plaster ceiling by roofing replacement is to be provided. Contractor, Owner and Architect to field verify existing plaster ceiling condition prior to roofing replacement.

**Question 5:** What will happen with the residents in the caretaker's house during roof and window replacement?  
**Answer 5:** Staff will not be occupying the structure during construction.

Respondents are responsible for any conclusions that they may draw from the information contained in the Addendum.
