D. PROPOSAL REQUIREMENTS

To be considered, each Respondent must submit a response to this RFP using the format provided in Section III (Information Required and Evaluation criteria). No other distribution of Proposals is to be made by the Respondent. The Proposal must be signed in ink by an official authorized to bind the Respondent to its provisions. Each Proposal must remain valid for at least ninety (90) days from the due date of this RFP.

Proposals should be prepared simply and economically providing a straightforward and concise description of the Respondent’s ability to meet the requirements of the RFP. Proposals shall be written in ink or typewritten. No erasures are permitted. Mistakes may be crossed out and corrected and must be initialed in ink by the person signing the Proposal.

Each person signing the Proposal certifies that he/she is the person in the Respondent’s firm/organization responsible for the decision as to the fees being offered in the Proposal and has not and will not participated in any action contrary to the terms of this provision.

Respondents must submit three (3) copies of the sealed Proposal including the fee proposal in the manner specified in subsection G below.

E. SELECTION CRITERIA

Responses to this RFP will be evaluated using a point system, as shown in Section III. The evaluation will be completed by a selection committee of staff from the City of Ann Arbor.

At the initial evaluation, the fee proposals will not be reviewed. After initial evaluation, the City will determine top applicants, and open only those fee proposals.

The City does not anticipate holding interviews for this project. However, the City has the right to request interviews with selected Respondents when necessary. If the City elects to interview Respondents, during the interviews, the selected firms will be given the opportunity to discuss their Proposal, qualifications, past experience, and their fee proposal in more detail. The City further reserves the right to interview the key personnel assigned by the selected consultant to this project. Respondents are expected to be available for interviews if requested.

All Proposals submitted may be subject to clarifications and further negotiation. All agreements resulting from negotiations that differ from what is represented within the RFP or in the Respondent’s response shall be documented and included as part of the final contract.
F. ADDENDUM

All interpretation or correction, as well as any additional RFP provisions that the City may decide to include, will be made only as an official addendum that will be posted to a2gov.org and MITN.info and it shall be the Respondent’s responsibility to ensure they have received all addenda before submitting a Proposal. Any addendum issued by the City shall become part of the RFP and will be incorporated in the Proposal.

Each Respondent must in its Proposal, to avoid any miscommunications, acknowledge all addenda which it has received, but the failure of a Respondent to receive, or acknowledge receipt of any addenda shall not relieve the Respondent of the responsibility for complying with the terms thereof.

The City will not be bound by oral responses to inquiries or written responses other than written addenda.

Not every relationship or situation disclosed on the Disclosure Form may be a disqualifying conflict. Depending on applicable law and regulations, some contracts may awarded on the recommendation of the City Administrator after full disclosure, where such action is allowed by law, if demonstrated competitive pricing exists and/or it is determined the award is in the best interest of the City. A copy of the Vendor Conflict of Interest Disclosure Form is found in Section IV, Attachment D.

2. The City reserves the right to waive, or not waive, informalities or irregularities in bids or bidding procedures, and to accept or further negotiate cost, terms, or conditions of any bid determined by the City to be in the best interests of the City even though not the lowest bid.

3. The City reserves the right to request additional information from any or all Respondent’s.

4. The City reserves the right not to consider any Proposal which it determines to be unresponsive and deficient in any of the information requested within RFP.

5. The City reserves the right to determine whether the scope of the project will be entirely as described in the RFP, a portion of the scope, or a revised scope to be implemented.

6. The City reserves the right to select one or more Respondent’s to perform services.

7. The City reserves the right to retain all Proposals submitted and to use any ideas in a Proposal regardless of whether that Proposal is selected. Submission of a
Proposal indicates acceptance by the firm of the conditions contained in this Request for Proposals, unless clearly and specifically noted in the Proposal submitted.

SECTION II
BACKGROUND AND SCOPE OF WORK

A. BACKGROUND

The City of Ann Arbor Wastewater Treatment Plant (WWTP) is located in Ann Arbor Township at 49 Old Dixboro Rd., Ann Arbor, MI, 48105. The WWTP has one access road with a small bridge that traverses the Huron River. The access road is the only access into and out of the WWTP.

The bridge was constructed in 1934. In 2000, the bridge deck was overlaid, the bridge railings and guardrails were replaced, the expansion joints were replaced, and the substructure was patched. Record drawings of the bridge repair work conducted in 2000 are available in digital format.

The bridge was inspected on October 14, 2012 by DLZ Michigan, Inc (DLZ). The report, titled "2012 Bridge Inspection Program, Treatment Plant Drive Over Huron River, City of Ann Arbor, January 24, 2013", provides detailed information and recommendations and is attached.

The 2012 DLZ inspection found the structure to be in fair condition. In order to extend the lifespan of the bridge, the City intends to implement several short term improvements to the bridge in early spring of 2014. These improvements are identified as Option 1 in the attached DLZ report and are the basis for this RFP. Long term improvements, identified as Option 2 in the DLZ report, will not be implemented until after completion of the major facilities renovations currently in progress at the WWTP and are not part of this RFP.

Improvements to the bridge need to be planned with the consideration that the WWTP operates continuously without shutdown and that it will be necessary to maintain road access at all times for emergency and operational needs. Additionally, large construction projects at the WWTP are ongoing through the year 2017 and heavy and large trucks will need access during normal business hours throughout the life of the bridge repair project. The bridge repairs can be coordinated with the WWTP to be performed on the weekends or evenings.
B. SCOPE OF WORK

A variety of engineering services are required to enable the successful design and construction of the City of Ann Arbor Wastewater Treatment Plant 2014 Access Bridge Repair Project. The Consultant shall prepare detailed plans and specifications that include all engineering disciplines necessary to produce final design plans and specifications to publically bid and construct the repairs identified as "Option 1" in the DLZ report. For a copy of the DLZ report, see Appendix D: Separate File for Download.

The Option 1 repairs identified in the DLZ report include the following:

- Deck patching, joint repairs, and substructure repairs
- Obtain underwater inspection of Abutments and Piers
- Obtain river cross-sections to chart streambed movement.
- Patch the spalled and delaminated exposed areas of the substructure during low water (include design efforts to repair the pier under the water line if determined necessary based upon the underwater inspection). Repairing the pier cap spalls under the south fascia beam at the bearing.
- Perform deck patching and joint repair at the expansion joint which shows evidence of leaking.
- Remove vegetation overgrowth.

Additional engineering services shall include, but not limited to, the following:

2. Provide a detailed design and bid schedule consistent with the schedule provided in the Respondent's Proposal.
3. Meet with WWTP staff to discuss the recommendations presented in the DLZ report plus any additional items that the Respondent believes to be prudent but not specifically recommended elsewhere.
4. Develop a detailed construction sequence and shutdown plan that is acceptable to WWTP staff and minimizes interference of WWTP operations and ongoing construction activities on site. Submit the plan for WWTP staff review and comment early in the design stage and meet with WWTP staff to discuss the construction sequence plan.
5. Provide preliminary design plans and specifications (three sets of 11" x 17") for WWTP staff review and comment. Meet with WWTP staff to discuss the design documents and incorporate revisions if needed.
6. Provide 90% design drawings (one set of 11” x 17”) and one set of specifications in paper and digital format for WWTP staff review and comment. Meet with WWTP staff to discuss the design documents and incorporate revisions if needed.

7. Provide 100% design drawings (one set of 11” x 17”) and one set of specifications in paper and digital format for WWTP review and file.

8. Prepare and provide all documentation for submittal of all necessary State and Local permit applications, if any.

9. Provide final/bid drawings and specifications in both AutoCAD (version 2013 or earlier, without x-ref’s) and PDF format (per sheet digital file) and one set of full size paper format. Final design documents shall meet all regulatory requirements for obtaining necessary permits and approvals and shall use the City’s current front-end bid documents with appropriate modifications as approved by the City. Final design drawings shall be sealed by a licensed and registered professional person whose license is in the discipline of the design work. The seal will certify that all of the designs on the sheets are complete, accurate, and consistent with and in harmony with all other design work entering into the project.

10. Provide a preliminary construction cost estimate early in the design stage and a final estimate with a cost draw down schedule just prior to the 100% review stage.

11. Organize and conduct the pre-bid meeting and answer all pre-bid questions and prepare and distribute all necessary addenda.

12. Provide bid services by evaluating the three lowest responsible bidders, reviewing references and providing a written recommendation of award to the City.

C. Construction Support Services

Construction support services for the project are not part of this RFP. However, it is intended that the consultant providing design services will likely provide construction support services. Upon completion of detailed design services, the City will request that the consultant prepare a detailed proposal for full construction support services, including technical support, shop drawing review and approval, project management, contractor oversight and project field representation with inspection. The consultant shall be responsible for all costs to prepare the construction support services proposal. Award of a contract for construction support services will be subject to approval by the City.
SECTION III

The written Proposal must include a list of specific experience in the project area and indicate proven ability in developing detailed designs and implementing similar projects for the firm and the individuals to be involved in the project. The Proposal should also indicate the ability to have projects completed within the project schedule and the budgeted amounts. A summary of related projects with the original deadline and cost estimate versus the actual design completion date and final cost of the design is required with this section. A complete list of client references must be provided for similar projects recently completed. It shall include the firm/agency name, address, telephone number, project title, and contact person.

C. Proposed Work Plan and Schedule – 45 points

A detailed work plan is to be presented which lists all tasks determined to be necessary to accomplish the work of this project. In addition, the work plan shall include a timeline schedule depicting the sequence and duration of tasks showing how the work will be organized and executed.

1. The work plan shall be sufficiently detailed and clear to identify the progress milestones (i.e., when project elements, measures, and deliverables are to be completed) and the extent and timing of the City personnel involvement. Additional project elements suggested by the Respondent are to be included in the work plan and identified as Respondent suggested elements.

2. The work plan must identify information the Respondent will need from City staff in order to complete the project. Include estimated time and resource commitment from City staff.

3. The work plan shall include any other information that the Respondent believes to be pertinent but not specifically asked for elsewhere.

4. Also include in the work plan, proposed steps, if any, to expedite completion of the project. This will be given due consideration during evaluation of Proposals.

In the scoring for this section, consultants shall be evaluated on the clarity, thoroughness, and content of their responses to the above items.
D. **Fee Proposal - 15 points**

1. Fee quotations shall be submitted in a separate, sealed, envelope as part of the Proposal. Fee quotations are to include the names, title, hourly rates, overhead factors, and any other details, including hours of effort for each team member by task, and sub-task, by which the overall and project element costs have been derived. The fee quotation is to relate in detail to each item of the proposed work plan. Consultants shall be capable of justifying the details of the fee proposal relative to personnel costs, overhead, how the overhead rate is derived, material and time.

2. The fee proposed must include the total estimated cost for the proposed work plan when it is 100% complete. This total may be adjusted after negotiations with the City and prior to signing a formal contract, if justified. A sample of the required City/Consultant PSA form is included as Appendix A of this RFP.

E. **Authorized Negotiator**

Include the name and phone number of persons(s) in your organization authorized to negotiate the Scope of Work with the City.

F. **Attachments**

Attachment A: Legal Status of Respondent, Attachments B and C: Contract Compliance Forms and Living Wage Declaration of Compliance Form and Attachment D: Vendor Conflict of Interest disclosure Form must be completed and returned with the proposal. FAIR EMPLOYMENT PRACTICE

The consultant, its agents or sub-contractors, shall comply with all requirements of Chapter 112 of Title IX of the Code of the City of Ann Arbor and in particular the following excerpts therefrom:

9:161 NONDISCRIMINATION BY CITY VENDORS

(1) All vendors proposing to do business with the City of Ann Arbor shall satisfy the nondiscrimination administrative policy adopted by the City Administrator in accordance with the guidelines of this section. All vendors shall receive approval from the Director prior to entering into a contract with the City, unless specifically exempted by administrative policy. All City vendors shall take affirmative action to insure that applicants are employed and that employees are treated during employment in a manner which provides equal employment opportunity and tends to eliminate inequality based upon race, national origin or sex.

(2) Each prospective vendor shall submit to the City data showing current total employment by occupational category, sex and minority group. If, after verifying this data, the Director concludes that it indicates total minority and female employment commensurate with their availability within the vendor's labor recruitment area, i.e., the area from which the vendor can reasonably be expected to recruit, said vendor shall be accepted by the Director as having fulfilled affirmative action requirements for a period of one year at which time the Director shall conduct another review. Other vendors shall develop an affirmative action program in conjunction with the Director. Said program shall include specific goals and timetables for the hiring and promotion of minorities and females. Said goals shall reflect the availability of minorities and females within the vendor’s labor recruitment area. In the case of construction vendors, the Director shall use for employment verification the labor recruitment area of the Ann Arbor-Ypsilanti standard metropolitan statistical area. Construction vendors determined to be in compliance shall be accepted by the Director as having fulfilled affirmative action requirements for a period of six (6) months at which time the Director shall conduct another review.

(3) In hiring for construction projects, vendors shall make good faith efforts to employ local persons, so as to enhance the local economy.

(4) All contracts shall include provisions through which the vendor agrees, in addition to any other applicable Federal or State labor laws:
To set goals, in conference with the Human Resources Director, for each job category or division of the work force used in the completion of the City work;

To provide periodic reports concerning the progress the vendor has made in meeting the affirmative action goals it has agreed to;

To permit the Director access to all books, records and accounts pertaining to its employment practices for the purpose of determining compliance with the affirmative action requirements.

The Director shall monitor the compliance of each vendor with the nondiscrimination provisions of each contract. The Director shall develop procedures and regulations consistent with the administrative policy adopted by the City Administrator for notice and enforcement of non-compliance. Such procedures and regulations shall include a provision for the posting of vendors not in compliance.

All City contracts shall provide further that breach of the obligation not to discriminate shall be a material breach of the contract for which the City shall be entitled, at its option, to do any or all of the following:

(a) To cancel, terminate, or suspend the contract in whole or part and/or refuse to make any required periodic payments under the contract;

(b) Declare the vendor ineligible for the award of any future contracts with the City for a specified length of time;

(c) To recover liquidated damages of a specified sum, said sum to be that percentage of the labor expenditure for the time period involved which would have accrued to minority group members had the affirmative action not been breached;

(d) Impose for each day of non-compliance, liquidated damages of a specified sum, based upon the following schedule:

<table>
<thead>
<tr>
<th>Contract Amount</th>
<th>Per Day of Non-Compliance</th>
</tr>
</thead>
<tbody>
<tr>
<td>$ 10,000 - 24,999</td>

(e) In addition the vendor shall be liable for any costs or expenses
incurred by the City of Ann Arbor in obtaining from other sources the work and services to be rendered or performed or the goods or properties to be furnished or delivered to the City under this contract.
INSTRUCTIONS FOR COMPLETING CONTRACT COMPLIANCE FORM

City Policy

The “non discrimination in contracts” provision of the City Code, (Chapter 112, Section 9:161) requires contractors/respondents/grantees doing business with the City not to discriminate on the basis of actual or perceived race, color, religion, national origin, sex, age, condition of pregnancy, marital status, physical or mental limitations, source of income, family responsibilities, educational association, sexual orientation, gender identity or HIV status against any of their employees, any City employee working with them, or any applicant for employment. It also requires that the contractors/respondents/grantees include a similar provision in all subcontracts that they execute for City work or programs.

This Ordinance further requires that each prospective contractor/respondent submit employment data to the City showing current total employee breakdown by occupation, race and gender. This allows the Human Rights Office to determine whether or not the contractor/respondent has a workforce that is reflective of the availability of women and under-represented minorities within the contractor’s labor recruitment area (the area where they can reasonably be expected to recruit employees). This data is provided to the City on the Human Rights Contract Compliance Forms (attached).

To complete the form:
1) If a company has more than one location, then that company must complete 2 versions of the form.
   - Form #1 should contain the employment data for the entire corporation.
   - Form #2 should contain the employment data for those employees:
     - who will be working on-site;
     - in the office responsible for completing the contract; or,
     - in the case of non-profit grantees, those employees working on the project funded by the City grant(s).

2) If the company has only one location, fill out Form #1 only.

3) Complete all data in the upper section of the form including the name of the person who completes the form and the name of the company/organization’s president.

4) Complete the Employment Data in the remainder of the form. Please be sure to complete all columns including the Total Columns on the far right side of the form, and the Total row and Previous Year Total row at the bottom of the form.

5) Return the completed form(s) to your contact in the City Department for whom you will be conducting the work.

LIVING WAGE REQUIREMENTS

If a "covered employer," Contractor will comply with all the requirements of Chapter 23 of the Ann Arbor City Code (Sections 1:811 B 1:821), in particular but not limited to the following sections thereof:

1:813. Definitions.

For purposes of this Chapter, the following definitions shall apply:

1. "Contractor/vendor" is a person or entity that has a contract with the City primarily for the furnishing of services where the total amount of the contract or contracts with the City exceeds $10,000 for any 12-month period. "Contractor/vendor" does not include a person or entity that has a contract with the City primarily for the purchase of goods or property, or for the lease of goods or property to or from the City.

2. "Covered Employee" means a person employed by a covered employer to perform services which are covered or funded by the contract with or grant from the City; provided, however, that persons who are employed pursuant to federal, state or local laws relating to prevailing wages shall be exempt from this Chapter.

3. "Covered Employer" means a contractor/vendor or grantee that has not been granted an exemption from this Chapter pursuant to Section 1:817.

4. "Employee" means an individual who provides personal services performed for wages under any contract calling for the performance of personal services, whether written or oral, express or implied. The term "employee" does not include any individual who volunteers to perform services for an employer if
   (a) The individual receives no compensation or is paid expenses, reasonable benefits, or a nominal fee to perform the services for which the individual volunteered; and
   (b) Such services are not the same type of services which the individual is employed to perform for such employer.

5. "Employee Health Benefits" or "Health Benefits" means providing health care benefits for employees (or employees and their dependents) at employer cost or making an employer contribution toward the purchase of such health care benefits for employees (or employees and their dependents), provided that the employer cost or contribution equals no less than $1 an hour for the average work week of such employee, and provided further that any employee payment or contribution toward health care shall not exceed 50 cents an hour for the average work week for such employee.

6. "Grant" means any form of financial assistance to a "Grantee" as set forth and defined in Section 1:813(7). "Grant" does not include financial assistance used for the purchase or lease of property or other nonpersonnel costs.

7. "Grantee" is a person or entity that is a recipient of any financial assistance from the City in the form of any federal, state or local grant program administered by the City, revenue bond financing, tax increment financing, tax abatement, tax credit, direct grant, or any other form of financial assistance that exceeds $10,000 for any 12-month period, including any contractors, subcontractors, or leaseholders of the grantee whose contract, subcontract or lease with the grantee.
exceeds $10,000 for any 12 month period.

(8) "Living Wage" means a wage equal to the levels established in Section 1:815.

(9) "Person" means any individual, copartnership, corporation, association, club, joint adventure, estate, trust, and any other group or combination acting as a unit, and the individuals constituting such group or unit.

(10) "$10,000 for any 12 month period" is computed by taking the total amount of the contract, grant or loan and dividing it by the number of months the contract, grant or loan covers.

1:814. Applicability.

(1) This Chapter shall apply to any person that is a contractor/vendor or grantee as defined in Section 1:813 that employs or contracts with five (5) or more individuals; provided, however, that this Chapter shall not apply to a nonprofit contractor/vendor or nonprofit grantee unless it employs or contracts with ten (10) or more individuals.

(2) This Chapter shall apply to any grant, contract, or subcontract or other form of financial assistance awarded to or entered into with a contractor/vendor or grantee after the effective date of this Chapter and to the extension or renewal after the effective date of this Chapter of any grant, contract, or subcontract or other form of financial assistance with a contractor/vendor or grantee.

1:815. Living Wages Required.

(1) Every contractor/vendor or grantee, as defined in Section 1:813, shall pay its covered employees a living wage as established in this Section.

(a) For a covered employer that provides employee health care to its employees, the living wage shall be $8.70 an hour, or the adjusted amount hereafter established under Section 1:815(3).

(b) For a covered employer that does not provide health care to its employees, the living wage shall be $10.20 an hour, or the adjusted amount hereafter established under Section 1:815(3).

(2) In order to qualify to pay the living wage rate for covered employers providing employee health care under subsection 1:815(1)(a), a covered employer shall furnish proof of said health care coverage and payment therefor to the City Administrator or his/her designee.

(3) The amount of the living wage established in this Section shall be adjusted upward no later than April 30, 2002, and every year thereafter by a percentage equal to the percentage increase, if any, in the federal poverty guidelines as published by the United States Department of Health and Human Services for the years 2001 and 2002. Subsequent annual adjustments shall be based upon the percentage increase, if any, in the United States Department of Health and Human Services poverty guidelines when comparing the prior calendar year's poverty guidelines to the present calendar year's guidelines. The applicable percentage amount will be converted to an amount in cents by multiplying the existing wage under Section 1:815(1)(b) by said percentage, rounding upward to the next cent, and adding this amount of cents to the existing living wage levels established under Sections 1:815(1)(a) and 1:815(1)(b). Prior to April 1 of each calendar year, the City will notify any covered employer of this adjustment by posting a written notice in a prominent place in City Hall, and, in the case of a covered employer that has provided an address of record to the City, by a written letter to each such covered employer.
1:816. Employees Covered.

A covered employer shall pay each of its employees performing work on any covered contract or grant with the City no less than a living wage as defined in Section 1:815.

1:817. Exemptions.

Notwithstanding any other provisions in this Chapter, the following exemptions shall apply:

(1) Sweat equity contracts for home construction or rehabilitation grant will not subject the grantee to coverage under this Chapter. Housing construction or rehabilitation grants or contracts that are passed through to a contractor in their entirety are exempt from the provisions of this Chapter, even when the City participates in the selection of the contractor.

(2) For any contract or grant, the City Council may grant a partial or complete exemption from the requirements of this Chapter if it determines one of the following:
   (a) To avoid any application of this Chapter that would violate federal, state or local law(s); or
   (b) The application of this Chapter would cause demonstrated economic harm to an otherwise covered employer that is a nonprofit organization, and the City Council finds that said harm outweighs the benefits of this Chapter; provided further that the otherwise covered nonprofit employer shall provide a written plan to fully comply with this Chapter within a reasonable period of time, not to exceed three years, and the City Council then agrees that granting a partial or complete exemption is necessary to ameliorate the harm and permit the nonprofit organization sufficient time to reach full compliance with this Chapter.

(3) A loan shall be considered a grant under this ordinance only to the extent that a loan is provided at below market interest rates and then only the difference between the amount of the loan and the present value of the payments thereunder, discounted over the life of the loan, shall be treated as financial assistance under this ordinance.

(4) A payment of funds for the purpose of purchasing services, property, or goods on behalf of individuals being assisted by a covered employer or potentially covered employer (sometimes known as a "pass through" grant) that is used for said purchases shall not be considered a grant; such funds shall be considered a grant only to the extent that any such funds are retained by the covered employer or potentially covered employer to provide financial assistance and support to its own operations.

1:818. Monitoring and Enforcement.

(1) Every covered employer shall agree to the payment of a living wage as a condition of entering into or renewing a covered contract or grant with the City, shall agree to post a notice regarding the applicability of this Chapter in every work place or other location in which employees or other persons contracted for employment are working, and shall agree to provide payroll records or other documentation as deemed necessary within ten (10) business days from the receipt of the City's request. All City contracts and grants covered by this Chapter
shall provide that a violation of the living wage requirements of this Chapter shall be a material breach of the contract or grant. The Human Rights Office of the City shall monitor the compliance of each contractor/vendor or grantee under procedures developed by the Human Rights Office and approved by the City Administrator.

(2) Each covered employer shall submit to the Human Rights Office of the City information regarding number of employees and applicable wage rates of its employees covered by this Chapter in such manner as requested by that office. At the request of the Human Rights Office, any contractor/vendor or grantee shall provide satisfactory proof of compliance with the living wage provisions of this Chapter.

(3) Any person may submit a complaint or report of a violation of this Chapter to the Human Rights Office. Upon receipt of such a complaint or report, the Human Rights Office shall investigate to determine if there has been a violation.

1:819. Penalties and Enforcement.

(1) A violation of any provision of this Chapter is a civil infraction punishable by a fine of not more than $500.00 plus all costs of the action. The Court may issue and enforce any judgment, writ, or order necessary to enforce this Chapter, including payment to the affected employee or employees of the difference between wages actually paid and the living wage that should have been paid, interest, and other relief deemed appropriate.

(2) Each day upon which a violation occurs shall constitute a separate violation.

(3) In addition to enforcement under Subsections (1) and (2), the City shall have the right to modify, terminate, and/or seek specific performance of any contract or grant with an affected covered employer or to cancel, terminate or suspend the contract in whole or in part and/or to refuse any further payments under the contract or grant;

(4) Nothing contained in this Chapter shall be construed to limit in any way the remedies, legal or equitable, which are available to the City or any other person for the correction of violations of this Chapter.

(1) No affected covered employer shall reduce the compensation, wages, fringe benefits, or leave available to any covered employee or person contracted for employment in order to pay the living wage required by this Chapter.

(3) No employee covered by a federal, state or local law requiring the payment of prevailing wages shall be covered by this Chapter.

(4) This Chapter shall not be construed to apply to any person or entity that is a tax exempt religious, educational or charitable organization under state or federal law, but is not a contractor/vendor or grantee as defined in Section 1:813.
(5) This Chapter shall not be applicable to the establishment and/or continuation of the following if developed specifically for high school and/or college students:

(a) A bona fide training program;
(b) A summer or youth employment program;
(c) A work study, volunteer/public service, or internship program.
