D. ADDENDUM

All interpretation or correction, as well as any additional RFP provisions that the City may decide to include, will be made only as an official addendum that will be posted to a2gov.org and MITN.info and it shall be the Respondent’s responsibility to ensure they have received all addenda before submitting a Proposal. Any addendum issued by the City shall become part of the RFP and will be incorporated in the Proposal

Each Respondent must in its proposal, to avoid any miscommunications, acknowledge all addenda which it has received, but the failure of a Respondent to receive or acknowledge receipt of any addenda shall not relieve the Respondent of the responsibility for complying with the terms thereof.
The City will not be bound by oral responses to inquiries or written responses other than official written addenda.

E. PROPOSAL FORMAT

To be considered, each firm must submit a response to this RFP using the format provided in Section III. No other distribution of proposals is to be made by the Respondent. The proposal must be signed in ink by an official authorized to bind the Respondent to its provisions. Each proposal must remain valid for at least ninety (90) days from the due date of this RFP.

Each total submittal should not be more than 30 sheets (60 sides), not including required attachments and resumes. No erasures are permitted. Mistakes may be crossed out and corrected and must be initialed in ink by the person signing the proposal.

Each person signing the Proposal is required to certify that he/she is the person in the Respondent’s firm/organization responsible for the decision as to the fees being offered in the Proposal and has not and will not participated in any action contrary to the terms of this provision.

F. SELECTION CRITERIA

Responses to this RFP will be evaluated using a point system as shown in Section III. The evaluation will be completed by a selection committee comprised of staff from the City of Ann Arbor.

At the initial evaluation, the fee proposals will not be reviewed. After initial evaluation the City will determine top respondents, and open only those fee proposals. The City will then determine which, if any, firms will be interviewed. During the interviews, the selected firms will be given the opportunity to discuss their proposal, qualifications, past experience, and their fee proposal in more detail. The City further reserves the right to interview the key personnel assigned by the selected consultant to this project. If the City chooses to interview any respondents, the interviews will be held on December 10 or 11, 2014 if applicable. Applicants will be expected to be available on these dates.

All Proposals submitted may be subject to clarifications and further negotiation. All agreements resulting from negotiations that differ from what is represented within the RFP or in the Respondent’s response shall be documented and included as part of the final contract.
G. SEaled Proposal Submission

All Proposals are due and must be delivered to the City Procurement Unit c/o Customer Service on, or before, Monday, December 1, 2014, 10:00AM (local time). Proposals submitted late or via oral, telephonic, telegraphic, electronic mail or facsimile will not be considered or accepted.

The City will not be liable to any Respondent for any unforeseen circumstances, delivery, or postal delays. Postmarking on the Due Date will not substitute for receipt of the Proposal. Each Respondent is responsible for submission of their Proposal. Additional time will not be granted to a single Respondent; however, additional time may be granted to all Respondents when the City determines that circumstances warrant it.

A Proposal will be disqualified if:

1. If the Fee Proposal is not contained within a separate sealed envelope.
2. If the Fee Proposal is submitted as part of the digital copy. Provide Fee Proposal in hardcopy only.

H. Disclosures

Under the Freedom of Information Act (Public Act 442), the City is obligated to permit
review of its files, if requested by others. All information in a Respondent’s proposal is subject to disclosure under this provision. This act also provides for a complete disclosure of contracts and attachments thereto.

I. TYPE OF CONTRACT

A sample of the standard Professional Services Agreement (PSA) is included as Appendix A. Those who wish to submit a proposal to the City are required to carefully review the Professional Services Agreement. Respondents should specifically note that the insurance requirements under a City contract are listed in Exhibit C of the sample Professional Services Agreement. **The City will not entertain changes to terms and conditions of the standard Professional Services Agreement.**

The City reserves the right to award the total proposal, to reject any and all proposals in whole or in part, and to waive any informality or technical defects if, in the City’s sole judgment, the best interests of the City will be so served.

J NONDISCRIMINATION AND LIVING WAGE REQUIREMENTS

The City’s standard Professional Services Agreement outlines the requirements for fair employment practices under City of Ann Arbor contracts. To establish compliance with this requirement, the respondent should complete and return with its proposal completed copies of the Human Rights Division Contract Compliance forms.

All respondents proposing to do business with the City of Ann Arbor, except those specifically exempted by regulations by the Administrator and approved by City Council, agree to comply with the living wage provisions of Chapter 23 of the Ann Arbor City Code and, if a “covered employer” as defined therein, to pay those employees providing services to the City under this agreement a “living wage” as defined in Chapter 23 of the Ann Arbor City Code; and, if requested by the City, provide documentation to verify compliance. Living Wage forms should be submitted with the proposal.

The following forms are attached:

- Contract compliance form to report employment data (Attachment B).
- Living wage declaration form (Attachment A)
- Copy of the current living wage poster (Attachment A).

If Contract Compliance and Living Wage forms are not submitted with the proposal, a respondent will have 24 hours from the City’s request to return completed forms.

K. CONFLICT OF INTEREST DISCLOSURE

The City of Ann Arbor Purchasing Policy requires that prospective Vendors complete a
Conflict of Interest Disclosure form. A contract may not be awarded to the selected Vendor unless and until the Procurement Unit and the City Administrator have reviewed the Disclosure form and determined that no conflict exists under applicable federal, state, or local law or administrative regulation. Not every relationship or situation disclosed on the Disclosure Form may be a disqualifying conflict. Depending on applicable law and regulations, some contracts may be awarded on the recommendation of the City Administrator after full disclosure, where such action is allowed by law, if demonstrated competitive pricing exists and/or it is determined the award is in the best interest of the City. A copy of the Vendor Conflict of Interest Disclosure Form is found in Section IV, Attachment D.

L. COST LIABILITY

The City of Ann Arbor assumes no responsibility or liability for costs incurred by the consultant prior to the execution of a Professional Services Agreement. The liability of the City is limited to the terms and conditions outlined in the Agreement. By submitting a Proposal, Respondent agrees to bear all costs incurred or related to the preparation, submission and selection process for the Proposal.

M. DEBARMENT

Submission of a proposal in response to this RFP is certification that the Respondent is not currently debarred, suspended, proposed for debarment, and declared ineligible or voluntarily excluded from participation in this transaction by any State or Federal departments or agency. Submission is also agreement that the City will be notified of any changes in this status.

N. AWARD PROTEST

All Proposal protests must be in writing and filed with the Purchasing Agent within five (5) business days of the award action. The respondent must clearly state the reasons for the protest. If a respondent contacts a City Service Area/Unit and indicates a desire to protest an award, the Service Area/Unit shall refer the respondent to the Purchasing Agent. The Purchasing Agent will provide the respondent with the appropriate instructions for filing the protest. The protest shall be reviewed by the City Administrator or designee whose decision shall be final.

4. 2-page response plan to the following situation: (including, but not limited to: response time, capabilities, estimated costs, action plan)

On a Friday, at 6:30PM, a call was received at the City of Ann Arbor Fire Department, stating that several wildfowl were coated in an oily substance, and a sheen was on the surface of the Huron River, downstream of Argo Dam. The Fire Department determined that the substance was diesel fuel, from a parked semi truck at the corner of Ann and Ashley Streets. **Estimated Costs shall be a part of the FEE DOCUMENTS IN A SEPARATE SEALED ENVELOPE contained within your proposal sealed envelope.**

B. Past involvement with Similar Projects – 30 points

The written proposal must include a list of specific experience in the project area and indicate proven ability in implementing similar projects for the firm and the individuals to be involved in the project. D. Rate Table – 20 points

Provide a summary table of the base and loaded hourly rates for every individual proposed to work under this contract. Include the multiplier to convert base rate to fully burdened rate. The contractor will not be allowed to add staff to tasks assigned under this professional services agreement without prior written approval from the City, so all prospective staff should be included. The rates set forth in the table are the rates that will be incorporated into the contract if a contract is awarded to the proposal submitter.

**Selection Criteria**

The Selection Committee will evaluate responses to the RFP based on the criteria and point system identified below.

<table>
<thead>
<tr>
<th>Criteria</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Professional Qualifications</td>
<td>30</td>
</tr>
<tr>
<td>Past Involvement with similar projects</td>
<td>30</td>
</tr>
<tr>
<td>Statement of Availability/Approach</td>
<td>20</td>
</tr>
<tr>
<td>Rate Table</td>
<td>20</td>
</tr>
</tbody>
</table>

The project team will be evaluated based on comparable experience to the project examples listed above, as well as its ability to cover the range of project types anticipated to be encountered. The selection committee will also consider the approach to handling the project diversity and availability of consultant’s staff as needed to handle on-call services that may arise during the course of the contract period. Finally, the hourly rates for proposed staff will be considered in the selection process as the City seeks to obtain the most cost-effective support services through these awarded contracts.
E. Authorized Negotiator

Include the name, phone number, and e-mail address of persons(s) in your organization authorized to negotiate the Scope of Work with the City.

F. Attachments

Legal Status of Respondent, Living Wage Compliance Form, Contract Compliance Forms and Vendor Conflict of Interest Disclosure Form must be completed and returned with the proposal. These elements should be included as attachments to the proposal submission and will not be counted against the page limit for this proposal.

Proposal Evaluation

1. The Selection Committee will evaluate each proposal by the above described criteria and point system (A through C, based on 80 points) to select a short list of firms for further consideration. The City reserves the right to not consider any proposal which it determines to be unresponsive and deficient in any of the information requested for evaluation. A proposal with all the requested information does not guarantee the proposing firm to be a candidate for an interview. The Committee may contact references to verify material submitted by the Respondents.

2. The Committee then will schedule the interviews with the selected firms if necessary. The selected firms will be given the opportunity to discuss in more detail their qualifications, past experience, proposed work plan and fee proposal. The interview must include the project team members expected to complete a majority of work on the project, but no more than 6 members total. The interview shall consist of a presentation of up to thirty-five (35) minutes by the Respondent, including the person who will be the project manager on this Contract, followed by approximately forty-five (45) minutes of questions and answers. Audiovisual aids may be used during the oral interviews. The oral interviews may be recorded on tape by the Evaluation Team.

3. The firms interviewed will then be re-evaluated by the above criteria (A through D), and adjustments to scoring will be made as appropriate. After evaluation of the proposals, further negotiation with the selected firm may be pursued leading to the award of a contract by City Council, if suitable proposals are received.

The City reserves the right to not consider any proposal which is determined to be unresponsive and deficient in any of the information requested for evaluation. The City also reserves the right to waive the interview process and evaluate the consultants based on their proposals and fee schedules alone.

The City will determine whether the final scope of the project to be negotiated will be entirely as described in this Request for Proposal, a portion of the scope, or a revised scope.

INSTRUCTIONS FOR CONTRACTORS FOR COMPLETING CONTRACT COMPLIANCE FORM

City Policy
The "non discrimination in contracts" provision of the City Code, (Chapter 112, Section 9:161) requires contractors/vendors/grantees doing business with the City not to discriminate on the basis of actual or perceived race, color, religion, national origin, sex, age, condition of pregnancy, marital status, physical or mental limitations, source of income, family responsibilities, educational association, sexual orientation, gender identity or HIV status against any of their employees, any City employee working with them, or any applicant for employment. It also requires that the contractors/vendors/grantees include a similar provision in all subcontracts that they execute for City work or programs.

This Ordinance further requires that each prospective contractor/vendor submit employment data to the City showing current total employee breakdown by occupation, race and gender. This allows the Human Rights Office to determine whether or not the contractor/vendor has a workforce that is reflective of the availability of women and under-represented minorities within the contractor's labor recruitment area (the area where they can reasonably be expected to recruit employees). This data is provided to the City on the Human Rights Contract Compliance Forms (attached).

To complete the form:

1) If a company has more than one location, then that company must complete 2 versions of the form.
   - Form #1 should contain the employment data for the entire corporation.
   - Form #2 should contain the employment data for those employees:
     - who will be working on-site;
     - in the office responsible for completing the contract; or,
     - in the case of non-profit grantees, those employees working on the project funded by the City grant(s).

2) If the company has only one location, fill out Form #1 only.

3) Complete all data in the upper section of the form including the name of the person who completes the form and the name of the company/organization's president.

4) Complete the Employment Data in the remainder of the form. Please be sure to complete all columns including the Total Columns on the far right side of the form, and the Total row and Previous Year Total row at the bottom of the form.
