# Project Description and Limits

## Ellsworth Rd Sidewalk Gap Elimination

**RFP 22-49, FILE No. 2022007**

### Vicinity Map

**NOTE:**
- For protection of underground utilities and to conform with the Protocol for the 911 Program, please consult the map in the vicinity of Ellsworth Rd. This map was created using the data from the County's underground utility program. All owners of these utilities are required to make the data available to the City of Ann Arbor prior to any construction. The construction of any utility system that is not shown on this map may not be a part of the utility system.
- The utilities shown on this map are for design and planning purposes only and may not be the definitive locations. The locations of the utilities may vary due to changes in the construction and/or design.
