

RESIDENT STREET TREE FALL PLANTING PROGRAM

Please complete all fields in the application. There are limited number of trees available and applications will be accepted on a first come, first serve basis. **Note:** Trees will be delivered the second week of November.

Applications must be submitted by September 30. Late applications will not be accepted.

Name: _____

Address: _____

Email Address: _____ Phone#: _____

- I am the property owner at the above listed address
 - If I am not the property owner, I have provided a letter from the property owner with permission to plant.

- I understand that the expense and risk of street tree planting is my responsibility.

- I have completed a City of Ann Arbor Volunteer Waiver

- I will water and care for the newly planted street tree for 2 years using the instructions provided by the City of Ann Arbor.

- I understand that there is no warranty on the tree and if it dies, it will not be replaced by the City of Ann Arbor.

- I understand that the street tree I planted in the right-of-way will become the responsibility of the City of Ann Arbor to maintain, and that the City has full authority to perform any future maintenance (ex: tree pruning, tree removal) it deems necessary for the health and safety of the tree and community.

- If I choose to have a tree care contractor complete any maintenance of the street tree (ex: tree pruning, insect/disease control, fertilization), I must obtain a Forestry Permit from the City of Ann Arbor.

- I have provided a check in the amount of \$135 payable to the City of Ann Arbor. **Note:** The City of Ann Arbor will send an invoice once the application has been approved. *Do not send a check in with this application.*

STREET TREE SELECTION *(Tree species are available on a first come, first serve basis.)*

Small Trees— less than 20-feet tall at maturity.

Suitable for sites where at least one of the following site conditions is present:

- Lawn extension* width is less than 5-feet but greater than 3-feet.
Note: Lawn extensions that are 3-feet wide or less are not suitable for tree planting.
- Overhead utility lines present.
- Existing private tree canopy or street lights are present

Serviceberry (*Amelanchier laevis*)
Redbud (*Cercis canadensis*)

RESIDENT STREET TREE FALL PLANTING PROGRAM

Medium Trees– less than 40-feet tall at maturity.

Suitable for sites where the lawn extension* width is 5-feet or greater.

- Ohio buckeye (*Aesculus glabra*)
- Ironwood (*Ostrya virginiana*)

Large Trees– greater than 40 feet tall at maturity.

Suitable for sites where the lawn extension* width is at least 6-feet and there are no overhead utility lines.

- Tuliptree (*Liriodendron tulipifera*)
- Red maple (*Acer rubrum*)
- Red oak (*Quercus rubra*)

***Lawn Extension:** The area between the sidewalk and the curb. Where sidewalks are not present, it is the area between the curb/edge of road and the line where the right-of-way meets the property line.

Lawn Extension Width: _____ feet

Please provide three tree species choices:

- Choice 1: _____
- Choice 2: _____
- Choice 3: _____

Additional Notes: Please include any notes, questions, requests regarding your application you wish reviewing staff to know and consider when evaluating your application.
