Petition #19-AR-3

The proposed annexation of land in
Township of Scio to the City of Ann Arbor,
Washtenaw County.

**SUMMARY OF PROCEEDINGS,
FINDINGS & CONCLUSIONS**

SUMMARY OF PROCEEDINGS

1. On March 10, 2019, a petition requesting the annexation of land areas in the Township of Scio to the City of Ann Arbor was filed with the State Boundary Commission (SBC) by the City of Ann Arbor under Section 9(7)(a) of the Home Rule City Act 1909, PA 279, MCL 117.1 to 117.38. MCL 117.9(7)(a). The map and legal description for the area proposed for annexation are included as **Attachment A**. The following contacts were identified:

 - ii. Phone: 734-222-6700
 - iii. Email: kestenbauml@washtenaw.org
2. A Notice of Filing was sent via email to the clerks and Mr. Kahan on March 12, 2019. The letter provided a link to the questionnaires. The City of Ann Arbor returned the

questionnaire on March 14, 2019, and the Township of Scio questionnaire was returned on March 18, 2019. The responses to the questions are included in Attachment B.

3. The Office of Land Survey and Remonumentation (OLSR) computed the window of possible public hearing dates to be any time between June 23 and October 16, 2019. Time-frames are addressed in MCL 117.9 (2) and MCL 123.1008 (3).
4. The Ann Arbor City Clerk arranged for possible dates for a public hearing. This petition is similar in nature to petitions 19-AR-1 and 19-AR-2. To provide enough dates, we requested dates in which all three petitions could be heard on the same day, and individual dates for each specific petition. The dates for all petitions to be heard were June 24, 25 or 28. The dates for individual meetings were June 24, 25 or 28, July 8, 11, 16, 18, 29 or 30. All of them would be in the City Council Chambers at the Ann Arbor City Hall.
5. The SBC state-appointed commissioners reviewed the petition at the April 24, 2019 meeting and found it to be legally sufficient. The date for the Public Hearing was set for June 24, 2019. No alternate date was picked. The public comment period was opened at the conclusion of the meeting.
6. The OLSR received names and addresses of property owners within the described area and any owner of property within 300 feet from the City of Ann Arbor on May 14, 2019. Since the parcels in question are surrounded by property already existing in the City, no information was returned from the Township.
7. OLSR contacted Washtenaw County Probate Judge Darlene O'Brien on April 29, 2019. The names of two qualifying commissioners and two alternates were provided on May 15, 2019.
8. A letter was sent to each owner by certified mail on May 14, 2019, and an announcement was placed in the Ann Arbor News on June 9, 2019.
9. OLSR was notified on June 17, 2019 that the West half of Lot 49, Scio to Hills Subdivision, shown as Petition 13 of this petition, was accepted by the State of Michigan Office of the Great Seal on June 12, 2019 by mutual agreement between the property owner, township and city.
10. Written and public comments were compiled and forwarded to the cities and petitioners for final comments on July 12, 2019.
11. The Recommendations meeting scheduled for August 28, 2019 was cancelled due to a scheduling conflict with the chair.
12. The Recommendations meeting was held on October 16, 2019. Two state Commissioners and two local Commissioners were present. One state Commissioner position is unfilled. A motion was made to approve the petition.

FINDINGS

1. Assessed values would increase for parcels brought into the City of Ann Arbor.
2. The parcels listed were all vacant and not required to connect to public water and sewer until construction of a new home.

COMMISSION CONCLUSIONS

1. The State Boundary Commission has considered the requirements in Section 9 of 1968 PA 191, MCL 123.1009 and has come to the conclusion that these criteria support the majority vote of the Commission. The Commission recommends that in the case of Petition #19-AR-3, Petition for Annexation of land in the Township of Scio to the City of Ann Arbor, Washtenaw County, be approved by the Director of the Department of Licensing and Regulatory Affairs.
2. Pursuant to Executive Reorganization Order 1996-2, this approval is contingent on the concurrence of the Director of the Department of Licensing and Regulatory Affairs.
