Historic Property Plaques

The Ann Arbor Historic District Commission considers requests for bronze plaques honoring significant historic buildings in the City of Ann Arbor. Plaques show the original or earliest known owner’s name and the year in which the structure was built. Current property owners may apply to the Commission and, if approved, purchase a bronze plaque for their building.

What criteria will be applied?

The Historic District Commission will consider all of the following when reviewing an application for a historic property plaque.

a) The building must be at least one hundred years old, as documented by a combination of records (title search, tax records, wills, etc.).

b) The building must have been maintained, over time, in its original condition, or must have undergone historically appropriate restoration or rehabilitation.

c) The building may not have historically inappropriate features, enclosures or repairs.

d) The principal facades of the building visible from the street or any public right of way must maintain integrity of form, materials, and architectural features consistent with the dominant period of the building.

If one or more of the criteria cannot be met, staff and the Commission will consider whether the building has special historic or architectural significance on a case by case basis.

The property must meet one of the following four criteria:

1) Listed or determined eligible for the National Register of Historic Places or State Register of Historic Sites
2) Included in the Individual Historic Properties Historic District listed in Title IX of the Ann Arbor Register of Historic Places prior to 2001
3) Received an award from the Ann Arbor Historic District Commission
4) Others may be approved for a historic property plaque by the Ann Arbor Historic District Commission on a case-by-case basis

How to Apply for a Historic Property Plaque

1. The current property owner should fill out the application and return it to the Historic Preservation Coordinator via email to hdc@a2gov.org, or by dropping
it off at the Planning & Development desk on the first floor of City Hall, 301 E Huron Street.

2. Be sure to include a description of how the property qualifies for a plaque (from the list above), and any information or history unique to the home. The application will be evaluated based on the information it provides.

3. After an initial screening by staff for completeness and content, the request will be placed on a Historic District Commission agenda for consideration. If the request is approved, the historic preservation coordinator will contact the plaque manufacturer (Arnet’s, Inc. at 4495 Jackson Road) with the correct historic name and date of construction of the house. The cost of the plaque fluctuates based on the price of bronze, usually between $175 and $225. Arnet’s will fax a proof to the Historic Preservation Coordinator, which the applicant must sign off on. Once the proof has been approved, Arnet’s will manufacture the plaque and notify the applicant when it is ready to pick up. The applicant picks up and pays for the plaque at Arnet’s at 4495 Jackson Road.

4. The applicant must mount the plaque on a visible spot at the front of the building, preferably near the front door, in a location that does not destroy or obscure historic architectural features of the building.
