

## **Checklist for Decks and Patios**

All drawings must be to scale and on 8 ½" x 11" pages.

- Plot/Site plan that shows house, garage, driveway, and other site features, and proposed deck or patio
- Dimensions of deck or patio

### *For Patios:*

- Materials information: written description, color, block dimensions (if applicable), cut sheet or photo of proposed surface material
- Retaining wall height and material information/photo, if applicable

### *For Decks:*

- Materials information: written description, color, etc.
- Basic construction drawing with framing, footers, etc.
- Drawings as necessary to show guardrail, handrail, stairs, skirting, max height above grade, and other details
