

The Ann Arbor Police Presents:

Fall Safety Tips

Fall Back

- Remember to change clocks back an hour on Sunday Nov. 3rd, 2019.
- When you change your clocks also remember to change the batteries in your smoke and carbon monoxide detectors.

Cold and Flu Season

- **Talk to your doctor about obtaining a flu and pneumonia vaccination.**
- **Cover your nose and mouth when you sneeze or cough.**
- **Wash your hands often!**
- **Stay home if you get sick and keep hydrated.**

Slow Down

- **Falling leaves, rain and fog can obscure or limit visibility.**
- **Wet leaves and frost can make roads slippery. Be careful of black ice.**
- **Watch for deer, they are often out at sunrise and sunset.**

Watch for Children

- Children like to play in leaf piles near the street.
- Watch for children walking to and from school.
- Stop at crosswalks for children crossing the street.

Home and Fire Safety

- Before the weather turns cold, have your furnace inspected and serviced if needed.
- Use Fireplaces safely. Never leave a wood burning fire unattended.
- Only use space heaters approved for indoor use and follow instructions.

Home Maintenance

- **Look up before pruning trees. Watch for power lines.**
- **Use caution on ladders, wear appropriate footwear.**
- **Clean up fallen leaves to prevent slips and falls.**
- **Clean out gutters to prevent damage.**

The Beauty of the Season

Be Safe and enjoy this beautiful time of the year, when the weather cools down and the trees burst into vibrant hues of yellow, orange and red.
