STAFF OPERATIONS/UPDATE

The Pension Analyst conducted 5 pre-sessions, completed 14 estimates, and is conducting a review of the deferred files for those at age 60 and over who have not applied for benefits.

Dan Gustafson passed the next level in his CEBS testing, the Group Benefit Associate 1 exam on August 10. Congratulations to Dan!

The City is conducting a non-union salary study, which kicked off on August 22. All staff including ED are required to fill out a Job Analysis Questionnaire and submit to HR by September 29. These have been completed and will be delivered to HR on 9/18.

DUAL PLAN/457 TRANSITION UPDATE

The Plan Review meeting was held on August 1 at City Hall. PDFs of the materials are available if anyone is interested in reviewing.

ED met with HR on 8/22 for an update on the status of current processes that are being shifted from paper to online/call center only as well as to finalize which processes will continue to be performed by HR/Payroll after the transition of the 457.

The Administrative Service Agreement is ready to be executed in conjunction with the City acknowledging the Board by resolution as the 457 Plan fiduciary going forward. ED spoke with HR regarding the resolution and it was discussed that a November 1 effective date would provide enough lead-time to transfer the administrative processes, train ERS staff as needed, update the website and employee handbook, and provide advance notification to employees.

Brock Hastie is working on a draft Investment Policy Statement for review at the October IPC meeting.

Jason Ashline and Tonya Miller, Senior Client Service Coordinator with ICMA will be onsite on October 23 to train Staff on EZ-Link navigation, reports, frequently asked participant and employer related questions and scenarios, workflow and processes. Kim Barry from HR will also attend to share her expertise, answer questions and clarify responsibilities going forward.

ACTUARIAL VALUATION PROGRESS

All data has been received by the actuary and Staff has provided clarification to actuary’s questions. Conduent is anticipating that the Valuations will be ready in Mid-October.

AUDIT

The auditors were in the Pension office on August 26 and 29 and reported that the audit was going
well. All documentation requested has been provided and questions answered. The main open item is a review of the GASB 74 RSI and disclosures for the VEBA. These will be completed upon receipt of the actuarial valuation in October and shared with the Auditors for review.

**ANNUAL BOARD ELECTIONS / APPOINTMENTS**

Citizen Trustee terms for both Mr. Giovanni and Mr. Huesel are up on December 31, 2017. If both are interested in a reappointment, Staff suggests sending letters of recommendation to the Mayor’s Office in October 2017 in order to have them reappointed before their terms are expired.

**Trustee Terms Expiring:**

The term of Fire Trustee Jeremy Flack is expiring December 31, 2017. Elections will be Wednesday, December 13th and Thursday, December 14th.

The new term would be from January 1, 2018-December 31, 2020.

A copy of this year’s full Election schedule will be included in the Board Packet.

**CONDUENT UPDATE**

The ERS contract with Conduent for software hosting and related services is already a separate stand-alone contract; other than the standard annual increase of the lesser of 3% or CPI change, there should not be an adverse effect on pricing if/when a different vendor is contracted for valuation services.

There is a one-time fee of $5,000 quoted to institute the change in multiplier associated with the Dual Plan as this is outside the standard Scope of Services. This item will be reviewed at the September AC meeting prior to moving forward.

After further discussion, the Committee decided to recommend to the Board of Trustees, to change the current plan as follows:

It was moved by Crawford and seconded by Monroe to move to recommend to the Full Board of Trustees for approval the changes to the current amortization policy from a 30 year open aggregate to a 30-15 year amortization in 2 year increments, Open, Level Dollar (Attachment 2 – Policy 2 from Conduent’s Report).
