Bids that fail to provide these forms listed above upon bid opening may be rejected as non-responsive and may not be considered for award.

I. QUESTIONS AND ANSWERS

The following Questions have been received by the City. Responses are being provided in accordance with the terms of the ITB. Bidders are directed to take note in their review of the documents of the following questions and City responses as they affect work or details in other areas not specifically referenced here.

Question 1: Cablecast will migrate the database of all the show records and metadata during the remote commissioning, which means only the show files themselves need to be transferred from the old server to the new, prior to commissioning. Do you know the total storage size of your show files?

Answer 1: The show files are currently using 17.12 TB of storage

Bidders are responsible for any conclusions that they may draw from the information contained in the Addendum.
