

FIGURES

P:\Projects\Ann Arbor\721 North Main Street\GIS-data\Figure 1-Phase I.mxd

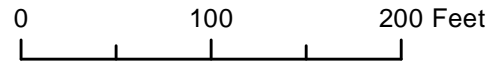

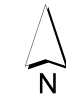

BASE MAP: GOOGLE EARTH SATELLITE IMAGERY

Legend:
All of the following locations are approximate:
(based on historical documents and site walk)

- Former UST/AST
- Former Fuel Dispenser
- Existing UST
- Existing Compressor
- Existing Dispenser
- Building Outline
- Area of Release
- Site Boundary
- Allen Creek
- Former Underground Piping

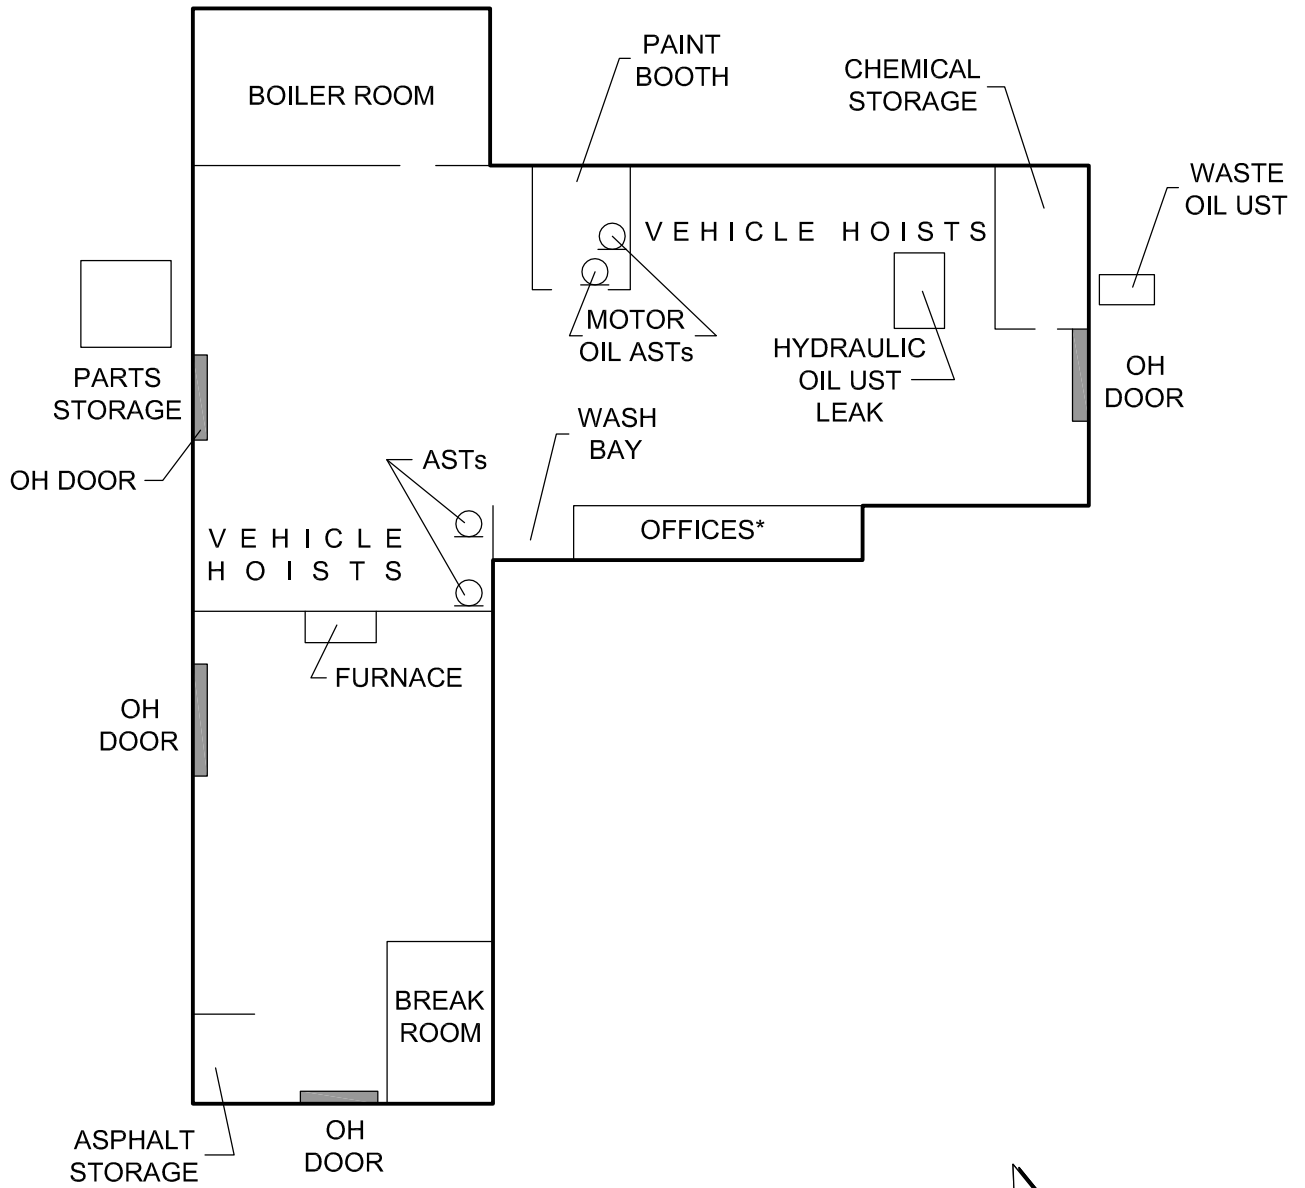

Notes:
AARR = Ann Arbor Railroad
AST = Aboveground Storage Tank
CNG = Compressed Natural Gas
UST = Underground Storage Tank

Location of 16,000 gallon gasoline AST is estimated from 1972 Sanborn Map.
Location of Allen Creek is approximate.
Area of release from underground piping is estimated from historical reports.
