As part of Ann Arbor Police Department and Chief Andre Anderson's commitment to transparency with the community, the department can confirm that federal enforcement activity took place in our city today.

"The Ann Arbor Police Department is aware of federal immigration enforcement activity that occurred in the city this morning. At approximately 9 a.m., Ann Arbor police officers responded to the area of Beakes Street and Fifth Avenue after a community member reported that an arrest involving ICE had been made and a vehicle had been left in a bike lane.

Upon arrival, the scene had already been cleared of federal agents. Ann Arbor police officers subsequently arranged for the vehicle obstructing the bike lane to be towed.

The AAPD was not notified of this enforcement activity before, during, or after it took place, and is not part of their investigation."
