

## Sustainable Energy Utility (SEU)

March 2025 saw notable advancements in the SEU's creation, including:

- The SEU Executive Director job description is finalized and posted. Interested applicants should review: <https://www.a2gov.org/human-resources/jobs/>
- The SEU ordinance, a document outlining governance and administrative elements of the SEU, passed second reading at City Council on April 7, 2025. Ten (10) days from adoption, the SEU will officially become Michigan's youngest utility.
- The first neighborhood SEU meeting was hosted on April 6th in the home of the Ezekiel's. Those interested in hosting a similar meeting to share information and learn about the SEU are invited to email [sustainability@a2gov.org](mailto:sustainability@a2gov.org).
- Work was initiated on the SEU Technical Specifications for solar and storage.
- Work began on a community engagement and prioritization plan to help keep the public up to date on SEU developments and help guide SEU deployments.
- City staff continue to meet with potential external financiers to identify possible seed funding to launch the first capital purchase for the SEU.
- More details about the SEU can be found at [www.a2gov.org/a2seu](http://www.a2gov.org/a2seu).
