RE: Grandview Drive (Jackson Avenue – Dexter Avenue): Results of Final Polling

Dear Grandview Drive Residents and Owners,

Thank you for your interest in Traffic Calming on Grandview Drive. Following an initial questionnaire, orientation meeting, and self-guided tour meeting, a final poll was conducted to determine support for traffic calming within the project area.

The program guidelines specify that, “greater than 50% of returned final polls must indicate support (‘yes’) for the final plan”. This letter is to inform you that the results have been officially tallied and **the project has received enough support to move forward**. The breakdown of the final poll results are as follows:

- 14 Addresses in project area
- 11 Final poll responses received
- 10 Final polls supporting the final plan
- 90.9% Percent of final polls received support the final plan as shown.

This project has met the required criteria to be considered for construction at these upcoming, electronic, public meetings; public comment opportunities are available:

- **September 2023** – Transportation Commission to consider a recommendation; details: a2gov.org/TransportationCommission
- **November 2023** – City Council to consider a resolution for construction approval; details: a2gov.org

If approved by City Council, construction is tentatively planned to be completed during the 2024-2025 construction season based on available funding. The outcome of the Transportation Commission and City Council meetings will be posted on the project website, a2gov.org/TCGrandview.

We have enjoyed working with the Grandview Drive neighborhood and appreciate your involvement in the Traffic Calming Program. If you have any questions, please contact a team member at 734-794-6429 or by email at TrafficCalming@a2gov.org.

Best regards,

Your Traffic Calming Team
