

Effective 7/1/2025

What are the current stormwater rates?

Single and two-family residential properties are placed in one of the following four rate tiers, depending on the square footage of impervious area.

| Single-Family and Two-Family Residential | |
|---|--------------------------|
| Measured impervious area | Quarterly charge* |
| Up to 2,187 square feet | \$38.03 |
| > 2,187 to 4,175 square feet | \$66.53 |
| > 4,175 to 7,110 square feet | \$114.03 |
| > 7,110 square feet | \$199.59 |

* Plus a \$4.58 customer service charge per quarter.

Commercial and other properties (e.g., multi-family, office, institutional, and industrial land uses) are billed directly on the impervious areas at a rate of **\$1,025.85 per acre per quarter**, plus a \$4.58 customer charge per quarter.
