Registering for a Program

1

Now that you are logged in as a user, your screen should like the one below. Notice there is no longer a "Login with Email" link at the top left corner, it has been replaced with the following:
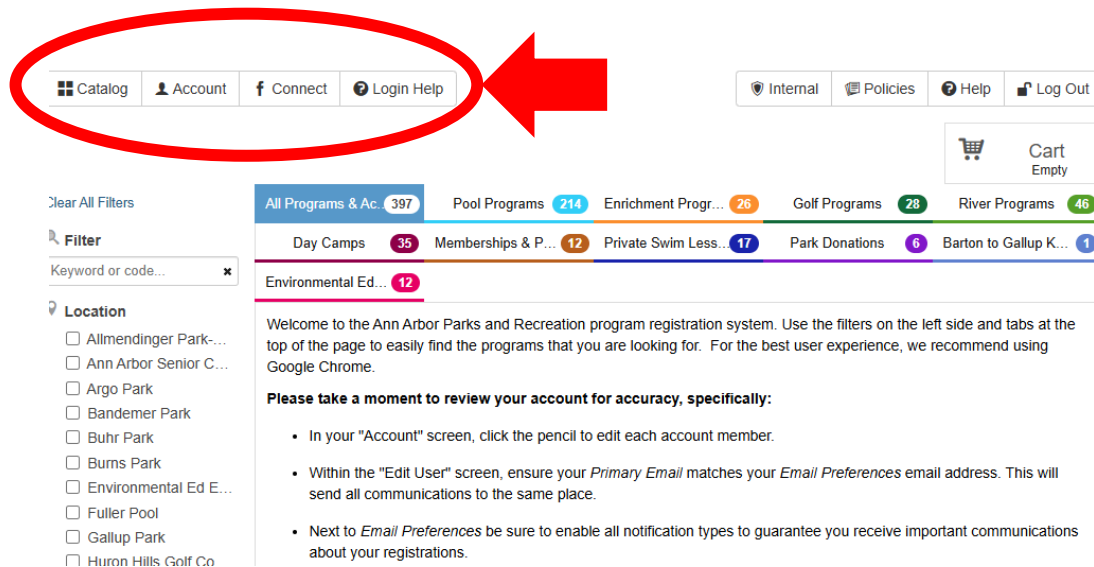

Now you are in the "Catalog" and can browse and register for programming! To simplify this process, on the left navigation under **"Location",** select the box next to **"Ann Arbor Senior Center".** This will narrow down your selection to only those offered at the center.

Registering for a Program (cont.)

2 The catalog will now show you all of the programs and activities being offered at the Senior Center. To register for a specific program, look for the activity type (Bridge, Senior Walks, Workshops, Tech Workshops, WCC Senior Focus Classes, Weekly Activities, Lunch & Learn, and Monthly Programs). Once you find the activity, click the activity name and you'll be given the sessions available to sign up for. Let's search for a Tech Workshop as an example.
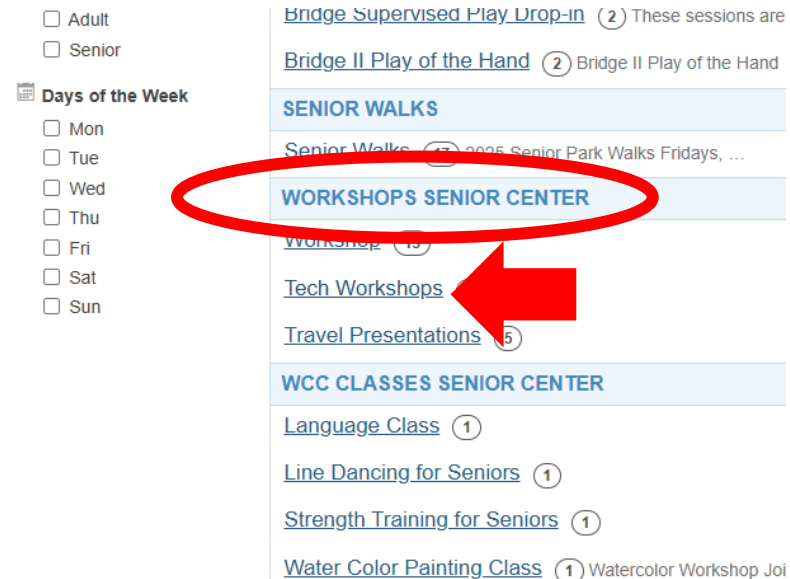

Scroll down the page until you find the "Workshops" activity heading. Under this heading, there is a link "Tech Workshops", click this link and a list of different session will drop down.

Registering for a Program (cont.)

3 Now you'll have the schedule of what Tech Workshops are being offered, click the name of the workshop you want to sign up for.

Technology Workshop: 4 Essential Computer Skills for Older Adults

Friday, Aug. 29, 11 a.m.-noon.

Notice how it's gotten trickier to use your computer these last few years? Come learn how tech companies are making things difficult and a few tricks to make using your computer more straightforward.

James Giordani received his MSW from the University of Michigan with a focus on enhancing the quality of life and independence of seniors through technology. He has been teaching tech skills and providing in-home tech support tailored to older adults for over 8 years. James breaks down the confusing world of technology into clear, understandable, and interesting presentations whether you're a tech novice or a tech master.

Located at the Ann Arbor Senior Center, 1320 Baldwin Ave.

Preregistration required. Click here to register or call 734.794.6250.

Free of charge.

This will tell you where you stand on the waitlist for a class or if there is a waitlist. If your page is blank, that means you are not on a waitlist. If you are on a waitlist, you will see the **"Position"** area circled. That tells you where you stand on the waitlist. Therefore, I am 7th currently.
