

Due to an unexpected staff shortage, all election inspector trainings scheduled for 10/26/2024 have been cancelled.

We are offering an online training to you as a replacement. This training is hosted by the Washtenaw County Clerk's online election training portal.

If you haven't attended training since 2022 or are a new inspector, you MUST complete the training by Sunday, October 27th at 9 PM in order to work with us on November 5th.

When you sign up, you can list "City of Ann Arbor" in the Polling Place / Early Voting Site field. You should take the poll worker training only. Do not take the AVCB training.

Upon completion, please forward the completion certificate (can be a screen shot) to recruiters@a2gov.org.
