

ANN ARBOR FIRE DEPARTMENT

Standard Operating Procedures – 5.05 WLMCA Protocols

WASHTENAW / LIVINGSTON MEDICAL CONTROL AUTHORITY PROTOCOLS

Effective: August 26, 2022
Scheduled Review: August 26, 2025
Approved: Fire Chief Mike Kennedy

I. PURPOSE

The purpose of this procedure is to establish accountability for and accessibility to the Washtenaw / Livingston Medical Control Authority (WLMCA) protocols.

Personnel licensed to operate in the WLMCA have a duty to report certain violations under protocol [8.24 \(s\) Incident Classification](#).

II. ACCESSIBILITY

All licensed medical care providers are responsible to abide by WLMCA protocols. WLMCA protocols are accessible via the following methods.

- A. From any web service, <https://www.washtenaw.org/937/Protocols>
- B. There is a WLMCA app available for free via both Google Play and the iPhone App Store.
- C. From any City of Ann Arbor information technology access point, open a web browser and access the bookmarks panel. Select the “Ann Arbor Fire” bookmark heading, and select the link for Washtenaw Livingston Medical Control Authority, then select the ‘Protocols’ tab.

III. DUTY TO REPORT

Under 8.07 (s) Incident Classification, personnel licensed to operate in the WLMCA must “notify the MCA of a criminal charge, arrest or conviction within 1 business day.” In order to meet this requirement, employees shall notify the EMS coordinator who will then notify the WLMCA.

ANN ARBOR FIRE DEPARTMENT

Standard Operating Procedures – 5.05 WLMCA Protocols

The training officer and fire chief shall be informed of this report to the WLCMA. In the absence of the EMS coordinator, the training officer shall be the point of contact for the reporting employee.
