RE: Baldwin Avenue (Packard Street – Stadium Boulevard): Results of Final Polling

Dear Baldwin Avenue Residents and Owners,

Thank you for your interest in Traffic Calming on Baldwin Avenue. Following an initial questionnaire, orientation meeting, and self-guided tour meeting, a final poll was conducted to determine support for traffic calming within the project area.

The program guidelines specify that, “greater than 50% of returned final polls must indicate support (‘yes’) for the final plan”. This letter is to inform you that the results have been officially tallied and **the project has received enough support to move forward**. The breakdown of the final poll results are as follows:

- 12 Addresses in project area
- 5 Final poll responses received
- 5 Final polls supporting the final plan
- 100% Percent of final polls received support the final plan as shown.

This project has met the required criteria to be considered for construction at these upcoming, electronic, public meetings; public comment opportunities are available:

- **August 2023** – Transportation Commission to consider a recommendation; details: [a2gov.org/TransportationCommission](http://a2gov.org/TransportationCommission)
- **September 2023** – City Council to consider a resolution for construction approval; details: [a2gov.org](http://a2gov.org)

If approved by City Council, construction is tentatively planned to be completed during the 2023-2024 construction season based on available funding. The outcome of the Transportation Commission and City Council meetings will be posted on the project website, [a2gov.org/TCBaldwinPS](http://a2gov.org/TCBaldwinPS).
