On June 9, 2026, at approximately 1:20 a.m., Ann Arbor police officers responded to the 1700 block of Green Road for a report of a shooting.

Upon arrival, officers discovered a 23-year-old woman from Redford was inside an apartment when she was struck by one round in her left elbow. The victim was transported to the hospital with non-life-threatening injuries. Officers also found that adjacent structures had been struck. Responding officers confirmed there were no other injuries.

The preliminary investigation indicates that individuals arrived in the area in a black sedan and shot toward an apartment before fleeing the scene.

Ann Arbor patrol beat officers quickly responded to the scene. One of the officers located the suspect vehicle and pursued the vehicle until the vehicle reached a dead-end road. One person was taken into custody while others fled.

Investigators have information that this was a targeted incident and was not random.
