

# How To: **Petition for Traffic Calming**

## **1 Reach Out**

**TrafficCalming@a2gov.org | 734-794-6429**

Discuss the requested project area with staff and help ensure a positive traffic calming process

## **2 Gather Signatures**

Note: Petitioner contact information will be made public

Populate the petition PDF with project area details and print

Gather signatures in-person

## **3 Return Documents**

Note: The City will accept emailed/scanned copies to reserve a place in the queue, but the original copy must be submitted before the petition is reviewed

Complete and return the “Request for Traffic Calming Measures” and all signatures to the City

City of Ann Arbor Public Services Area  
Attn: Engineering / Traffic Calming Program  
PO Box 8647  
Ann Arbor, MI 48107-8647

Scan and Email: [TrafficCalming@a2gov.org](mailto:TrafficCalming@a2gov.org)

Petitions will be evaluated as funding becomes available and as staff/time/queue allows

# Petition for Traffic Calming Measures

Street or area: \_\_\_\_\_ If along street, from (street): \_\_\_\_\_ to (street): \_\_\_\_\_

Petition contact name: \_\_\_\_\_ Phone: \_\_\_\_\_ Email: \_\_\_\_\_

Petition contact address: \_\_\_\_\_

*By signing this petition, I am showing my support for the above mentioned street or area to be investigated for potential traffic calming.*

Signature	Print Name	Address	Date	Email Address (optional)

Please note:

1. Petitioners are encouraged to contact [TrafficCalming@a2gov.org](mailto:TrafficCalming@a2gov.org) to discuss the project area to help ensure a successful traffic calming process.
2. Traffic calming program criteria require that this petition include signatures from a representative (renter or owner) of at least 50% of all project area addresses.
3. Only one signature per address will be counted in tallying qualification criteria.
4. By legibly providing your email address you will be added to a distribution list for this project. You may request removal at any time.

Please attach additional signature pages as needed. Visit [a2gov.org/TrafficCalming](http://a2gov.org/TrafficCalming) for more information.

# Request for Traffic Calming Measures

Please submit this request and a completed petition form to be considered for the Traffic Calming Program. The following statements will help city staff to understand your request.

1. Identify the requested street or area to be considered for traffic calming measures.

---

---

---

---

---

---

2. Describe existing traffic concerns (speeding, volume, etc.). Please include a description of who is involved (a certain kind of driver, most drivers, etc.), who is affected (pedestrians, homeowners, other drivers, etc.), and the days and/or time of day when the traffic concern is most prevalent.

---

---

---

---

---

---

3. List any neighborhood characteristics that may be pertinent to the traffic concern. Some characteristics may include school and business location with respect to traffic area, use of area by pedestrians or bicyclists, geometry of road, etc.

---

---

---

---

---

---
