Re: Traffic Calming Update on Arella Boulevard between Stadium Boulevard and Pauline Boulevard

Dear Arella Boulevard Residents and Owners:

An update has been made since the Meeting #2 materials were mailed. The update will be reflected in the self-guided tour which was marked on Monday, November 13 and signage will be posted by Wednesday, November 15.

The two following changes were made:

1. Device 1 has been split into two options: Speed Hump **OR** Curb Extension.
2. Device 3 Curb Extension was added between Martha Ave and Pauline Blvd.

As a reminder, Meeting #2 is scheduled for **Wednesday, November 29 from 6:00 p.m.** on Zoom. You will be able to access the meeting from our project website, [a2gov.org/TCArellaSP](http://a2gov.org/TCArellaSP).

If you have questions or are unable to attend this meeting and would like to provide feedback, please call 313-831-7606 and leave a voicemail with your Name, Address, Phone Number, and feedback, which will be incorporated into the meeting discussion. If there are questions, your phone call will be returned within two (2) business days.

To receive electronic communications regarding this Arella Boulevard Traffic Calming project area, please email [kthullen@wadetrim.com](mailto:kthullen@wadetrim.com) and request to be added to the email distribution list.

We appreciate your time, interest, and effort with this project. If you have any questions, please contact Kristy Thullen at 313-831-7606 or by email at [kthullen@wadetrim.com](mailto:kthullen@wadetrim.com).

Thank you,  
Your Traffic Calming Team

C: Andrea Wright, Raymond Hess, Luke Liu, Chris Wall, Lori Pawlik, Kristy Thullen

Hello! I am Device #1 - **ALTERNATE**. I am a **Curb Extension**.

I am used to slow drivers down by giving them something to drive around. I physically and visually tighten the corridor by narrowing street width. When placed at a crosswalk, I shorten the distance pedestrians must travel and increase their visibility by placing them ahead of any vehicles parked on the street.

**EXPERIENCE ME:** To experience a location like me visit the curb extension at Granger Avenue and White Street.

OR

Take a virtual drive of this intersection through Google Maps.

**FEEDBACK OPPORTUNITY:** Do you support Device #1 - **ALTERNATE** Curb Extension near 1326 Arella Boulevard? Community polling will be part of the virtual meeting on November 29. If you have questions in advance or are unable to attend the upcoming virtual meeting, please call 313-831-7606 and leave a voicemail with your question and/or feedback. Please include your Name, Address, and Phone Number. Staff will follow-up with questions within 2 business days, as appropriate. Feedback received in advance and at the meeting will help shape the Final Plan (Traffic Calming Program Step 5).
