FATAL CRASH INVESTIGATION (25-17279)

On 4/15/25 at approximately 4:00pm, officers were dispatched to the area of Pauline Boulevard near Hutchins Avenue for a crash involving a pedestrian and a gravel hauler. A 64-year-old male from Livonia was found unresponsive underneath the tractor trailer with trauma to his body. He was pronounced deceased at the scene.

Preliminary investigation revealed the victim was the driver of the gravel hauler involved in the incident and was struck while he was in the process of re-connecting the front trailer to the rear trailer. The incident occurred shortly after the driver dropped loads of sand off at a nearby construction site.

Pauline was closed between Main and 7th Street during the investigation and later reopened around 9:30pm.

The incident remains under active investigation. AAPD was assisted on scene by AAFD, Michigan State Police, and HVA.
