

## **ADDENDUM No. 1**

Uniform & Floor Mat Rental  
ITB No. 4331

The following changes, additions, and/or deletions shall be made to the Invitation to Bid (ITB) for Uniform & Floor Mat Rental, ITB No. 4331.

The information contained herein shall take precedence over the original documents and all previous addenda, and is appended thereto.

The Contractor is to acknowledge receipt of this Addendum No. 1 by including a copy of this addendum with its bid. This Addendum includes 1 page.

### **Questions and Answers**

**Q:** “First I see that there is a 5% bid bond, I am curious as to what this is for if the bid is for a one year period?”

**A:** **The bid bond is a typical requirement of the city’s Invitation to Bid (ITB). Bid bonds, in general, assure that the successful bidder will execute the contract and provide documents required by city ordinance and surety bonds as specified in the ITB.**

**Q:** “I’m not 100% sure what the Performance/Labor Material bond is?”

**A:** **The Performance/Labor and Material bond is a surety. The WWTP management believes it prudent to have a performance bond to draw upon in case the contractor does not satisfy the contract as agreed.**

**Q:** “I would also like to know if the bid for the mats are just for the waste water plant or for the city of Ann Arbor as a whole?”

**A:** **The Mat specifications are for the Wastewater Treatment Plant only.**
