### Message from Chief Andre C. Anderson

The Ann Arbor Police Department is still actively investigating a bias-motivated assault that took place 9/15/24 at about 12:45am in the area of Hill Street and S Forest. To help potential witnesses provide leads, we have put in place a new Ann Arbor Police Silent Witness system, <https://aapd.a2gov.org/SilentWitness>.

AAPD Silent Witness allows for anyone with information to upload a photo or video and provide information you believe may lead to the apprehension of those responsible. The information received is funneled to our investigative staff in an attempt to locate the parties responsible.

Over the last few days, I've spoken to many in our diverse and multi-cultural community, as well as different faith-based leaders who all condemn this assault while placing an emphasis on our common goals to stand united. I acknowledge the grace and efforts our many religious organizations who are offering resources and rewards toward helping the AAPD find those responsible. We have a common goal.

We will continually pursue all leads as we move forward. This investigation is active and still ongoing.
