EXPEDITED RESIDENTIAL PERMIT REQUIREMENTS

The following items **MUST** be completed and available to schedule an expedited permit:

1. **Applicant** must have a STREAM online account.
2. **Licensed builder** (unless homeowner permit) must have completed the following steps.
 - a. STREAM online account
 - b. Registered license with STREAM
 - c. License is linked to online account by City of Ann Arbor
3. **Address** of project
4. **Property owner** must have a STREAM online account.
5. If homeowner permit, property **MUST** be owner occupied.

EXPEDITED RESIDENTIAL PERMIT FEE STRUCTURE

- **Expedited Plan Review Fee:** \$15. Payment required to reserve 15 minute plan review time slot.
- **Base Application Fee:** \$15
- **Permit Fee:** Determined by standard permit fee structure based on provided valuation.
- **Plan Review Fee:** 20% of permit fee.

Option to select EXPEDITED PERMITS will be available during the permit application process. See below for scope of work allowed for expedited permits. If qualified, link to reserve an appointment will be emailed.

Exterior work for properties located in historic districts require approval for work prior to permit application.

Building permits to be issued at time of approval.

Contact Ric Foley for questions regarding expedited permitting requirements at 734.794.6000 x 42683 or rfoley@a2gov.org.

Mechanical, Electrical and Plumbing work for building permits require separate permits and inspections.
