Meeting Agenda

I. Meeting Norms

II. Meeting Engagement Technology

III. Traffic Calming Process

IV. Device Discussion
- Device 1: Review, Questions, Feedback
- Device 2: Review, Questions, Feedback

V. Next Steps

Zoom Meeting Norms

- Start on time . . . end on time.
- Raise your hand to be recognized to talk; there will be one speaker at a time
- Move to a quiet area and silence any background sounds when speaking
- Speak loud and clear so everyone can hear
- Everyone will be provided a chance to speak before a repeat speaker
- Be respectful of other ideas and perspectives
- Try to distinguish between I know (facts) and I think (opinions).
- Inappropriate written and/or verbal comment or language, including personal attacks and accusations, will result in the attendee being removed from the meeting.

Is there anything that should be added?

Technology Overview – Ask a question/share a comment

Phone

- Select *9 to raise your hand
- You will be identified by the last 3 digits of your phone number
- Select *6 to unmute yourself

Technology Overview – Ask a question/share a comment

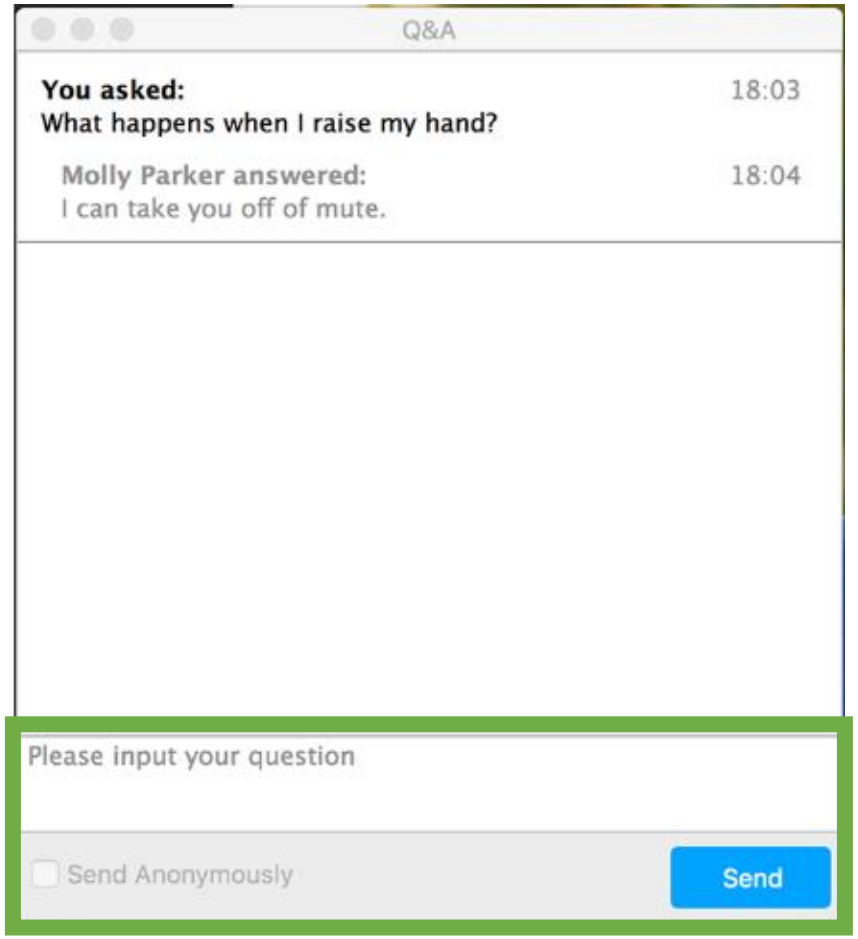
Computer

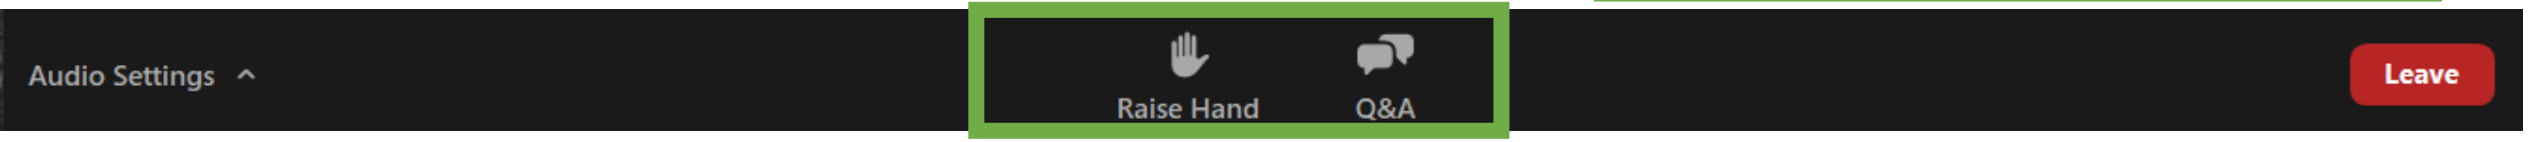
Raising Hand: select **Raise Hand** in the Webinar Controls

- The host will be notified that you've raised your hand
- Select **Lower Hand** to lower if needed

Q&A: select **Q&A** in the Webinar Controls

- Type your question and click **Send**
- Check the **Send Anonymously** box if you do not want your name attached to your question in the Q&A



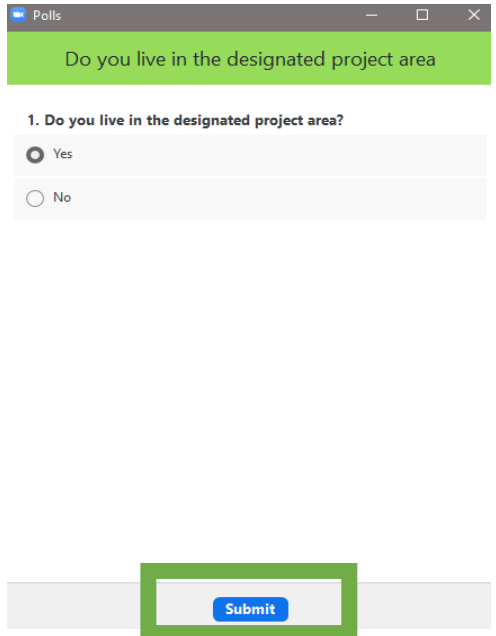


Technology Overview – Polling

Computer

During an active poll

- Click your answer
- Press submit



When the poll closes

- View results
- Press close

Note: Computer polling is anonymous. Your name will not be viewable with your response

Phone

- Raise your hand (*9)
- The host will unmute you
- Say your answer to the poll

Note: Phone polling is not anonymous. Everyone in the meeting will be able to hear your response.

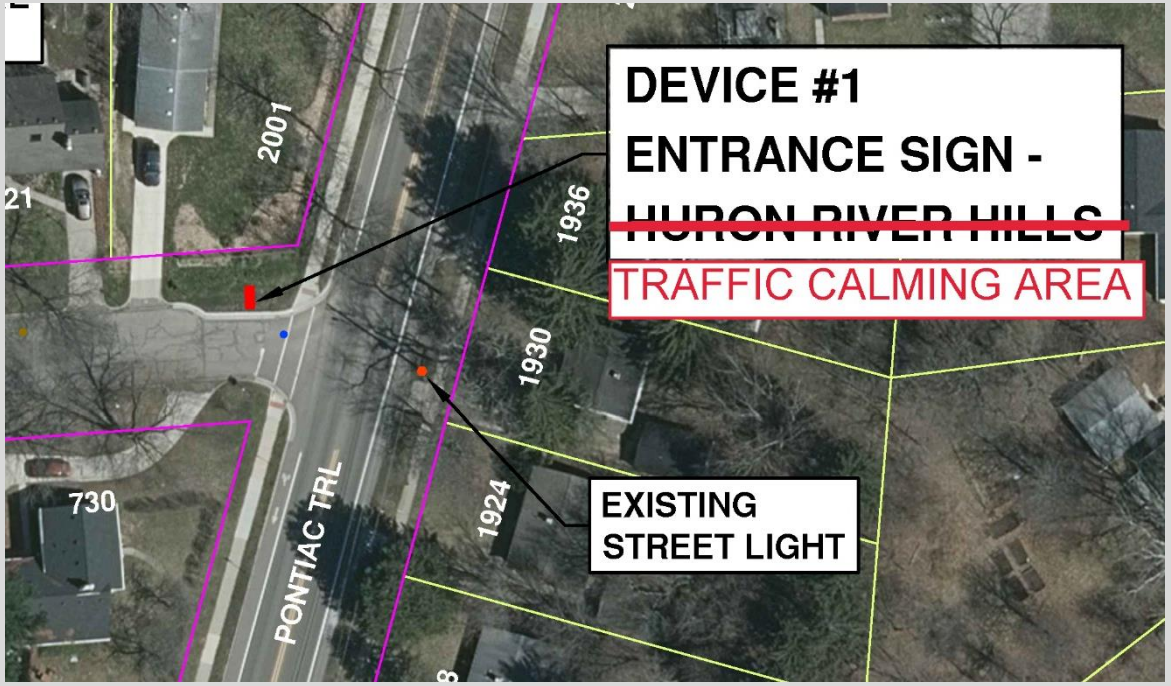
RIGHT-OF-WAY LINE

Device #1

"Traffic Calming Area" sign at neighborhood entrance

size is approximately 4' x 4'

Note: final sign design may be slightly different.

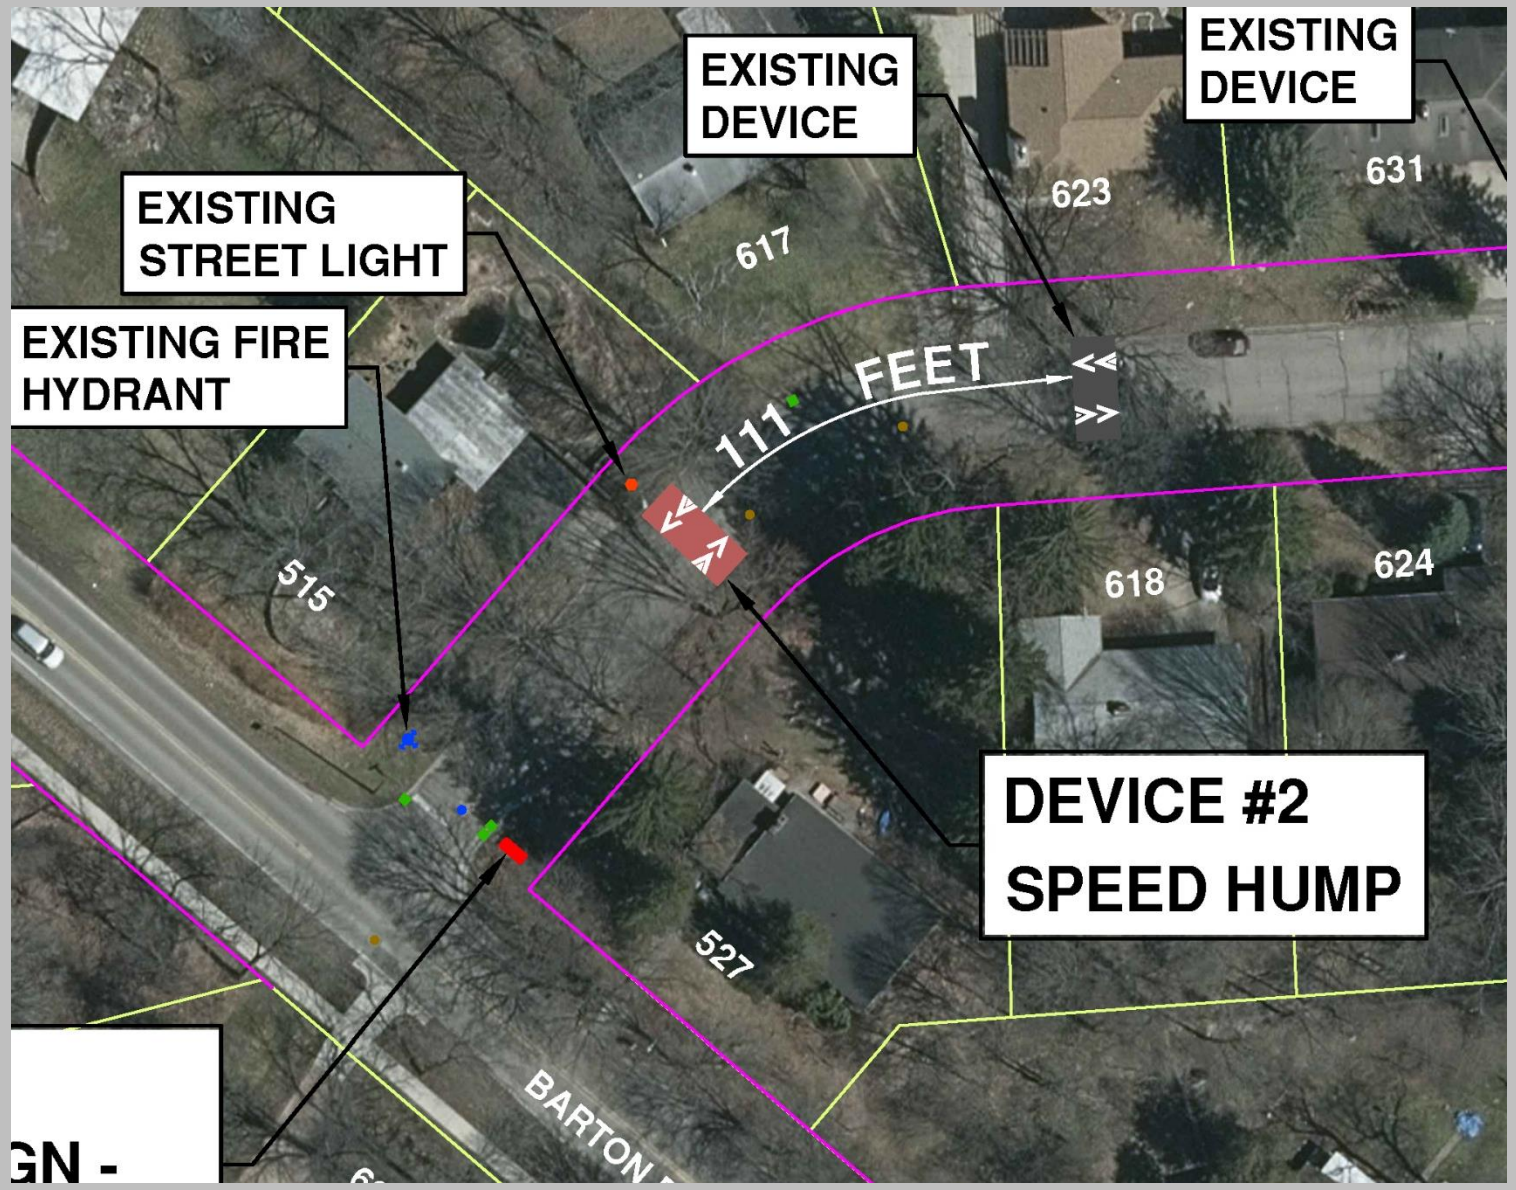


Questions & Polling

Device #2
Speed Hump

Device Considerations:

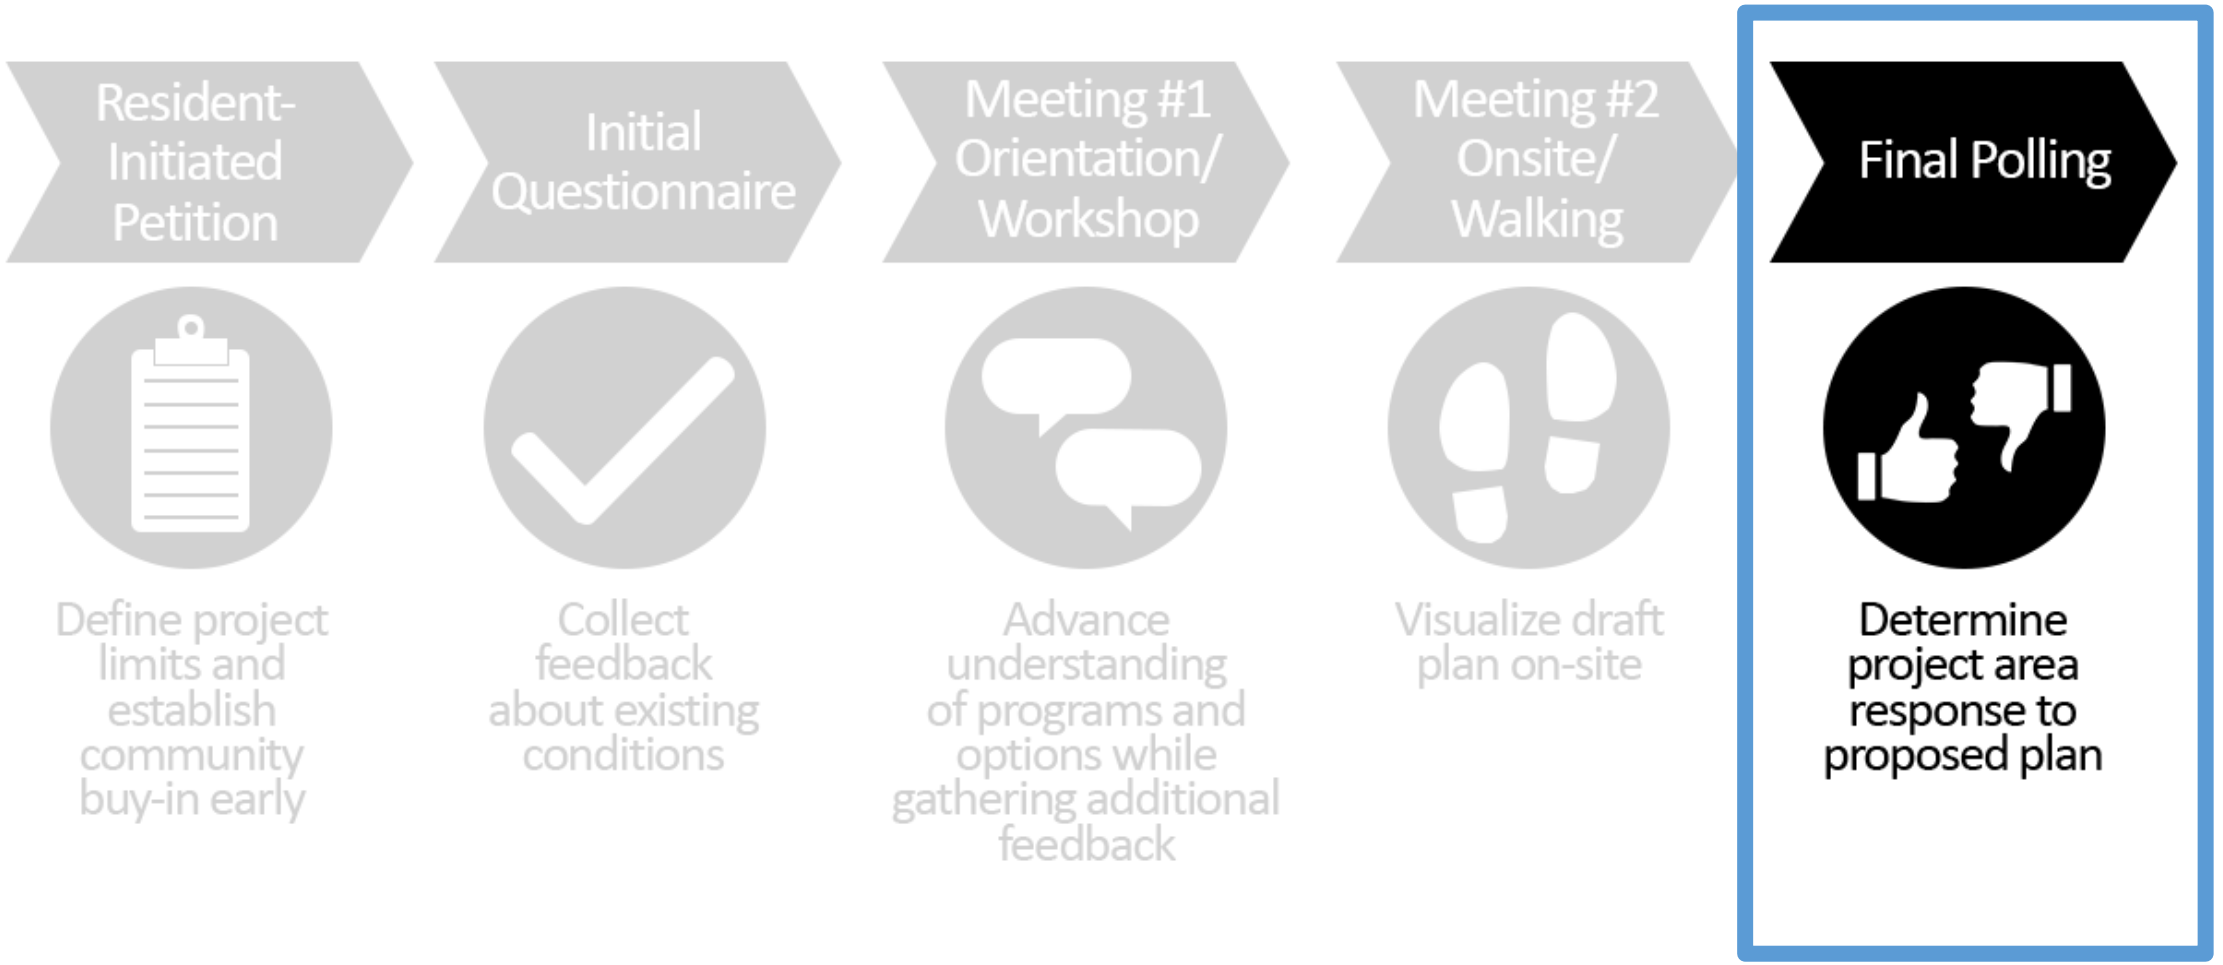
- Typically reduces vehicle speed
- May reduce cut through traffic volume
- Addition to existing speed humps on Northside Ave



Questions & Polling

Traffic Calming in Ann Arbor

City Council approved 5 step Program



Final Polling

homeowners, renters + landlords polled

>50%

minimum response support required
