DOWNTOWN ANN ARBOR

HOW TO RIDE SAFELY

YES

- Bike Lanes are one way. Travel in the direction of traffic.
- Don't zig-zag in/out of traffic.
- Instead, ride in a straight line.
- Avoid the "door zone." Ride at least 3 feet from parked cars.
- Look for a dashed white line and "share the road" sign at end of bike lane.
- When on sidewalks, walk bike in crowded areas and watch for cars entering or exiting driveways and parking lots.
- Turn left either 1) as a car would, or 2) by using sidewalks and crosswalks.

NO

- Don't zig-zag in/out of traffic.
- Don't ride in the "door zone" (between parked cars).
- Don't ride on sidewalks.
- Don't turn left as a car would.

SHARE THE ROAD

The shared use symbol, or sharrow, indicates to both motorists and cyclists that cars and bikes should share the roadway.

It is usually placed on the roadway when there is no room for a separate bike lane.

IT'S THE LAW

Obey Traffic Laws, Signs and Signals
Bicyclists have the same rights and responsibilities as motorists. (M.V.C. 257.657)

Use Hand Signals
Signal your intent to turn with the proper hand signals shown below. (M.V.C. 257.634(1))

Use Lights at Night
White headlight visible from 500 feet, red rear reflector or light visible from 600 feet. (M.V.C. 257.662)

Riding on Sidewalks
You are an invited guest in the pedestrian space. Slow down, announce yourself when passing, and always yield to pedestrians. (M.V.C. 257.660c)

SIGNAL TURNS

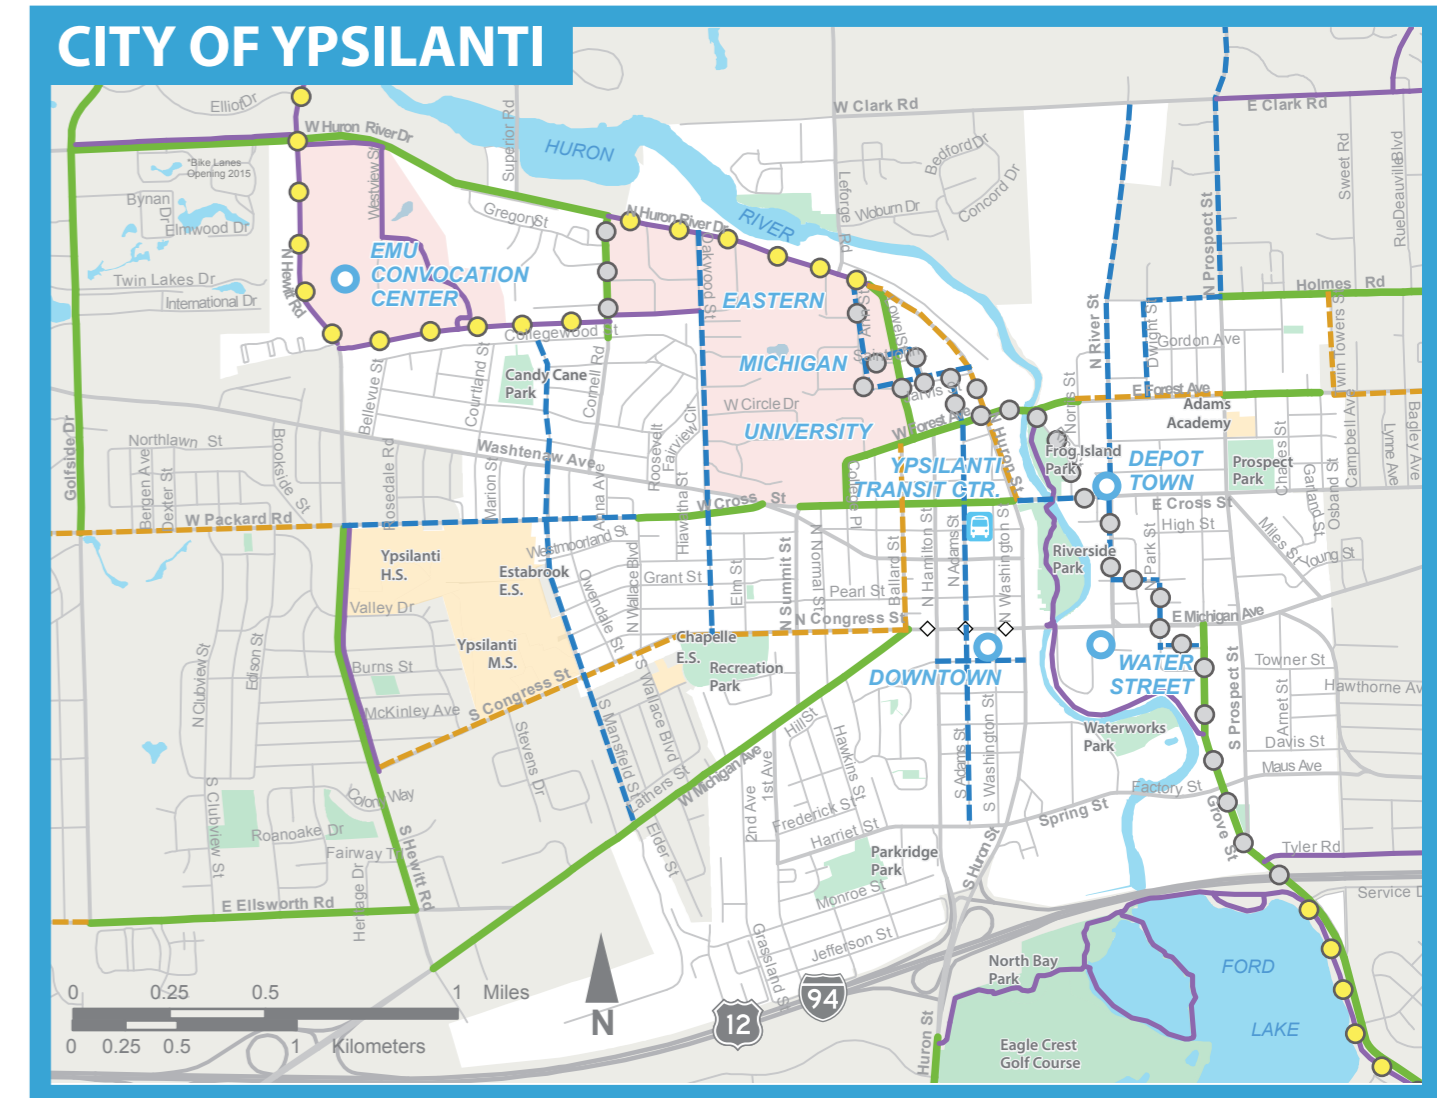

LEFT or RIGHT

WEAR A HELMET

Wear helmet over the forehead, above the eyebrows, not tilted back. It should not move around while riding.

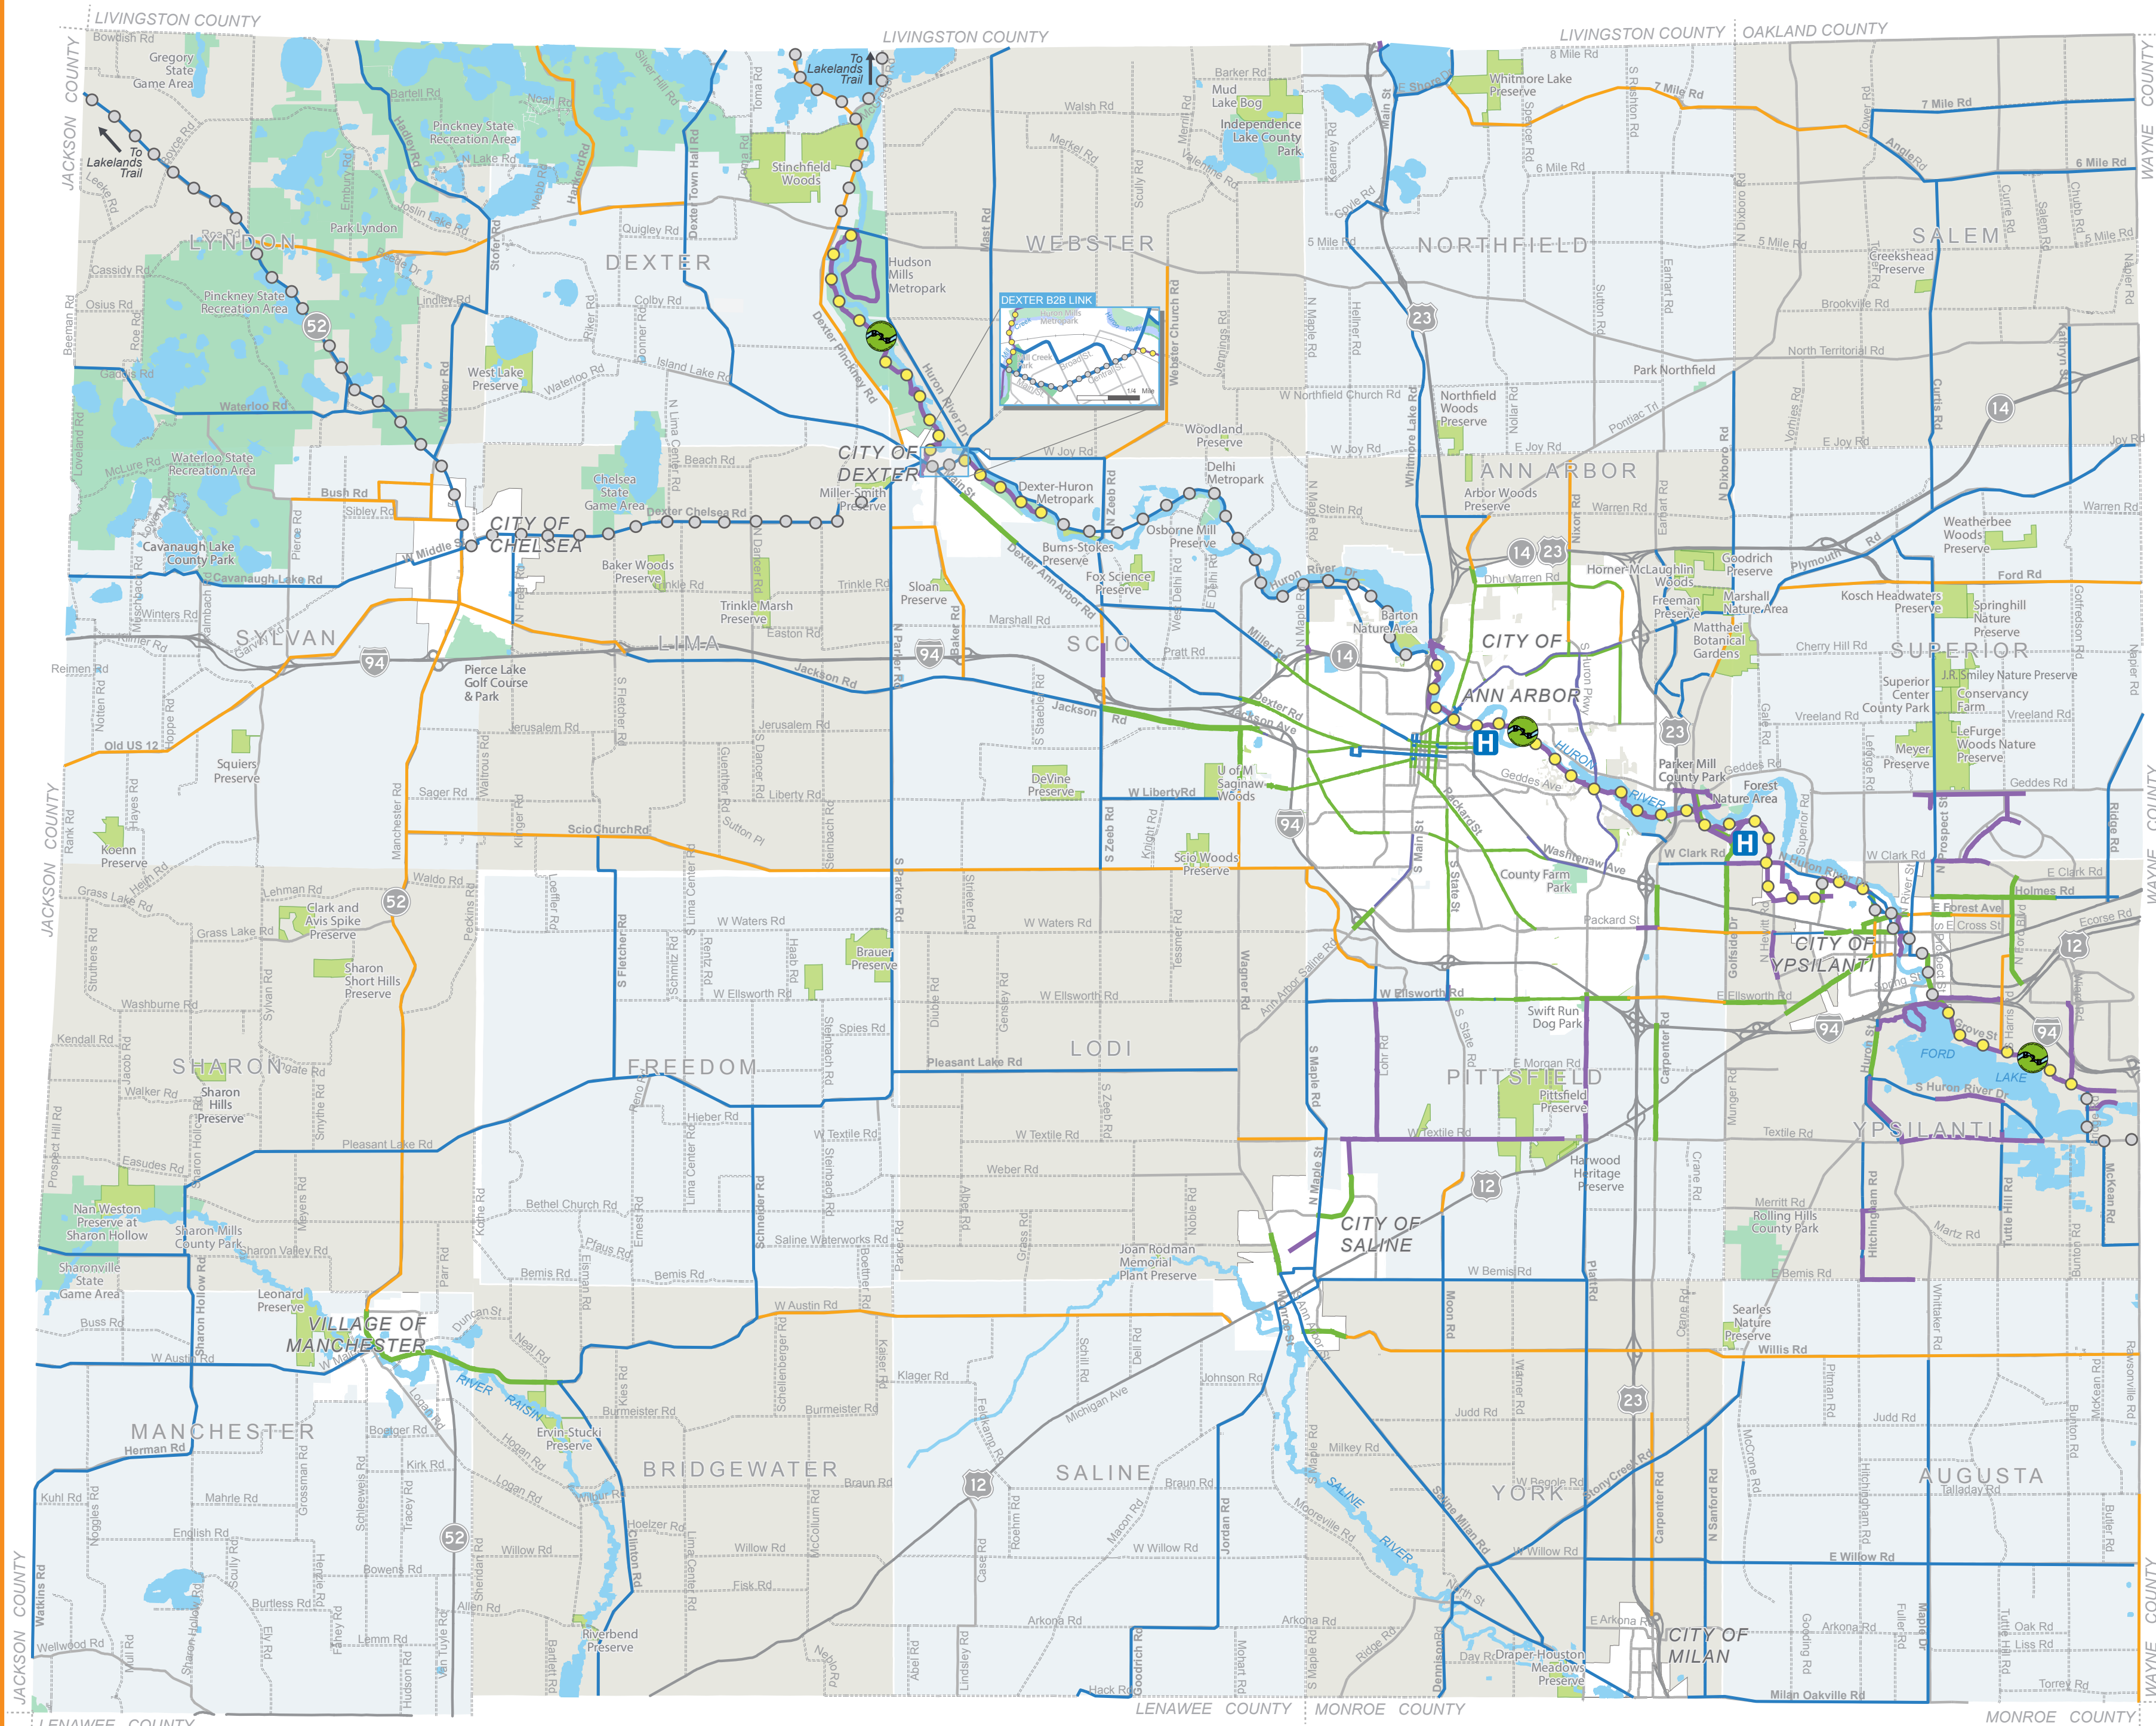

BE VISIBLE
